Activities 6

Spirit Week, After Game Dances,
Grad. Night, Graduation Slave Day
and others.

Organizations 52

Ski Club, Pep Club, Chess Club, Mecha Club, Key Club, Leadership, CSF, Bridge Club, Modern Dance, FFA, Girls League, GAA, and others.

Sports 94

Varsity Football, Freshman Football, Water Polo, Cross Country, Tennis, Volleyball, Field Hockey, Basketball, Baseball, Wrestling, Swimming, Diving, Track, and Gymnastics.

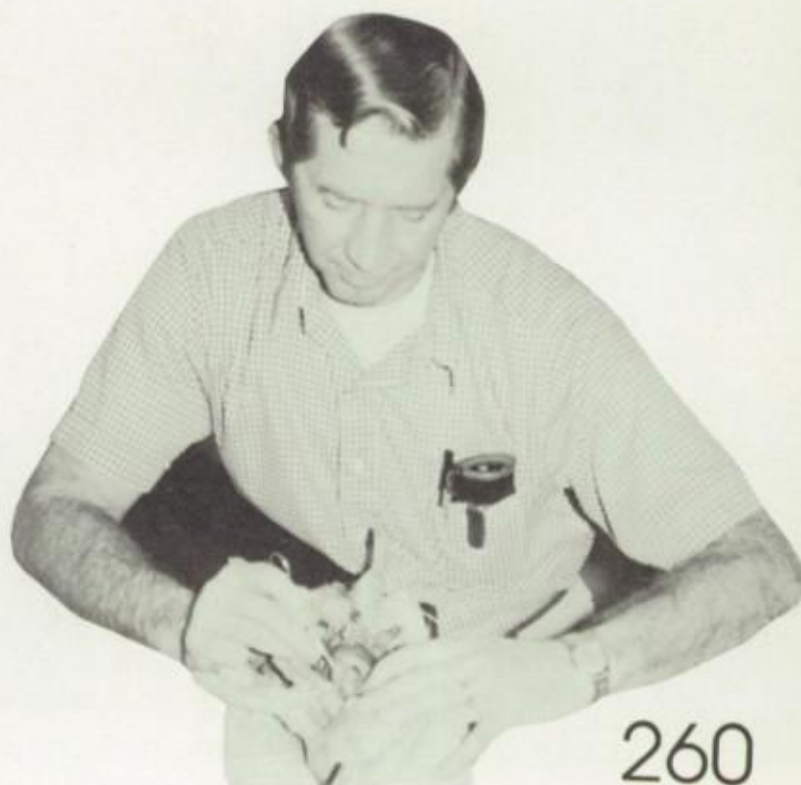

Students 158

Senior Class, Junior Class, Sophomore Class, and Freshman Class.

Pep 70

Drill Team, Varsity Yell, Song, Flag Tall Flag, Fresh. Yell, Marching Band, and Choir

dances. Many of us don't quite remember just how fun these dances were because we weren't always in the best state of mind, but a radical time was had by all.

Girls League sponsors this formal affair that always turns out to be a total success due to a lot of hard work and preparation. It's during this dance that we find out what those senior couples are really up to, when a king and queen are chosen from among those senior girls n' guys that are going steady. (smooch, smooch!)

Spirit Week 6

There is one week set aside every year when each class chooses a theme to dress up as to show just how spirited they really are. How spirited are they? The shy people come out of hiding, the all ready radicals reach heights of uncontrollable hysterics and a great time is had by all.

Teen Consumer Weddings 14

Each Teen Consumer Class has a few brave volunteers who agree to a mock marriage complete with a ring, very carefully chosen from the local Cracker Jack Company. These weddings are always well attended and are very happy occasions, don't you think so? I do!

Modern Dance Show 16

This active group consists of talented girls who choreograph their own routines to songs of their liking. These girls work long hours perfecting their dances for the many performances that are given.

Booster Club Raffle 21

Sonora Boosters sponsored a fundraiser to benefit Sonora students sports and activity programs. The raffle ran from Dec. 10- Feb. 13 and students selling the \$2 tickets were on their way to a \$1,000 award or a Datsun car. Other prizes include a moped, cash, a stereo, a private telephone for one year, a calculator or a portable radio.

Homecoming 10

Each year around September, Sonora invites back all of the "Over the Hill Gang" (more refined people refer to this gang as alumni) to take part in the Homecoming festivities which include an exciting football game, crowning of the king and queen, and of course a fantastic semi-formal Homecoming dance.

After Game Dances 13

After many of our totally exciting Raider football and basketball games, the PTA, Booster Club and Student Body sponsored superb

Winter Formal 18

Valentine Dance 22

This is the first "Girl ask Guy" dance of the new year, which always is a big success due to the startling fact that there are many bold and fearless girls out there that would just love to get their hands on that cute guy they've had their eyes on since September, or as the case maybe, . . . yesterday!

Fall Sports Awards 24

The many fine athletes involved in football, volleyball, cross country, tennis, and water polo were honored at a dessert banquet held at Sonora on Dec. 6, 1979. Individual

awards and special gifts were presented to the most outstanding players.

Spring Sports Awards 25

In the month of June, a dessert social is held to honor the athletics involved in such sports as baseball, softball, gymnastics, swimming, tennis, girls track, boys track, ski club, and pep organizations. Individual awards are also presented at this time.

Sadie Hawkins 26

This dance could be considered the best dance of the year. All of the hicks and hillbillies came down from the hills, water-holes and farms to enjoy a bit of knee-slappin, foot-stompin good 'ole fun at the hoe-down. Don't forget your jug or corn-cob pipe, and "ya'll come back now, ya hear".

Spring Play 30

Around the time that "April showers bring May flowers", the Sonora High Fine Arts Department presents their annual Spring Musical. The music students provide the background sounds that highlight the fine acting of many talented students.

Slave Day 32

Each year girls, guys, and otherwise are auctioned off to the highest bidder. The slave then belongs to the bidder, which may be 1 or more people, has to obey the rules set by him, as long as they're in reason.

Top 100 33

The Top 100 includes all students, Freshman through Juniors with a G.P.A. of 3.8 or above. The seniors G.P.A. must be a 3.6 or above for the entire 4 years they have been here. Then to top it all off there is a banquet at the end of the year.

Student of the Month 34

One person each month is chosen for doing an outstanding job during that month. There is a box in the front office where you can put your choice of who you want to be chosen for student of the month.

Bank of America Scholarships 36

This scholarship goes to a certain number of students who qualify in each different category such as Art, Home Economics, Music, and others.

Fundraiser 38

These are different activities held during the year to help raise money for different charities.

Drill Team Show 40

This is the concluding show that ends the whole year just right. This is one of the most important shows done through out the whole year. Great job girls!

Senior Awards 42

These are different types of awards given to seniors for an outstanding job in different areas. This event is usually held during the evening.

Prom 44

The 1980 Prom was May 17 from 8-12 at the "Inn at the Park" in Anaheim. There was lots of munchies on hand to eat while waiting in line for pictures. The band was excellent and everyone had a wonderful time. The Prom was held closer to home, so that we could eliminate those getting lost on the way to or from the dance.

Graduation . 46

The month of June came and went and during that month, the seniors belonging to the class of '80' were experiencing total frenzy! There were those who looked forward to and anticipated the day of graduation and others who were a little regretful or sad, but somehow after adjusting their cap and gown, everything came into focus. Almost all of the seniors walked away with their diplomas in hand, and a smile on their face!!

Grad Night 47

The 1980 Grad Night was held at Pickwick Recreation Center in Burbank Calif., from 11 pm until 5 am. The facilities consisted of a circular pool with four (count them!) diving boards, ping-pong tables, a dance floor for the active boogiers to dance the night away, an all-hours munchies table and a "mini Las Vegas" for the card sharks of Sonora to exhibit their talents. (no betting!!)

Academic Decathlon 49

This is a "mental" race, in which 2 A students, 2 B students, and 2 C students from each school in O.C. compete against each other by taking tests to determine who is the most outstanding in their field. A dinner at the Disneyland Hotel ended the event.

SENIOR SPIRIT DAY JUNIOR SPIRIT DAY

The theme for the 1979-80 Senior Spirit Day was Disneyland. The costumes ranged from ticker books to Mickey Mouse himself. The traditional Senior Spirit Day toilet-papering party could not be saved this year. Do to the fact that the school had been broken into and vandalized. The police were swarming like bees when the seniors arrived at around 2:00 a.m. Even though the

night before was a bust, the senior class showed their spirit when coming to school. At lunch time they formed a parade and marched through the commons and office. Even though most people don't dress up in their Freshman, Sophomore or Junior years, they always seem to find time to dress up in their Senior year.

Junior Spirit Day was a "wild and crazy"

success thanks to all those Juniors who were brave enough to dress up. The theme chosen by the Juniors was "Famous People". The costumes ranged from Steve Martin to, "The Not Ready For Prime-time Players". As always there was an exception, and for all you Juniors who were "Too Hip" to dress up, well, there's always next year (we hope!); so be prepared!

SOPHOMORE SPIRIT DAY FRESHMEN SPIRIT DAY

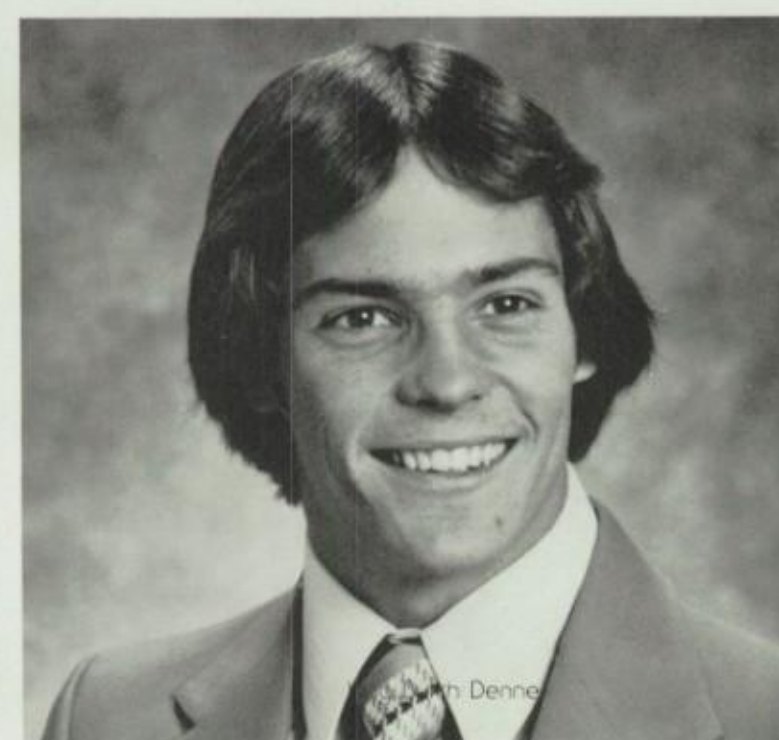

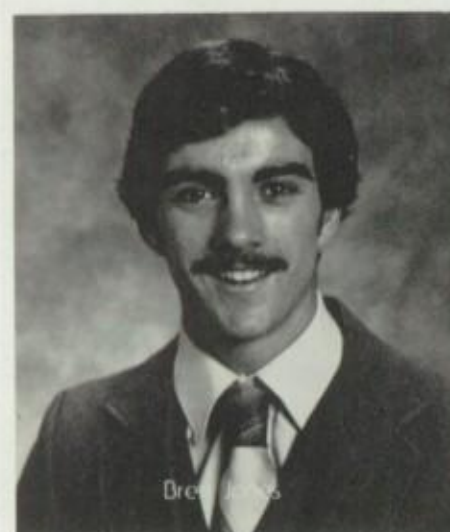

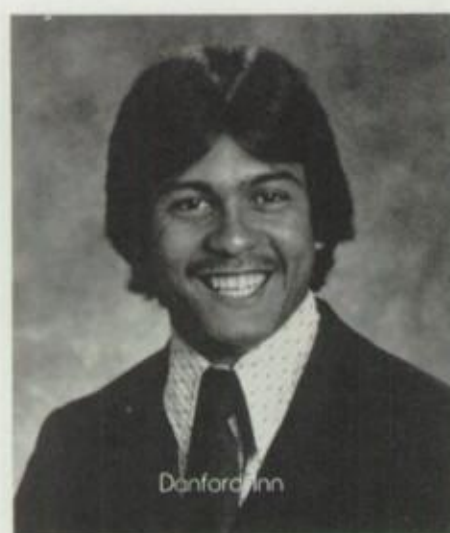

The Sophomore Spirit Day kicked off Spirit Week. Their spirit day was Monday and it was very hard to remember to dress up over the weekend. Nevertheless very few forgot to dress up in the theme that they chose "The Wonderful World of Make-Believe". They did a super job on decorating the school with the posters that they painted. Costumes varied from "The Wonderful

World of Mother Goose" to "The Muppets". All things taken in hand, their spirit day went great but, they have a long way before they can be compared to the Seniors!

The 1979-1980 Freshmen did really well for their first spirit day. They left their diapers, bottles, and rattles at home so they could dress up like cowboys and Indians. I'm

sure their mommies and daddies were up until all hours of the night helping them pick out a costume to wear to school. They did a really creative job decorating the school, for there was not a blank wall to be seen. They were all covered with posters. But, the real test came at lunch, could they capture the upperclassmen's attention??? Well, they tried!!! P.S. Spot are the cat.

#

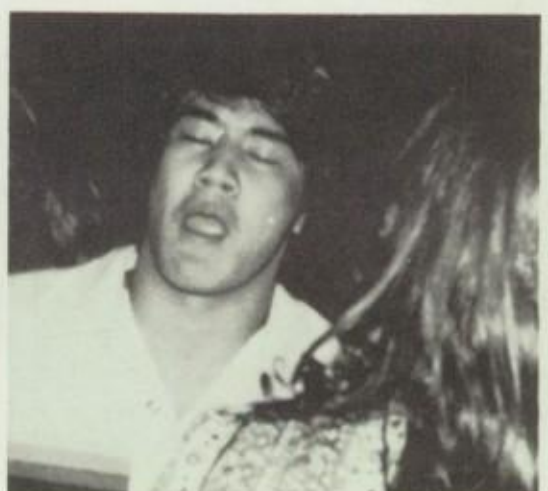

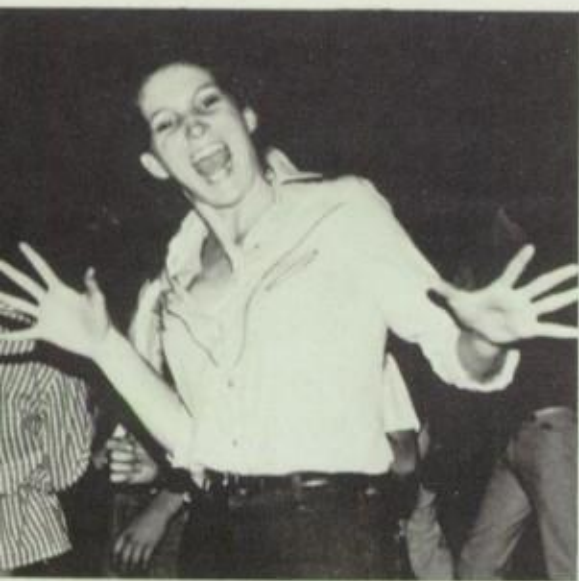

Homecoming '79 theme was "As Time Goes By" which turned out to be a great success. The Sonora Raiders lost to the La Habra Highlanders with the score of 21-17. The half time show was presented by the "Award Winning Sonora High School Raider Entertainment Unit." Following the half time show, the crowning of King Burch Denne and Queen Jolene Bird. The 1978-79 King

and Queen, Joe Farley and Christi Clifford presented the Sonora 1979-80 Homecoming King and Queen with their crowns. Homecoming, for those not familiar with this annual word, is a time when Sonora invites all alumni, (old graduates from Sonora) back for the game and dance. It is a time to look back and remember. After the game, the annual semi-formal Homecoming Dance

was held. The band picked for the dance was Phaux, which played great. Being picked as a nominee for Homecoming is a great honor. The Senior class nominated the top 20 students. The nominees were Jolene Bird, Susie Marion, Kari Strivers, Kathy Yoshida, Nancy Chapluk, Joyce Hathaway, Jennifer Jones, Kim Griesr, Sylvia Stocker, Anna Strathman, Craig Slattery, Bob Perry,

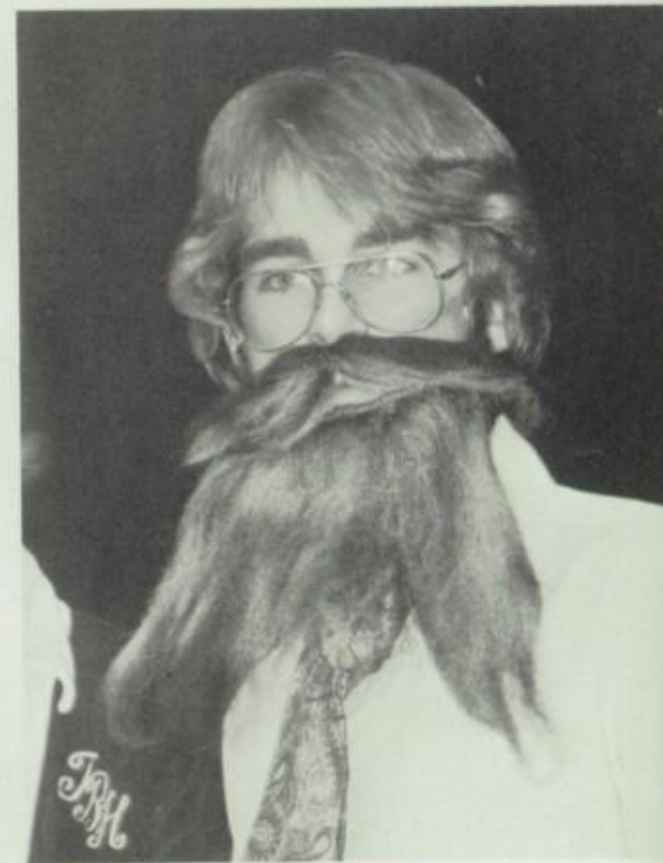

HOMECOMING AFTER GAME DANCE

Danford Inn, Brett Jones, Scott Ishihara, Burch Denne, Dan Shubin, Rick Lasher, Doug Jackson, and Steve Samuelson. From this 20, the whole school picks the top 5 guys and girls. Which were; Jolene Bird, Susie Marion, Kari Stivers, Kathy Yoshida, Nancy Chapluk, Craig Slattery, Danford Inn, Brett Jones, Scott Ishihara, and Burch Denne. Then the seniors again had the honor of

picking the King and Queen, Burch Denne and Jolene Bird. After game dances are exactly what the name implies, dances which are held after a sporting event. These functions are sponsored by groups such as the PTA, the ASB, Sonora Booster Club, Senior class, and various clubs that exist on campus. For the measly sum of a couple of bucks you can

attend one of these interesting social activities. A different band plays at each dance, if they made a particularly good impression on their first visit, a band returns for another performance. Turnout for most of these dances was pretty good. All the organizations that sponsored dances would like to thank all of the participants for helping out their budgets tremendously.
THANKS!

TEEN CONSUMER WEDDINGS

The Teen Consumer Classes each year hold mock weddings. The students that were brave enough got married. The people who did not get married lived alone or with a friend. The weddings were held in the lecture hall. Some students had brides maids and a best man. Following the weddings, receptions were held. Each student that did not get married were assigned a

job to do with the wedding like a minister, cake maker, decorator, music player, or just being a relative. The purpose of these weddings are to give the students a knowledge of the costs of living. Each student keeps a biweekly budget of their earnings and spendings. They have to figure out the cost of renting an apartment, food, and other essential items of living. There is a class fare

box which each student draws one card from. These cards hold the fate of the student, good or bad. Then the student must deal with their fate. The brides usually wear everyday long dresses and the grooms wear a suit. The rings were chosen from the everyday name brands of cigar bands. The weddings were included in the class grade. If your wedding fails, you fail.

MODERN DANCE SHOW

On the evening of December twelfth, Sonora's annual Modern Dance Show was presented for the enjoyment of everyone. During the day, the girls performed for the school, polishing off every aspect of their tricky routines. Each number, which is performed by a small group of dancers, is the product of much hard work. The girls work morning, noon, and night under the close

scrutiny of Mrs. Sandy Johnson. She is available to help the girls with any problems they might have, but the final result is the work of the participants. The choice of music and choreography are left to the dancers, who usually show extreme good taste and talent. The show ran smoothly, which is always the wish of everyone. Costume changes were made with the usual small

problems, but there were no major disasters. Each dancer performed in more than one number. A few girls were a part of three or four of the greatly varied routines. The final number included each and every dancer in the annual extravaganza, "T'was the Night Before Christmas." The entire show was an excellent example of the talent that abounds at Sonora.

WINTER FORMAL

King and Queen Nominees
Allen Okomoto and Kathy Yoshida
Mark Higgenbotham and Rhonda Galbreath
Dave Ward and Jolene Bird

"Shadows in the Moonlight" was Sonora's first formal of the year sponsored by Sonora's Girls League. It Proved to be a beautiful evening. "Shadows in the Moonlight", a formal garden party, was held in Sonora's lower commons. Couples were able to dance to rock music performed by Rich Kidd. Refreshments, included cake, mints and punch were served in the upper commons.

The nominees for princess were picked from the four classes. Each class had three nominees. Seniors were Susie Marion, Kari Strivers and Nancy Chapluk. Juniors were Kris Dierz, Tracy Davis and Kari Baca. Sophomores were Missy Davies, Kelly Meinhardt and Sue Montanaro. Freshmen were Susie Yacki, Beth Varney and Stacy Smith. The nominees for King and Queen were senior couples only. They were Allen Okomoto

and Kathy Yoshida, Dave Ward and Jolene Bird, and Mark Higgenbotham and Rhonda Galbreath. During the course of the evening, the Freshman Susie Yacki, Sophomore Kelly Meinhardt, Junior Tracy Davis, and Senior Nancy Chapluk were crowned. Also the Senior couple Mark Higgenbotham and Rhonda Galbreath were crowned as King and Queen of the Winter Formal, 1979. Many girls worked very hard to make sure

SONORA BOOSTER CLUB

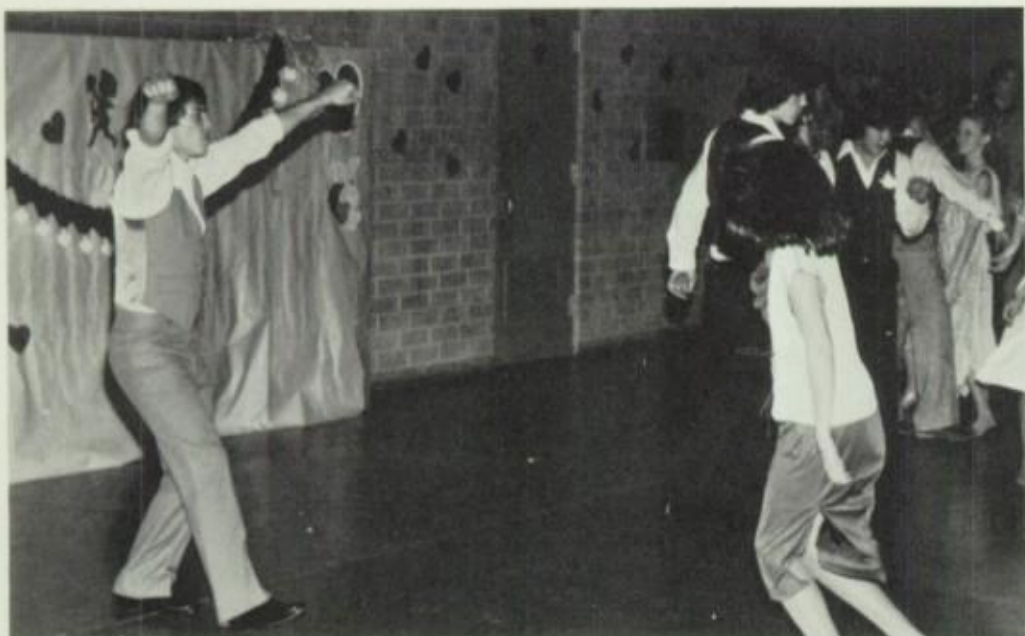

that this was the best Winter Formal Sonora ever had. The committees and girls involved with them deserve many thanks for the success of Winter Formal.

This year the Sonora Booster Club sponsored a Super Fund Raiser Raffle. The students of Sonora were the ones who sold the tickers.

Each student that wanted to sell tickers

was given two booklets that contained ten tickers. If they sold those they could get more. The drawing was held at the Winter Sports Awards Banquet. The prize given for the drawing was a weeks vacation for two in beautiful Hawaii. The tickers sold for a donation of two dollars. The Booster Club with the money made from the raffle will go to help different sports on Sonora's cam-

pus. Prizes were awarded to the students who sold the most tickers. There was also a raffle of varies prizes for the students that sold the tickers. If enough tickers would have been sold the prizes for the students would have been two new Datsun cars. Guess what? Nobody won! That's right, the two new Datsun cars, too bad!

VALENTINE DANCE

The annual semi-formal Valentine's Dance was held on February eighth from nine to twelve o'clock. The theme for this year's dance was "Hearts Full of Memories". A lot of lasting memories were made at this dance. The band that played at this year's dance was Hard Times. They played fantastically. Everyone really enjoyed their music. They played a wide variety of fast

and slow songs. This dance was sponsored by the ASB, who did a terrific job. The Valentine's Dance is the first girl-ask-guy dance of the year. Usually, it is pretty hard for a girl to get up enough nerve to ask a guy to a dance. Some girls never get up the courage to ask the guy of their dreams, but we must have a lot of brave girls out there because there was a great turn out for the

dance. Like most of the dances this year, it proved to be a great success. Refreshments, such as cake, peanuts, mints, and punch were served by the ASB, for all who wanted them. The refreshments were served in the upper commons, while the band and the dance were held in the lower commons.

FALL SPORTS BANQUET SPRING SPORTS BANQUET

This fall, the Booster Club held the Fall Sports Award Banquet which honored our talented athletic students with hot-looking trophies and near looking plaques. Those who won awards had a chance to step in the spotlight, shake hands with the noted Mr. Seeland, be applauded and **even** get their pictures taken by those pro photogra-

phers in publications. Everyone did their best in their sports and we appreciated the winning efforts put forth by all.

The spring sports award banquet was held on Monday, June 5th, 1980. The students were honored for Baseball, Softball, Gymnastics, Ski Club, Varsity Yell, J.V. Yell, Frosh Yell, Flag, Song, Zaparas and Pep

Chairman. Also honored were Swimming, Tennis, and Boys and Girls Track. The meal was served by Mrs. Perrys and Mrs. Armstrongs' homemaking classes. The awards were presented to the athletes by the coach of each sport.

SADIE HAWKINS

Sonora's annual girl-ask-guy Sadie Hawkins dance was held on March 21, from 8:00 to 11:00 p.m. The dance is put on by Sonora Girls Athletics to raise funds for girls sports equipment and other athletic needs. As is the custom, all those that attend the dance dress in the traditional Sadie Hawkins attire.

This year the band that played was Eclipse. The theme for this year's dance was "Moonshine Madness". Marry'n Sam was also there to wed all those who were willing to pay the 25 cent price. But the majority of the couples spent their time standing in line for their pictures.

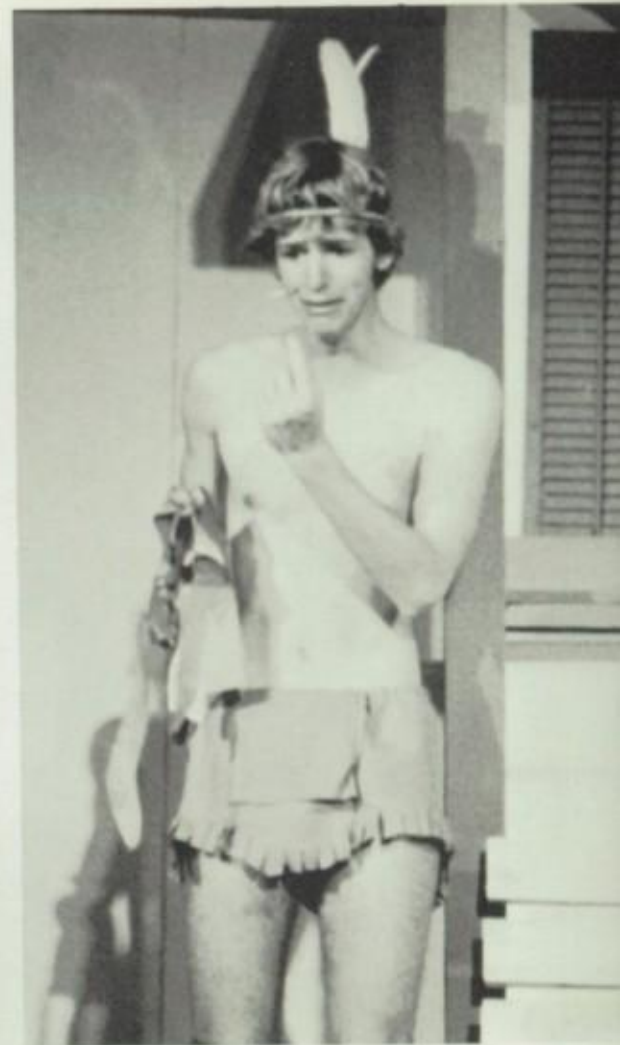

Character sketches were available for those couples who wished to purchase them. In the days leading up to the Sadie Hawkins dance, there was an opportunity to send your Hick-a-Stick for 25 cents. Sadie Hawkins could be considered the biggest and the best dance, of the whole

SADIE HAWKINS

year. Everyone enjoyed the dance, including the teachers. All of the girls involved with Sadie Hawkins can be very proud of the great turn out of people and a job well done.

LITTLE MARY SUNSHINE

This year the Sonora High Fine Arts Department decided on the play "Little Mary Sunshine" as the spring musical. The cast worked very hard under the direction of Nick Papageorge. The orchestra consisted of Mark Cheverton, Roger Maggio, Becky Giles, Maureen Shea, Kari Rosenquist, Susan Elmquist, Bob Corona, Stephen Bauder, Monica Hentschel, Diane Burdett, Sally Sing-

er and Kathy Barnes all under the direction of Keith Arwater. The choreography was done by Marci Chatterton. The Young Ladies from Eastchester Finishing School were Terry Stevens, Andrea Timpano, Mary Beth Barnett, Tammy Lightle, Tammy Shand, Kathy Downey and Jane Denning. The Forest Rangers Consisted of Mike Cooper, Dan Lucero, Paul Olguin, Joe Aldrich, Todd Greer

and Dave Soderquist. The stage manager was Kathy Downey. Set design and construction, tickets, program printed and publicity were all done by Nick Papageorge. Box office sales by Julie Johnson. Lighting by Traci Thiel. The play was held on March 26th, 27th, 28th, and 29th at 8:00 p.m. The play was a great success. All of the people involved in the play did a fantastic job.

TOP 100

Sonora's fourteenth Annual Top One Hundred Banquet was held on Tuesday, May 20th in Sonora's famed upper commons. This event is, "Dedicated to the philosophy that the most valuable effort of youth is the attainment of good scholarship and that his-her effort is worthy of public

praise."

Mr. Costello, master of ceremonies, directed the program. Everything ran smoothly, including dinner! It was served by Mrs. Perry's and Mrs. Armstrong's Home-making Classes and catered by the William Penn Hotel.

The top one hundred students are determined as follows; freshmen, sophomores and juniors must attain a 3.8 grade point average of above. Seniors must have attained a cumulative grade point average of 3.6 or above for the past seven semesters.

Each month the students of Sonora turn in names of students that they feel should have the honor of Student of the Month, to the Sonora Girls League. The girls League then selects one Sonora student who has shown an outstanding dedication to our school. The student chosen for the month of September was Jackie Fisk, for October-Lisa Rodriguez, for November-Kathy Downey

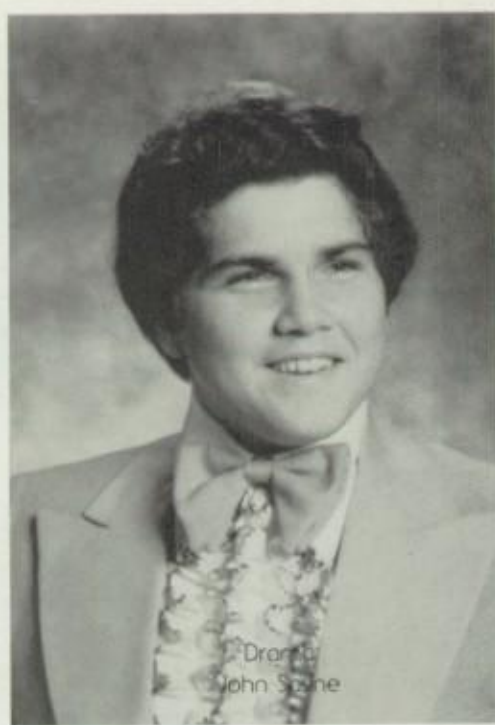

for December-Donna Lipson, for January-Rob Meyer, for February-Kari Stivers, for March-Kathy Yoshida, for April-Wendy Buchi and for the month of May-Dave Smith. If you were not one of the few students of Sonora who are very special to the school, the Girls League can not honor all of them. A special thanks goes to all the students for the extra help in the different school activi-

ties. You are all deserving of the title "Student of the Month".

This year the Girls League also honored a student from each class for student of the Year they were: Freshman-Bob Buchi, Sophomore-Patty Acker, Junior-Steve McDermott, and Senior-Jackie Fisk.

Science Plaque
Julie Hoffman

Vocational Plaque
Nancy Simmons

Bank of America's Achievement Awards are one of the most comprehensive and highly respected student awards in the nation. More than 300,000 graduating seniors from virtually every high school in Calif. win annual cash awards exceeding \$345,000, including forty \$2,000 top awards. The program recognizes seniors whose scholastic

attainment, sense of responsibility, and evidence of leadership give most promise of future success and service to society.

Certificates of achievement represent the first level of recognition. Certificate winners are chosen by faculty committees at each school to students who have demonstrated excellence in a **specific** field. A student may

qualify in only one specific field.

Plaque winners are students who are chosen for having outstanding records of performance in a **general** field. This is a broader classification than the specific field, and certificate winners are not eligible to receive plaques. A student may qualify as a plaque winner in only one general field.

FUNDRAISER

Each year the students of Sonora hold a Fundraiser for different charities. In past years the charities were CHOC and For Kidds Sake. This year it was for the Childrens Home Society. The Childrens Home Society is to help place kids in with a family. Each class held a different activity to raise a sum of one thousand dollars. The fundraiser started out on Monday March 10 and ended on

14. The Sohomore class held a Gong Show that had seven acts. Tuesday it was the Freshmen turn with a pie throw. On Wednesday the Juniors put on the Newly Wed game made up of four couples. Friday was the big day the Seniors held a money train. For the finish the ASD held a dance Friday night. The total money raised was \$1351.50. The 5th Annual Pop 'n Rock

Show; "The Main Event", was presented by the Madrigal Singers on Friday and Saturday, May ninth and tenth. It was really spectacular! The singers were backed by an "almost live" band. There was even a special appearance by the Blue Brothers themselves! The Madrigal singers and each of the fifteen soloist should be congratulated on a job well done.

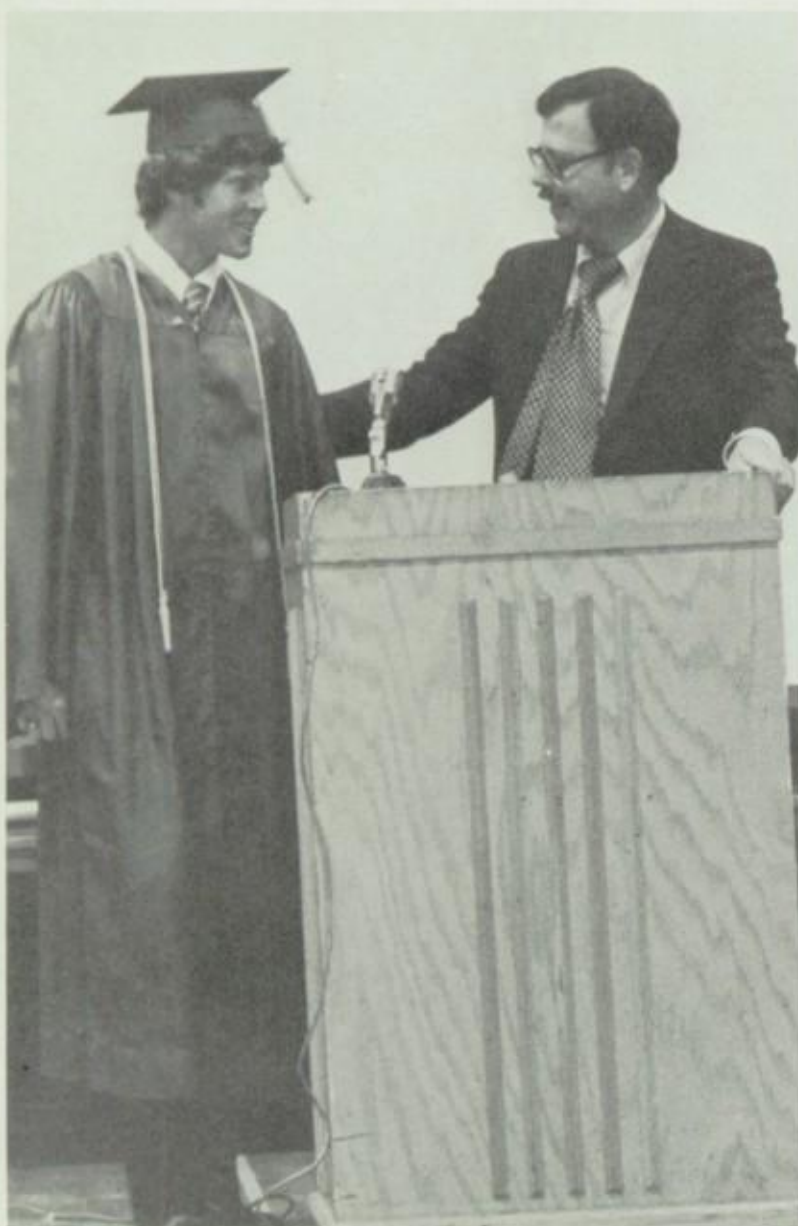

DRILL TEAM SHOW

This year's Raiderette Drill Team Show, "...If My Friends Could See Me Now!", was given on Thursday, May 29th. The Raiderette Drill Team and Tall Flag Team, really showed how versatile they are with a variety of super routines. The Drill Team and Tall Flag practiced many hours, before and after school, in preparation for the highlight of the year. The Drill Team show is the last

performance of the school year. The opening number was a routine to the song "If They Could See Me Now!" It was fantastic. Then, Captain Kathy Yoshida performed a super routine to "Rock That". Kathy was placed in the top 20 in California with this routine. The Raiderette Tall Flag Team performed to two super songs. They were "Phantom of the Opera" and the theme

from "Electric Horseman". The Drill Team's Production number was a "Salute to Broadway". They performed to songs from the musicals "Grease", "West side Story", "Chicago" and "A Chorus Line". The guest performers were Western High School Drill Team, A.V. Dancers and roller skaters Lisa Lawrence and Jim Michalowski.

The Senior Class of 1980 held their Baccalaureate and Senior Awards Night on Wednesday, June 14th. All the parents, friends and relatives of graduating seniors were invited to attend this meaningful event of the graduates final days in High School. Baccalaureate was held in Sonoras' Gymnasium. A welcome speech was given by Jackie Fisk. After that there were several

musical numbers and speeches intermingled with the presentation of special departmental certificates, community awards and scholarships. A special scholarship to the Annapolis Naval Academy was awarded to Allen James Stuart, better known as A.J.

Each department gave out awards for outstanding achievement in the particular academic area. This evening was an excel-

lent opportunity for the graduates family to see him or her in their Cap-n-Gown outfit in action. Because at graduation there was limited seating. In other words there was no room for Aunt Mable, Uncle Waldo and Rover. Anyway the evening was filled with joy and happiness for those that were honored.

PROM

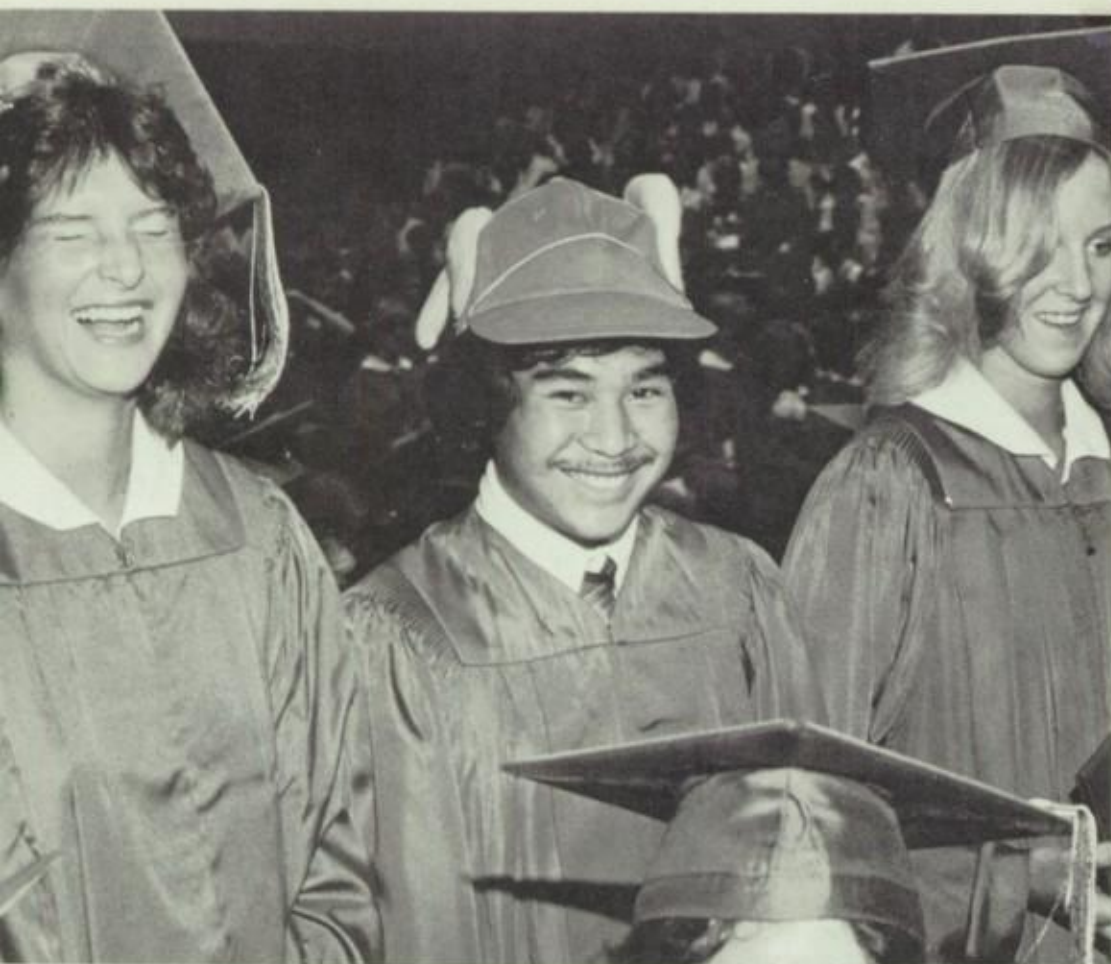

This year's Prom was held at The Inn At The Park on May 17th from 8-12 pm. This year's theme was "We may never pass this way again." Heaven was the band and we rocked out to a variety of fast and slow songs and even a cut from their debut album. (They're going to be stars!) Everyone boogied, pogoed and got funky all night long. If you weren't inside dancing,

chances were you were standing in line waiting to have your Prom portraits taken. There was even a choice of 6 backgrounds. Anyways . . . I said CHANCES WERE . . . some people found that a stroll outside in the lovely gardens with their date was a nice way to pass the time. (Nothing kinky here, we're dedicated to preserving our image!)

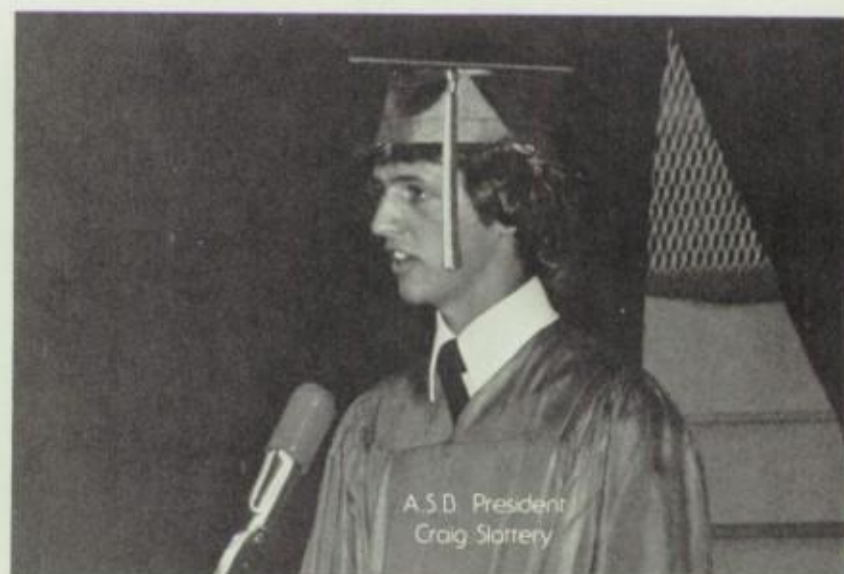

Craig Slattery and Debbie Corum made a grand appearance as Renaissance Pheasants, flag waving and all! As each girl walked in, she was presented with a beautiful long stemmed rose as a remembrance. Even though the dance was over at 12:00, most people didn't get home until about 5:00 in the morning . . . but I couldn't tell you why!!!

GRADUATION

Paul Aragon

A.S.D. President
Craig Slattery

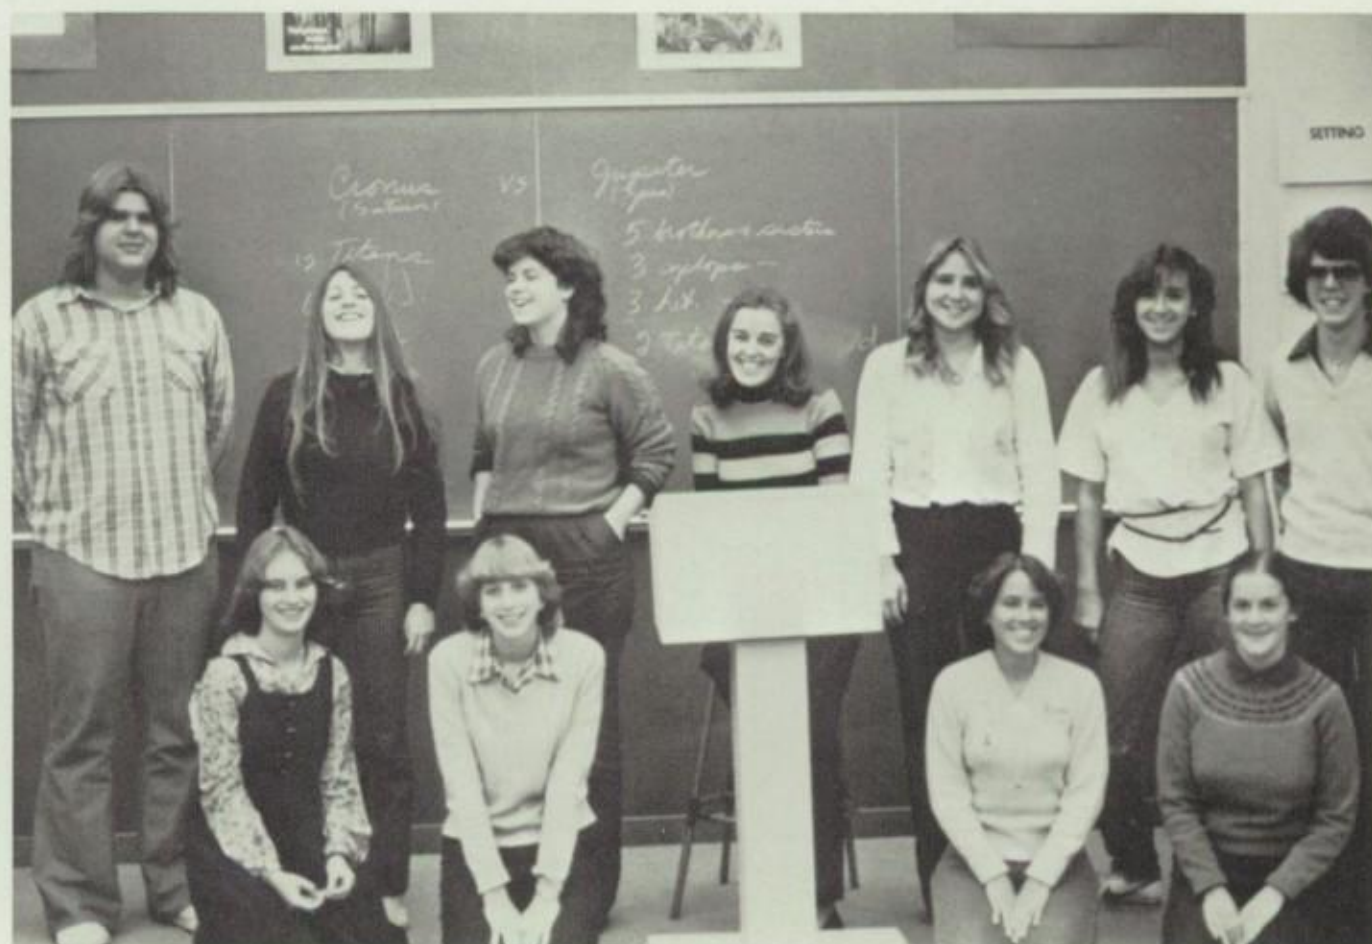

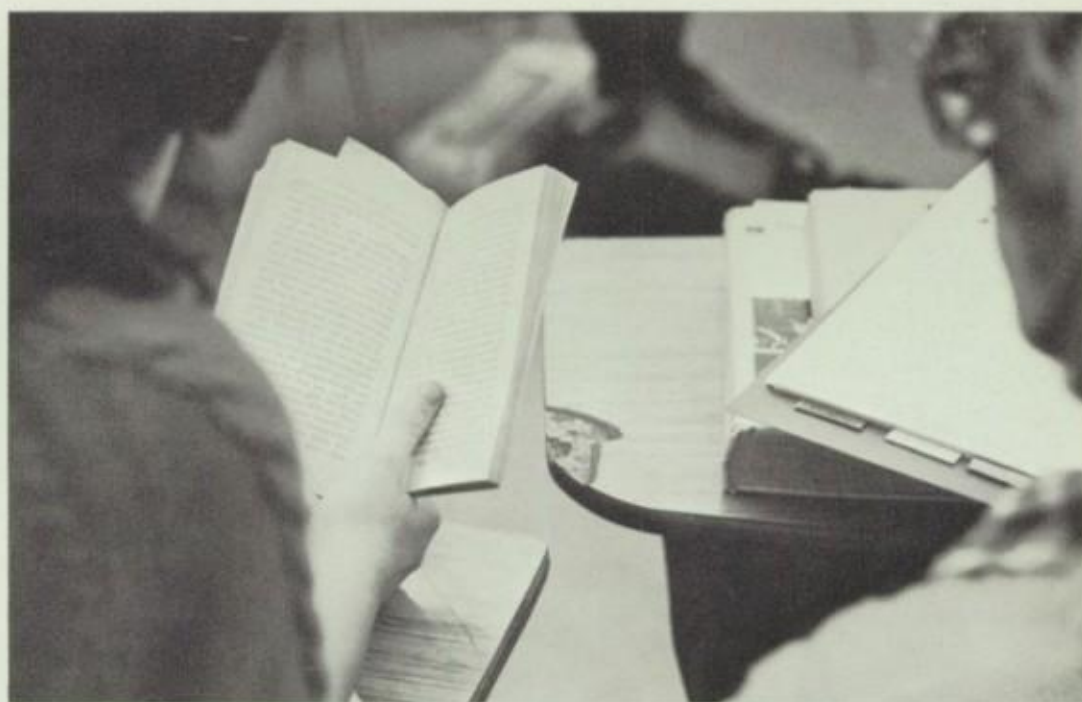

Graduation of the Class of 1980 took place on the evening of Thursday, June 12. The ceremony was held at the Fullerton College Gymnasium (all who attended had their oxygen tanks and portable fan!) Each graduate was allowed to have four guests to attend. There was also a chance that additional tickets might be attained by sign-

ing up on the days the tickets were issued. In representing the class of 1980, speeches were given by Dave Smith, Craig Slattery and Nancy Simmons. Musical numbers were done by Jolene Bird, Juliet Johnson and John Sasine. Awarding the diplomas was done by Barbara Sullivan, a member of the Fullerton High School District Board of Trust-

ees. In being awarded a diploma, Scott Ishihara received his in a fashionable way. Paul Aragon, a cousin of Luis Trejo who passed away two weeks before graduation, was presented Luis' diploma by Sonora High School Principal John Seeland. Aragon gave an address congratulating Luis' fellow students in the graduating class.

GRAD-NIGHT ACADEMIC DECATHLON

The Class of 1980 picked the most spectacular Grad Nite ever in the history of Sonora. The Grad Nite Celebration took place at the Pickwick Country Club and Recreation Center. Pickwick has an Olympic size ice skating rink, a huge pool with four diving boards. There was lots of food to fill their faces and a continental breakfast before they left at 5 in the morning. A live band

rocked the night away for everyone's enjoyment. The whole evening turned out to be a super wonderful night. Sonora, for the first time in its history entered the Orange County Academic Decathlon this year. It consists of a day of tests, speeches, and interviews of students who represent their schools. Six students were selected from each school: two "A", two

"B", and two "C" level students. The students were Julie Hoffman, Ellen Singer, John Kusters, Gina Calcagnie, Andrea Duckworth and Abby Peyser. There was also six alternate students who were Gina Urrerberg, Richard Stein, Wendy Tafoya, Christy House, Renee Fouch, and Robin Tafoya. Considering this was the first time Sonora entered, we did fantastically well.

A.S.B. 52

Do you enjoy all of the fantastic Sonora dances, super-assemblies, rowdy pep rallies, and yummie candy sales? Well-if you do, you have the ASB to thank for that. These extremely busy people really work their buns off (haven't you noticed?) organizing all those great Sonora activities... just for you!!

Pep Club/Back-gammon Club 57

If you're a really rowdy radical, you belong in the pep club. They're the voice behind all of the noise at the games, pep-rallies and assemblies.

For those of you who are uneducated in the game of backgammon-it's played on a board of triangles, where you move little space-saucerish looking discs around while shaking a dice in a padded cup. Sound easy enough? The people in the club, have gotten to the point where they actually enjoy this game of severe psychological demetation (whatever!)

Leadership 53

The leadership class is something like the great wizard, Oz. You don't see them at work planning and organizing, but you see the outrageous results. All of the class presidents, senators, A.S.B. and other officers are the ones who make Sonora what it is-#1. If you ever get bored 2nd period, stop by and listen to one of their meetings, you'd be surprised at what you can find out!

GA 54

Without Girls Athletics we'd be without a Sadie Hawkins Dance! Well, besides being a super bunch of girls, sponsoring a super dance they're also quite talented super stars in their respective sports. G.A. is run in conjunction with CIF and each year every sport has the opportunity to enter CIF-some walking away with well-earned awards!!

CSF/Ski Club 56

If getting good grades is your thing then CSF is for you. These people have a golden opportunity for college consideration and they even know how to ski!!

Sonora is just overflowing with cute ski bunnies, ski racers and even those who claim they know how to ski as they check the bindings on their ski poles, adjust goggles to a snug fit around their neck, wax their boot bottoms and swoosh off with skies in hand (for balance) If you fit any of the above descriptions Ski Club is for you. Warning: Ski fever is contagious, and you'll find yourself hooked on those bus rides to the slopes, the slopes or the a) ski bunnies or b) cool dudes on the slopes. Remember-skiers make better lovers.!

Modern Dance 58

Do you have the rhythm? Could you dance the night away? Well-yes or no, modern dance could be just the thing for you. This group of super-jazzy girls is something not to be missed.

ORGANIZATIONS

German Club/ Mr. Bill Club 61

If German is your strudel-then the German Club is for you. Songs, games, slides and cultural experiences are some of the experiences offered. If you can stand the excitement, then join today. Applications are now being taken in Berlin.

Yes-there are those who sympathize with Mr. Bill. There is a rumor that a counter attack group (Sluggo's Super-Studs) is trying to help stamp out Spot. For further information, tune to channel 4 on Saturday Night.

Journalism/ Media Club 66

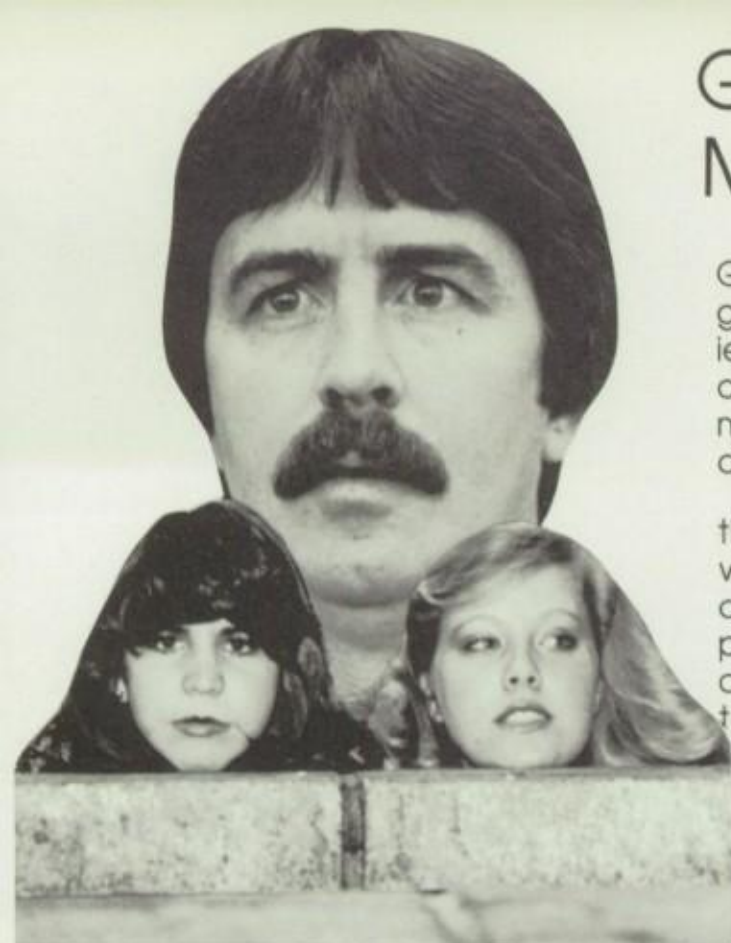

The 79-80 season was a close one as threatening letters tied the score with obscene phone calls with bomb threats coming in a close second. All this widespread publicity belonged to the Sonora Sabre Staff and they again used their wit and style to get back at the Publication Class for their attempt to smuggle photographers from the Sabre to the Vencedor. An exciting year was had by all!

This underground organization provided the unsuspecting student with such dangerous tasks as working in the library, video taping school events, operation and maintenance of the equipment and a crash course in bootlegging. Also including is the instruction of teaching others in the use of this lethal VTR equipment. This group is dangerous and they dare to do what others dream of!!

FFA/French Club 67

For those interested in agriculture, FFA Members are exposed (oh, close your eyes!) to various activities such as Fairs, Field days, judging contests, fund-raisers, community services and recreational activities.

Mooo La Cercle Frantias is sent to do the tasks others hate to even think about!!! Dangerous activities include experimenting with french cuisine and attending french flicks. Activities are supported by fund-raisers held throughout the year but-"Donde esta los estudiantes de espanol?"

Publications 59

This is the group that is responsible (or irresponsible as the case may be) for this super, punk-rocker, fabulous, radical, excellent, study, and all around outstanding yearbook. The majority of the year was spent in a vegged-out state of being but some how or another we seem to get our act together before it's too late.

Bridge Club/ Goody Goody Club 60

The Golden Gate, E Street and The Bridge Over Troubled Water are just a few of the bridges constructed by the Sonora Bridge Club. After all the work-they decided to kick back awhile and enjoy some strenuous bridge playing.

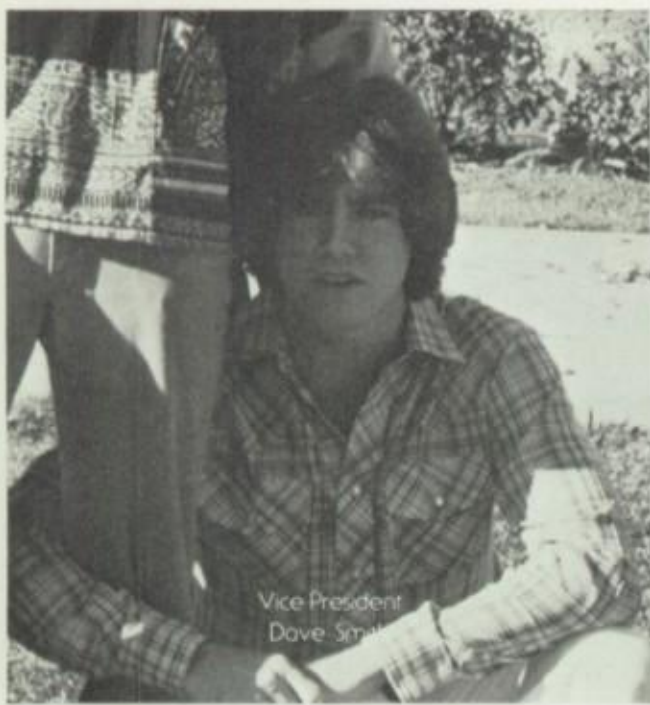

There are no words that even come close to describing the Goody Goody Club. If you can think of anything, please contact Douglas Stanton immediately, who can be found in a semi-conscious state of mind. (room #632)

Girls League 62

Nobody really knows if Girls League did start out as a professional wrestling team or if they were beamed down by the starship Enterprise. The mystery lives on! Girls League is responsible for choosing each "Student-of-the-Month" and the "Student-of-the-Year", Winter Formal and other cosmic happenings!

Alternative School 64

This is the way to go if you don't like a conventional classroom setup. Instead of desks, there are couches... and refrigerators!! One catch-you have to be disciplined, use your time wisely and get assignments in on time. "Hey-party in Alternative School Friday!"

A.S.B. LEADERSHIP

This year like every year the Associated Student Body Cabiner or A.S.B. Cabiner has proved to be very successful once again. The A.S.B. Cabiner started the year off with some great dances we had after our games. The bands that were chosen to play

sang alot of great music, which even made the dances more exciting. All A.S.B. sponsored activities are great successes.

If you happen to be in the Social Science wing second period and happen to hear a bunch of noise, that sounds like a party;

(What? Party), it's only the Leadership class or better known as the Sonora High School Zoo having fun. This is a bizzare class for people that like being involved in school. It may be bizzare but the leadership class does a great job.

G.A. or Girls Athletics is a group that runs in conjunction with all the girls sports here at Sonora. The nine sports offered at our school are; Volleyball, Tennis, Cross Country, Field Hockey, Basketball, Track, Gymnastics, Swimming, and Softball. The female populous of Sonora showed good participation in all

of these sports. The time and effort put forth by the girls has proved very successful in the past years, with at least every sport having the opportunity to enter C.I.F. competition. Also the G.A. Board puts on the annual Sadie Hawkins Dance. This dance always has the best turnout of all the dances.

And this dance always proves to be a fun time. This year the theme for Sadie Hawkins was "Moonshine Madness". This was held on Friday, March twenty-first. The band was Eclipse. The 1979-80 year was definitely a good year to be involved in Girls Athletics.

CSF/SKI CLUB PEP CLUB/BACKGAMMON

C.S.F. (California Scholastic Federation) is a club made up of members with high grade point averages. This year the C.S.F. club is trying to raise enough money to start a new scholarship called the Sonora C.S.F. Scholarship. C.S.F. advisors are Mr. Arena and Mrs. McAuliffe. The Sonora Ski Club had another great year of skiing. This year there were trips during Christmas vacation to Jack-

son Hole in Wyoming, and Brian Head in Utah. And another to Alta and Snowbird, both in Utah. That one took place during Easter Vacation. This year's Pep Club is the peppiest Pep Club ever. They really have a lot of spirit and love being RADICAL, and having fun. In fact, radical is the word for them. with their loud voices, their cheers

and energy to prove it. Pep Club members are very easy to spot on campus, they are the ones that wear T-Shirts that say RADICAL RAIDERS. Radical? Let's get radical! The Backgammon Club is made up of people who like to play backgammon. Now does that sound logical or does that sound logical? The advisor is Mrs. Walker.

The Sonora Dance Production is an advanced class that performs twice a year in our little Theater. They put on a Christmas show and a Spring show. The dances are choreographed by the students that participate in them. If you ever hear music in the commons, it is usually the Modern Dance Class practicing for a show or just plain ol' Rockin Out.

This years Modern Dance Officers were; Sandy Brown, Amy Caplinger, Cynthia Goldsmith, Karen Jones, Kathy Smith and Julie Varner. In the outer reaches of space, you'll find Mr. Stanton (Dougie Baby) and his followers. No, this is not a commune but merely Publications. In the midst of deadlines you might find them, trying to type (as I am), crop and photograph mug shots.

There is a constant war between the Gurrermouths (who will remain nameless) and the Gutterbodies (who will remain helpless). No, it's not contrageous, but you know when the class is in session . . . probably because of the jungle noises you can hear for miles. One word of WARNING!! If you've been affected by KMET rocking all night turn back before it's too late.

BRIDGE/GOODY-GOODY GERMAN/MR. BILL

Interested in Bridges? Then you should get involved in Sonora's Bridge Club. Next years club will be constructing a bridge from San Onofre to Iran. So join Bridge Club and "jump" at the chance to be constructive. There is not one single clue we have as to what the Goody-Goody club is or what they do. And we couldn't think of anything else to put in place of what was suppose to

be in this space I'm writing in. Since seniors are doing this section, you can understand our lack of creativity is gone because of that contagious disease-senioritis. Sonora's German Club is for people who are interested in the cultures of German speaking countries. This club has many activities which include parties, games and many others. Ooh Noo Mr. Bill's gone punk!! Yes, all you punk

rockers, that new fad of the 80's has po-
goed upon Mr. Bill and his dog Devo. (He is not Spot, he is Devo (D. E. V. O.)) Yes his whole style has changed, his glasses, his clothes and even his hair. He's really getting into the latest craze along with everyone else. Word got out that he's going to buy Devo some "Cheap Sunglasses."

This year's Girls' League was busy preparing for the best winter formal in Sonora's history. Led by Donna Lipson, the president, the twelve member board successfully put on "Shadows in the Moonlight" December 14, 1979 from 9 to 12 p.m. Nominations for the Winter formal court were taken a week before the dance. The results were; Susie Yackey, Beth Varney, and Stacy Smith for

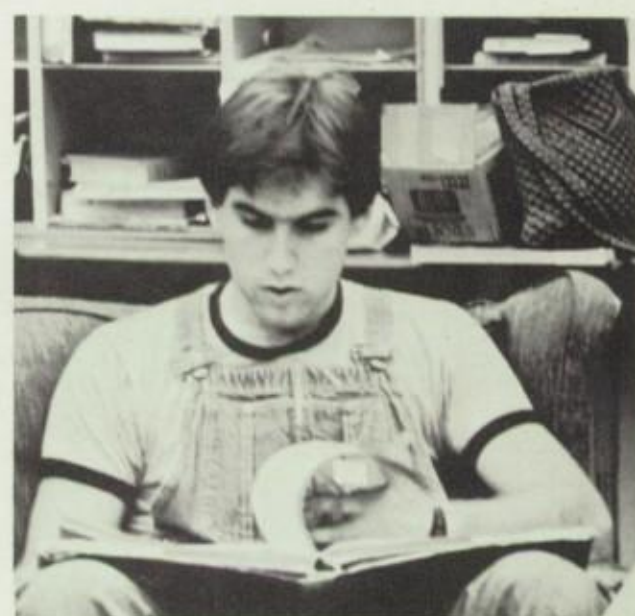

freshman princess; Kelly Meinhardt, Missy Davies, and Sue Montanero for sophomore princess; Kari Bacca, Kris Dierz and Tracy Davis for junior princess; Nancy Chapluk, Kari Strivers and Susie Marion for senior princess. The senior couples nominated for King and Queen were; Jolene Bird and Dave Ward, Kathy Yoshida and Alan Okimoro, and Rhonda Galbreath and Mark Higgiborthem.

The winners were announced midway through the dance: Freshman princess Susie Yackey, Sophomore princess Kelly Meinhardt, Junior princess Tracy Davis, Senior princess Nancy Chapluk and King and Queen Rhonda Galbreath and Mark Higgiborthem. The dance was a success and the band Rich Kidd, kept everyone dancing.

ALTERNATIVE SCHOOL

64 Organizations

Sonora's Alternative School, SWAS is concerned with the total education of each student. SWAS adheres both to the requirements of Sonora High School and the district. SWAS enables its students to train for the future by participating both in academic

and in community activities. It is the goal of the SWAS staff to help the student mature, become aware of his potential, and grow in self-confidence and self-worth. Emphasis is given to a warm, encouraging relationship between student, teacher and parent.

SWAS students enter into the regular social life of Sonora as officers or members of the ASB governing board, Girl's League, drill team, and Vencedor, Kaleidoscope and Sabre staffs.

JOURNALISM/MEDIA CLUB

FFA/FRENCH CLUB

This years Journalism class did an excellent job this year on the Sonora Sabre. The highlight of the Sonora Sabre, and of course everybody's favorite was "Craig's Corner." This year the Editor-In-Chief was Mike Finely and the advisor was Mrs. Blohm. Good job, Staff! The Media Club is an organization for all the people who are interested in learning about the Media program in school. Some

activities included in the Media club are, video taping school events and other events that go on in school. They also do any necessary maintenance on the video equipment. Advisor was Mr. Bixby. Interested in agriculture? Then FFA is the club for you. This club is especially for the people that are interested in it. FFA members are involved in many events, such as recrea-

tional activities and community services. They also participate in competitions at many fairs and judging contests. The members who are in French club are interested in the French culture and history of France. They also attend activities and movies that have to do with the French culture. This year the French club was under the supervision of Mrs. Levine.

Marching Band 70

This avid punk rocker, er, I mean fantastic band... is the undeniable coolest group of talented musicians around. Their outrageous halftime performances really radicalized the Sonora Space Babes! They could really relate!!

Madrigals/Jazz Band 72

The totally jazzy and outrageous ability of these singers and jazzers kept this school on their toes and out of reach. They really showed us how to live it up with their super singing and jumpy jazz.

Concert Choir/Girls Glee 73

Although these people didn't get to perform with the B52's on Saturday Night Live, they did however take it to the limit and really came up with some good performances. Talk about some good singing...

Pep Units 74

This really radical group of super-spirited people are always around to keep us yelling, screaming, laughing, and enjoying our games. All of their hard work and effort is really evident as we watch any of the pep units perform.

Varsity Yell 76

These rowdy girls can always be found doing something in the way of supporting our school. They always surprise us with really funky cheers and you're bound to see them around school in their bright blue and gold uniforms.

Varsity Flag 78

These girls really know how to twirl their flags as we found out while attending any of the varsity games this year. All of the girls really worked hard and helped keep up our school spirit.

Varsity Song 80

Now, we can ask them; "How lose is their goose?" or "How funky is their chicken?" These girls really got pretty funky and in response to our questions...will we ever know? One thing we do know is that these girls really know how to smile!

J.V. Yell 82

These girls were so spirited that they often made other schools look very embarrassed. The cheerleaders had difficulty choosing which cheers to do because they liked them all, but they really added a spark to the games they attended!

Frosh. Yell 83

Another group of girls who really put everything into their cheers were the Frosh. Yell. Everyone appreciates the great effort put forth by these rowdies. Keep cheering!!

Zapatas 84

Those spirited people you see jumping around in their sexy shorts, gun slings, and funky sombreros could only be the fantastic Zapatas! They really do a fine job representing our school. Ole! (watch out-you never know what they'll do next!)

Drill Team 86

This group of girls represent Sonora in the finest way possible. Our halftime shows are always something out of the ordinary due to the fact that were watching a first rate group of really talented girls perform. These girls really enjoy what they're doing and we really enjoy watching those fantastic kicks, ripples, smiles, jumps and leaps.

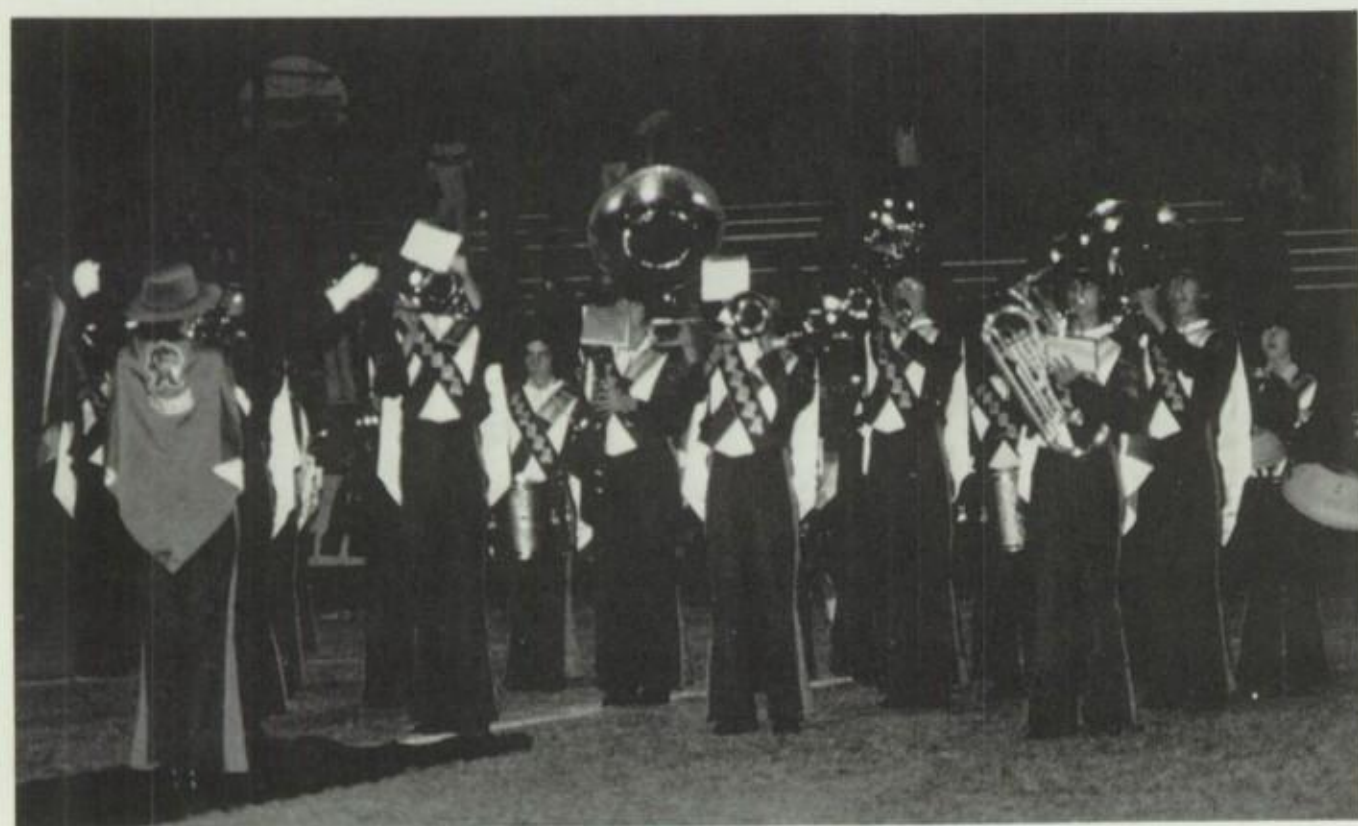

Pep Rallies 85

Are there words to even describe our radical, exciting, far-out, hilarious, off-the-wall, rowdy, spirited, and funky pep rallies? We've experienced banana eating contests to toilet papering people (alive). And... the freshman with their noise from pots and pans, those sophomores jumping up and down thinking they're cool, and yes, the juniors along with their confetti and loud months, but who can surpass those casual seniors!

Tall Flag 90

Another group of equal importance is our Tall Flag Unit. They perform their routines to both live music from the band or tapes. These girls have really come a long way during the year getting better with each performance. The routines are exciting, interesting, and sparkling with enthusiasm. Good job girls.

MARCHING BAND

The Marching Band consists of a group of Sonora students that all have musical talent. They play at all the Varsity Football games and put on a great show at half-time. They also play at the Varsity Basketball games second semester. The marching band adds extra spirit to the games and gets everyone in a good mood they are always there ready to play and perform.

The 1979-80 Raider Band is led by Drum Major Kathy Downey and Asst. Drum Major Jack Cooper. The band experienced many happy and fun events this year. They all work hard all year long to have a good marching band. These students have a lot of dedication, they all come throughout the summer and practice so they can look good while performing.

This year band got new uniforms and lost some of their old pants, but they got it all together. Besides performing at football and basketball games, the band has been entered in the Los Altos, Savannah and Calif. Band Review competitions. This summer they won second place in the 1979 Corn Festival Parade. Sonora is proud to have the Sonora Raider Band!

Marybeth Darcetti, Jolene Bird, Barr Campbell, Abby Cochran, Jim Coventry, Robert Grandall, Jane Denning, Tanya Greer, Christy House, Juliet Johnson, Dan Farrell, Tomero, Linnlie, Dan Lucero, Phil Nauahi, Cheryl Northrup, Kathryn Ologue, John Sasine, David Soderquist, Dref Strauss, Tracy Thiel, Andrea Timpa, Brenda Wilson

MADRIGALS GIRLS' GLEE/JAZZ BAND

Barnett Marybeth, Brandenburg Brenda, Bork Brenda, Cook Beverly, Critchlow Wendy, Dehning Jane, Elmquist Susan, Greer Tonya, Hall Diane, Hentscher Monica, Hoelschel Carrie, James Debra, Johnson Julie, Krigbaum Cynthia, Lengen Yvonne, Lightle Tamara, Kiker Julie, Martinavos Elizabeth, Nelson Shelly, Northrup Cheryl, Ologue Kathryn, Pope Traci, Pressler Christy, Ramirez Mimi, Rockwood Pamela, Shand Tommy, Smith Susan, Stevens Teresa, Stroud Nancy, Thiel Tracy, Timpano Andrea, Triggs Shelly, Weaver Tami, Wilson Brenda

Daryl Beyler, Steven Burner, Andrew Carlisle, James Case, Mark Cheverton, Jack Cooper, Robert Corno, Henry Dryer, Karen Erick, Daniel Flynn, Matthew Giles, Rodger Maggio, Wendall Rodriguez, Gregory Smith, Ross Streamler, Roni Tan, Brent Uken

Madrigals Singers perform at Christmas and Easter throughout the community. Their Annual Pop and Rock show is in May and it offers a variety of music and talent. They are even involved in an Annual competition. The Madrigals is a group of select singers chosen for their musicianship as well as singing ability. They meet before school to practice and perfect their performances.

Girls' Glee is a specialized group that sings Barber Shop style music. Every year this group puts on a show, and sings the songs they've worked on all year just for this special night. The girls meet every third period and have a grand ol' time working out choreography for their songs. Mr. Papageorge stays up late just thinking of moves. The Girls Glee improves each year.

Sonora High is very fortunate to have a talented jazz band. There are twenty members and is led by Al Stafford. Jazz band plays contemporary swing and jazz-rock. In the spring they put on a lot of concerts in different locations such as; Anaheim Convention Center, Disneyland Hotel, senior citizens benefit and many other community affairs. They are a very dedicated group.

Erly Brunner

Lonna Martin

Joanne Colosimo

Nancy Chauluk

Julie Varner

Candy Winkler

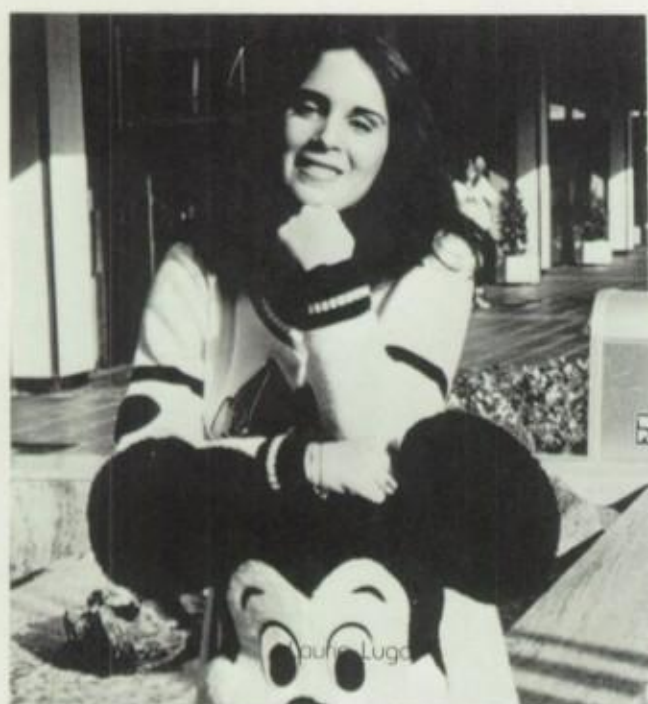

VARSITY YELL

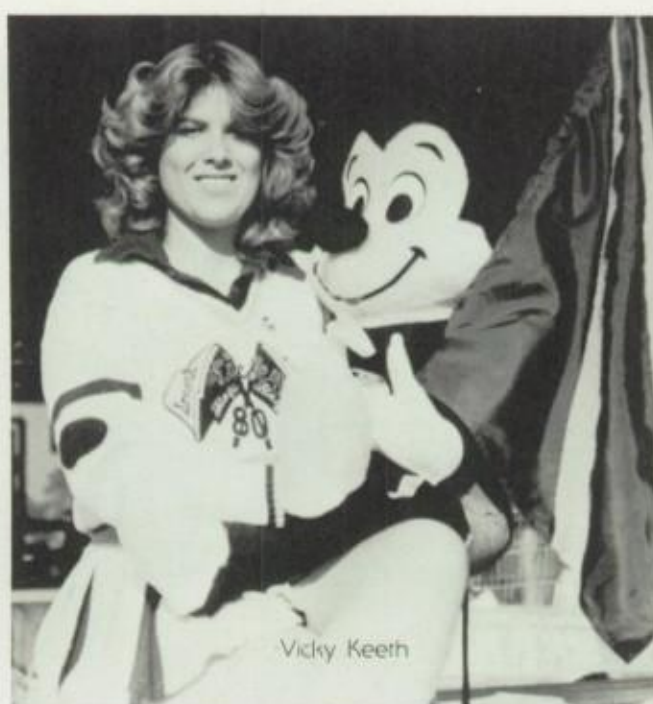

Varsity Yell this year consists of two seniors, Nancy Chapluk, Joanne Colisima; Four juniors, Candy Winkler, Julie Varner, Lonna Keeth and Bersy Brunner head Yell leader. All these girls with the exception of Nancy Chapluk had all participated on a Sonora cheering squad at one time in their years at Sonora High. These girls practice very hard to achieve a good squad.

This year Yell won the spirit stick twice at camp, which was held in Santa Barbara. They were all taught technique and learned new routines. At one of the many luaus they dressed up as tourists. After camp they were busy throughout the summer making up cheers and painting posters. They were all waiting for that first Varsity Football game to start.

There are a lot of other activities these girls enjoy being a part of, such as secret sisters, kidnapping, toilet papering and Pep Rallies. Every Friday when there is a game, we have Pep Rallies. They all plan different activities for each one. The cheer leaders had a funeral for our biggest rival, Brea. All of the squads dressed in black and carried a casket of Brea Players.

Laura Lugo

Vicky Keeth

Karhy Egger

Flag

Leslie Lehner

Donna Horst

VARSITY FLAG

This group here is Varsity Flag. They twirl their flag to music and cheers, and also bring spirit to the many cheering fans. This year flag consisted of three Juniors and three Seniors. They too go to all the Varsity games and participate. During the football games they're busy twirling their flags and at basketball games they perform to music at the half-time break.

These girls also worked hard during the summer learning cheers and painting our school posters. They all had a great time. This year flag didn't get to go to camp but they worked even harder to gain more control of the flag. When school began, they didn't have their flags ready, but sure enough they had them in time for Homecoming.

One member returned from last years squad, Vicky Keerh, and this year she is head flag leader. The other members include Kathy Egger, Tracy Dieckoff, Laurie Lugo, Leslie Lenner and Donna Horst. These girls work hard together in discussing and solving problems which seem to happen throughout the year. So goodbye to all of V. Flag of 79-80!

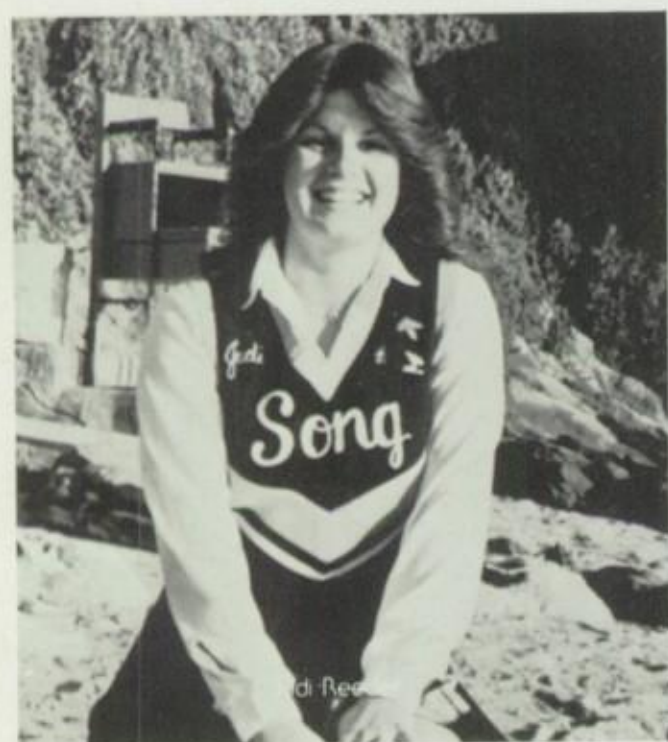

Doreen Smith

Alison Dymond

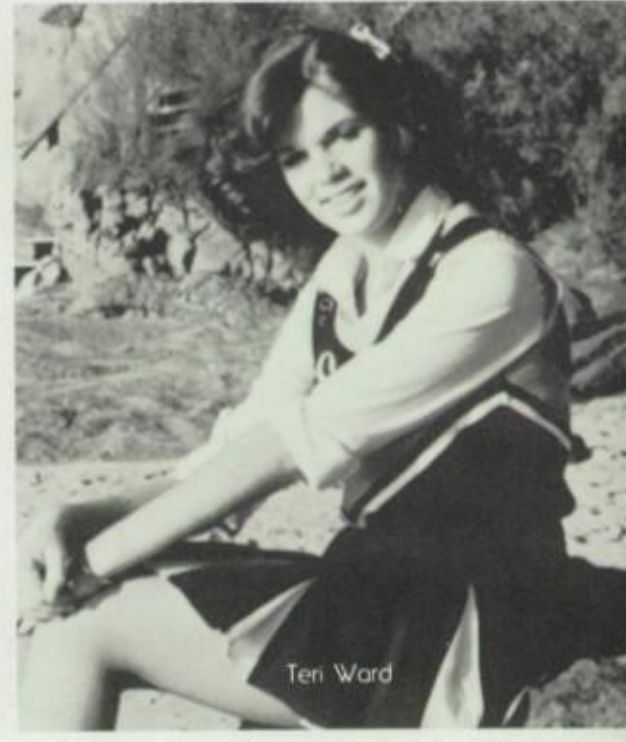

Karen Smith

Heidi Reed

Karen Jones

Teri Ward

VARSITY SONG

After school got out last summer the song leading squad got together every day to choreograph a routine for competition at cheerleading camp. The routine had been difficult and advanced, but the squad got it all together and took 5th place. Another accomplishment included a Superior Trophy which was on each of the individual evaluation of the girls.

Song leading not only involves sharp claps and chanting the cheers but also being skilled in dancing. This years song group is totally new and are all juniors. These girls brought in new cheery faces to the pep units. The girls are Karyn Serbin, Doreen Smith, Karen Jones, Judi Reeder, Teri Ward and Allison Dymond as head song leader. They worked all through the summer

making song moves for football games. All the girls put forth their best efforts to have a good squad and they did a good job. These girls showed their support for all sports and encouraged the athletes with spirit and a positive attitude. These girls had alot of responsibility and they proved that they could handle their job.

J.V. YELL FRESHMEN YELL

This year the J.V. pep squad did a great job. All the coaches are really happy with their output this year. The girls are all sophomores and work very hard all year long making up cheers and going to all J.V. sports. Their help was also needed in planning our pep rallies and poster painting. They too worked throughout the summer getting ready for school.

These girls also went to camp this summer. They worked very hard there and the result of their hard work won superior and excellent ribbons. At competition in November they won a 5th Place trophy. These girls deserve a lot of recognition for their constant efforts throughout the year. We are going to miss the J.V. squad of the year 1980.

These girls had a tough time at tryouts

last year, but the task was finished and six new Freshman cheerleaders were chosen. They put out a lot of hard work in painting posters, going to football, basketball and water sports etc. all through the year. They even yell from the stands at the Varsity games. These girls too deserve a lot of credit for their hard work.

PEP RALLIES ZAPATAS

Pep rallies this year were really a great success. Every Friday they were held in the gym. The cheerleaders worked hard planning each pep rally. We'll remember the day the entire football team dressed up as the pep squad and each put on a routine, or the Brea game when we held a funeral for Brea's players. Even Lane paid us a visit. Then there was the V.W. stuff. Steve

Samuelson's windshield got cracked. So the next morning all of the cheerleaders woke up at 5:00 A.M. to clean up La Habra Stadium to pay back Steve. The pep rallies this year generated alot of spirit. The spirit stick competition will always be remembered as the highlight of the pep rallies.

Zapatas this year did a fine job in helping

to promote spirit. They are the school's mascot. This year they went to camp and won several awards. They go to all the Varsity games and help the cheerleaders generate spirit to the crowd. Tryouts were held again and the ones who made it are Tony Napoli, Shelly Hagadorn, and returning from last year Julie Fopaino.

Captain
Kathy Yoshida

Co-Captain
Amy Copinger

Lieutenant
Sandy Brown

Lieutenant
Sharon Land

Lieutenant
Mary Carreron

Lieutenant
Janet

LEADERS SMALL PRECISION

Row 1: Marsi Chatterton, Sandy Brown, Jolene Bird, Janet Taylor, Amy Caplinger, Kathy Yoshida. Row 2: Sue Wagner, Kris Piazza, Kim Tice, Cynthia Goldsmith, Leo David and Sharon Landvogt.

Here are the six very special and talented leaders for the Raiderette Drill Team. They are all extremely dedicated and hard working. They make up all routines for Drill Team including Football and Basketball Halftime, and competition routines, they organize all Drill Team activities. These leaders were chosen because of their talent, dedication, and responsibility.

At the top is Kathy Yoshida, the captain of the Drill Team. She did a superior job as captain this year and was ranked top ten in the Miss Drill Team competition. Next is co-captain Amy Caplinger and the four lieutenants Sandy Brown, Marsi Chatterton, Sharon Landvogt, and Janet Taylor. These girls attended leader camp at UC Santa Barbara this summer, and brought back a superior

trophy.

Every year the Drill Team competes against each other to be on the Small Precision Team. These 13 girls were chosen because of their outstanding ability in Dance and Precision. The Small Precision Team competes separately from Drill Team. They did an excellent job this year. The girls placed 4th in the National competition.

DRILL TEAM

This year's Raiderette Drill Team for the 1979-1980 year consists of 32 girls. They are busy throughout the whole year performing, competing and supporting teams and events. At each home football and basketball game, these girls put on a different halftime and pre-game show, which are all enjoyable. They also help cheer for the teams along with the cheerleaders.

This year the Raiderettes were invited to

San Jose and San Francisco to compete. They did a great job and were asked to return for finals. They all had a lot of fun in San Francisco running around, chasing cable cars, shopping, and eating! They were also able to tour the Winchester mystery house, the Golden Gate Bridge, Sausalito and went on a bay cruise to Alcatraz.

These girls practice before and after

school learning formations and perfecting routines. Besides all their other activities they have an annual Drill Team Show at the end of the year. If you have never attended one of these shows you should, there is a lot of work put into this and they are very enjoyable. They also announce the leaders for the following year. Keep up the Good Work!

Top Row: Stacy Wiegman, Nichole Menold, Patricia Scott, Teri Strain, Donna Stellar, Cheryl Abeyra, Debbie Jamison Middle Row: June Deering, Julie Hawkins, Nancy Stroud, Donna Logan, Carolyn Smith Bottom Row: Co-captain and Captain Rhonda Galbreath

TALL FLAG

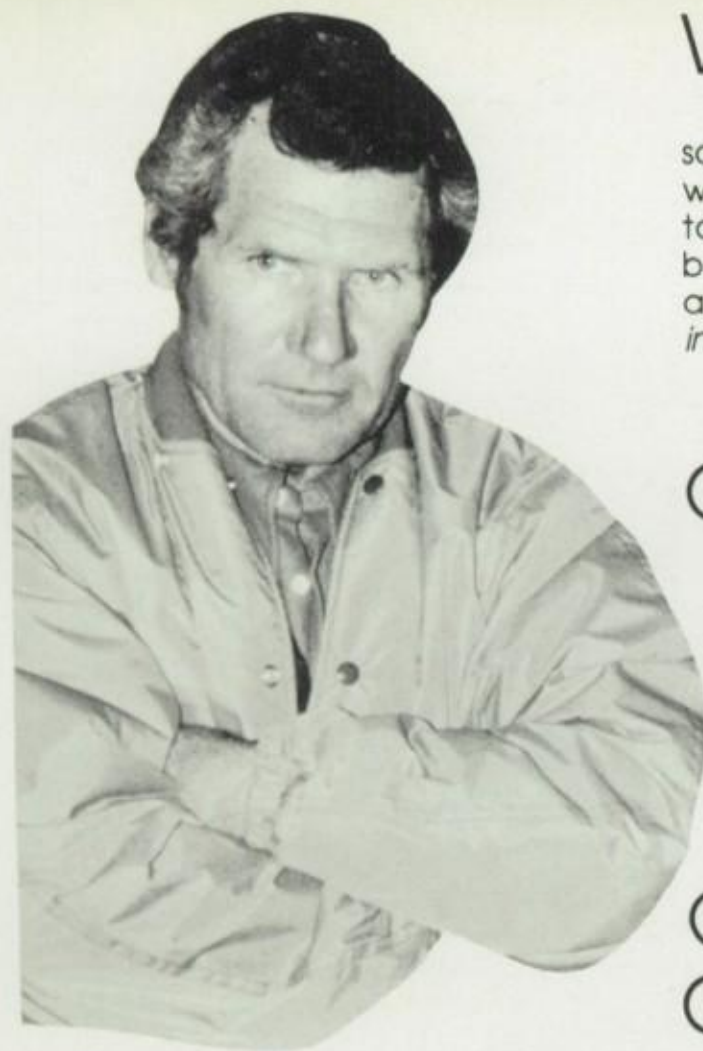

Tall Flag this year consists of 14 girls, who have all done an outstanding job. Their skills cover: marching, snap and flash, bisepe coordination, and a little bit of fancy foot work. They practice hard before and after school learning many different routines and perfecting their techniques. They have new blue and gold uniforms and flags which are really showey.

They compete in many competitions and

have always placed high. This year they were 3rd in the National Competition; Miss Drill Team USA. When they are not competing they're busy entertaining the football and basketball fans. Joining together with the Drill Team and Marching Band they always put on a great show. During Basketball season Tall Flag performs a routine by themselves.

The two people that hold this unit together are Captain Rhonda Galbreath and Co-Captain Karen Tuthill. This summer they attended camp at Santa Barbara. With no advisor Rhonda and Karen had to keep the girls under control. They received 1st place for their small group, and came home with a trip they will never forget. Mrs. Johnson is the advisor for both Tall Flag and Drill Team.

Football 94

These guys really had some great-looking legs!! And talk about being radical... These guys were first class. Great job guys, watch out for the next year-cuz we're #1.

Girls Volleyball 100

This radical bunch of super-spirited girls really could play some mean volleyball. Their opponents could often be found hiding in the corner to avoid those killer spikes. All right girls. (When you hot your hot).

Water Polo 104

This wet and wild sport offered some excitement to those guy-watcher girls. Out there in addition to their superb playing ability, which bought them to victory. The guys also had a radical time, if they were *in the water or out!*

Girls Tennis 108

These girls really know how to attract attention!! Have you ever seen these girls swing a racket? They had an excellent season and we can expect a super team next year too!

Girls Cross Country 110

These fine girls were really the leaders of the pack! They are all very talented and enjoyed a great season. You can often see these girls running along the roadside with a bunch of guys chasing after them, but these girls left those dudes in the dust!

Boys Cross Country 111

If you intend to catch these guys you better have some fast wheels! These guys had a shining season and it's too bad that none of the other schools offered any competition for our runners. Good going guys.

Field Hockey 112

As always, these girls had a fantastic season, defeating many teams and again returning to the CIF playoffs. Watch out for little girls that carry big hockey sticks.

Basketball 116

The boys basketball team were really on their toes this year! Thanks to some last minute surprise by Sonora players, those games were saved by a last effort basket.

Baseball 122

Our Sonora all-star baseball team really showed us what an exciting bunch of guys they are. The L.A. Dodgers better watch out-these guys are a hot group. You should check out some of those games if you can stand the excitement.

Wrestling 126

These guys view themselves as studs... well, whatever they are, something really makes them go out there and wrestle hard with their opponent. Some of those matches get really gruesome and tense, yet others looked like a comic flick as a Sonora (stud) picked another wrestler (?) right off the ground and held him above his head...

Boys Swimming 130

In the water or out, this bunch really know their moves. As always Mr. Hawkins has assembled a super bunch of quick, tough and strong swimmers who brave icy waters, super-chlorinated pools, belly flops off starting blocks, and goggle-itis to bring victory to Sonora. (Oh you guys!)

Boys Diving 133

Are you the type that has to hold your nose when you jump into the water? Well, the divers at Sonora brave all dangers to give an eye boggling swan dive and they don't hold their nose, but some sources say that a few do close their eyes! Would you stand on top of a board suspended in the air above a splash of blue! These guys do and nobody does it better!!

Girls Basketball 134

Watch out for this group because they really know what basketball means: skill, fight, spirit, talent, jump and win! And win is just what these girls do. They're a good all-round team with a long list of victories. Very impressive bunch of girls!!

Boys Tennis 138

Have you ever seen such a bunch of show-offs? Well they deserve to show-off because they're just super! When these guys hit the courts, everyone turns to watch and what a spectacular show they see.

Track & Field 140

Everyone here really knows how to push themselves to the limit and it takes just that to win. The dedication, courage, and drive all come together in these athletics who really make the most of it.

Gymnastics 145

Swinging, twisting, jumping, flipping, leaping, and landing those words are common in the world of gymnastics. Our gymnastic team spend hours of hard grueling work in training for their meets, and during performances their exciting routines really are noticed among all.

Girls Softball 148

These girls really know how to pitch a hard game of softball. "Has softball been bery, bery good to these girls?" You bet! The team really has a certain "spark" that gets them through their game-winning of course.

Girls Swimming 150

These girls just glide-through the water without any effort at all. They also win their opponents without any effort at all! The girls swim team are really fast, (how fast are they?) and quite talented. Way to go.

Diving 152

"A PERFECT 10!!!" That's all you'll see on the diving team, because everyone here has the grace, poise and expertise it takes to be a perfect 10 diver. Wouldn't you want to be a perfect 10 too?

CIF 153

Just what does it take to become a CIF champ? First you have to have a winning season. Second-you really have to be able to fight hard and come back strong. Third-you have to have real team unity. Does that sound a lot like Sonora? It should, because every year, at least one of our sports divisions appears at the CIF tournaments. (Typical, Huh?)

The record for the 1979 Raider Football team was not as good as it has been in past years. However, they ran just as many sprints, (Add One), lifted just as many weights, received just as many bumps, bruises, and pulled muscles, and put just as much heart into the game as any other previous Raider team. Captains for this year's team were Danford Inn, Burch

Denne, and Steve Rajcic. The Most Valuable Player Award went to Burch Denne (33), Tailback. The Most Improved Player Award was received by Allan Okamoto, (62), Linebacker. The award for the Most Inspirational Player went to Luke Gernandt. Other key players were, Jim Stack, John Devereaux, Mark Higgenbotham, Scott Ishihara, Doug Jackson, Kip Damrow, Jim Bray, Rick Lasher

and Monchi Preciado. The coaches who led this team through a very rough and trying season were Wayne Payne, Head Coach, Ray Lawson.

Defensive Coach, Gaylon Ratliff, Offensive Coach, and Lineman Coach, Joe Cerjak. These men often worked past the required hours in preparation for the games.

Brea: A tradition ended this year when the Brea Wildcats edged Sonora, 17-14, in a hard fought game. It took Brea 13 years to finally do it! A Brea coach said, "There is something hard about playing Sonora that makes it so tough." Unfortunately, Sonora ran out of its magic right in the middle of a spirited fourth quarter comeback. Burch Denne, Danford Inn, Dave Robinson, Dan

Fulkerson and Steve Doud all played great and we should remember that it was an excellent record that we held over Brea. In the last moment of the game a pass from Inn intended for Fulkerson was knocked away, giving Brea the edge. We can be assured that next year we'll be #1 again! Everyone played a great season with a lot of dedication in their games.

We're proud to have this team of fine and aspiring athletes to represent Sonora. Among other things, the guys showed a lot of classy showmanship and we would like to warn all the other teams to make room for us at the top in 1980!! (Something as fantastic as the Raiders just can't be forgotten!)

SOPHOMORE FOOTBALL FRESHMEN FOOTBALL

Although this year's Sophomore team did not win any of their games, Coach Surgeon says that they have outstanding potential and though they were inexperienced, they will be great assets to the varsity team. Most Valuable Player was Tom Hook. Most Inspirational Player was Phil Nuahi and the Most Improved Player was Brian Davies. Some other outstanding players were Bob Vanv-

lier, Wayne Switzer and Mike Betters. In their pre-season games they beat La Habra 36-6 and they beat Lowell 27-6. Fullerton took a loss to them with a score of 27-6. While the 1979 Freshman Football Squad didn't have many team highlights this season it is, nevertheless, a group that will be heard from in the future.

Most Inspirational Player, Henry Knizel and players such as John Martin, Roy Aivai-zier, Eric Kirtly, Scott Mason, John Rosplack, Tom Dewattia, Eric Schweizer, Mike Wissman, and Bob Devereaux pointing the way, this is a group to be reckoned with in the future. The team was coached by Ralph Tallant and Gordon Blakely.

VARSITY VOLLEYBALL

The Varsity Volleyball team did a great job of representing Sonora in their '79 season. The team started off by winning the La Mirada tournament. The Raiders brought home the first place trophy in convincing style by winning all of their matches in two games. Named to the All-Tournament team were: Sue Beisswanger, Cindy Sparks, and Renee Edwards. One girls who should have

been named to the team but wasn't, was Kris Dierz. Coach Jerry King did an excellent job of coaching the team throughout the season. The varsity team consisted of: Sue Beisswanger, Karen Choare, Kris Dierz, Kathy Dooley, Renee Edwards, Kathy Fazio, Kim Greist, Sharon Kim, Paula Knudsen, and Cindy Sparks.

The Raiders finished the season with an 8-6 record. The teams enthusiasm and playing ability brought them to CIF. In their first two games they won Paramount and Chaffey; but in their third game they lost to Bishop, San Diego. Maybe next year this outstanding team will be the CIF champs. Good job girls!

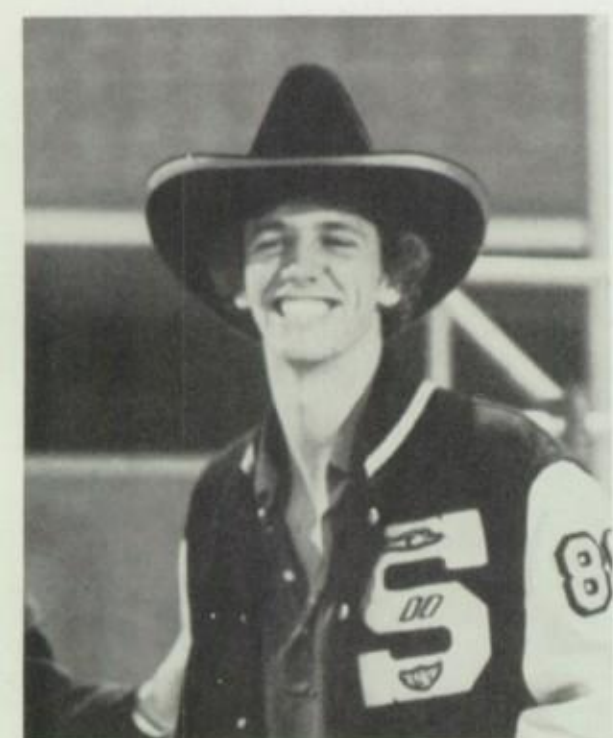

J.V. VOLLEYBALL

The girls J.V. Volleyball team did a super job of representing Sonora this year. They were very successful in the games that they played. The team members were, the courageous Kerry Lane, the zany Stephanie Sanders, the magnificent Melinda Hall, the studette Sandy Wilson, the sensational Stacey Davis, the cool Cheryl Kunz, the radical

Nancy Reitzel, and the Most Inspirational, slick Christy Slattery! The team coach who did a super sensational, wild, radical, fantastic job of coaching these young girls. She led them to many victories! Sonora should be very proud of the girls and we should look forward to seeing them on the varsity volleyball in the years to follow. By the way, if

you want to know the coaches name, it's Cheryl Maslanka-Uken. We should give great tribute to these fine Sonora students. They deserve a lot of compliments, so student body, give them a pat on the back and show them you appreciate their hard work and effort. GOOD JOB GIRLS!

WATER POLO

This year Sonora's Varsity water polo team was not quite as successful as those of previous years. The team closed its season with a team record of three wins and four losses. The wins came against Lowell, La Habra, and Esperanza. The Esperanza game, which was the last game of the season, was considered quite an upser. This is because of the fact that Esperanza was on their way to the CIF playoffs and was

therefore expected to win. The Raiders, however surprised everyone by pulling off a 10-9 win over the Aztreas. In non-league play, Sonora's season was dominated by losses.

This year the Varsity team captains were Mike Callaghan and yopin' Craig Slattery. These two young men were chosen by secer ballor to lead a young and virtually inexperienced Varsity team. Callaghan be-

ing the only player who had played regularly on the Varsity level during the 1978 season. The Raiders were often found starting as many as three juniors at a time in a game. These young players proved themselves worthy of the Varsity level and will hopefully show Sonora an exciting season in 1980. Sonora Varsity water polo, we yope to you!

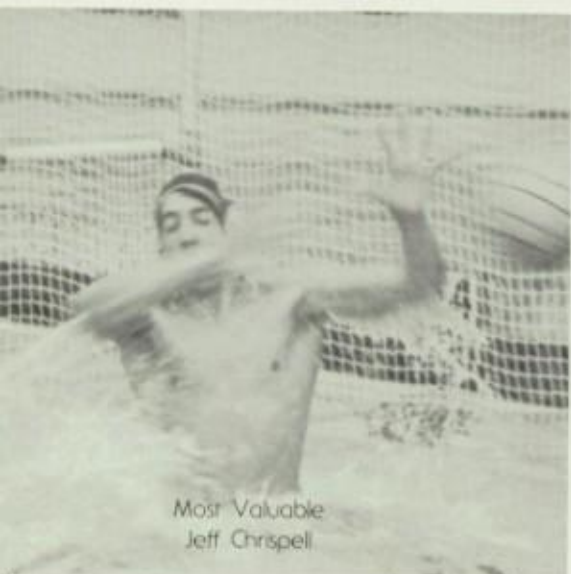

JV WATER POLO

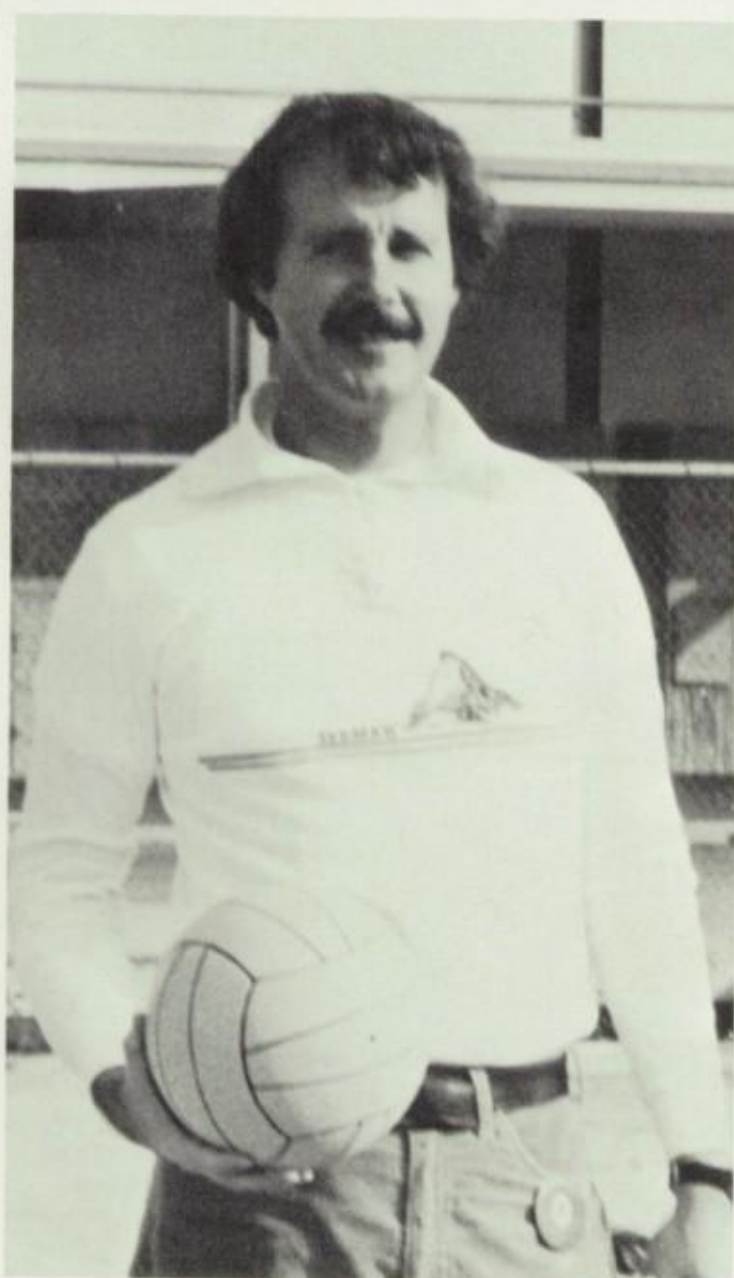

FROSH SOPH WATER POLO

Standing: (l to r) Barry Hammerling, Chris Niesner, Eric Petrie, Jeff Chrisspell, Dave Safford, Mike Waire. Kneeling: Mike Bell, Chris Beisel, George Grabuskie, Brett Forbes

Most Valuable
Jeff Chrisspell

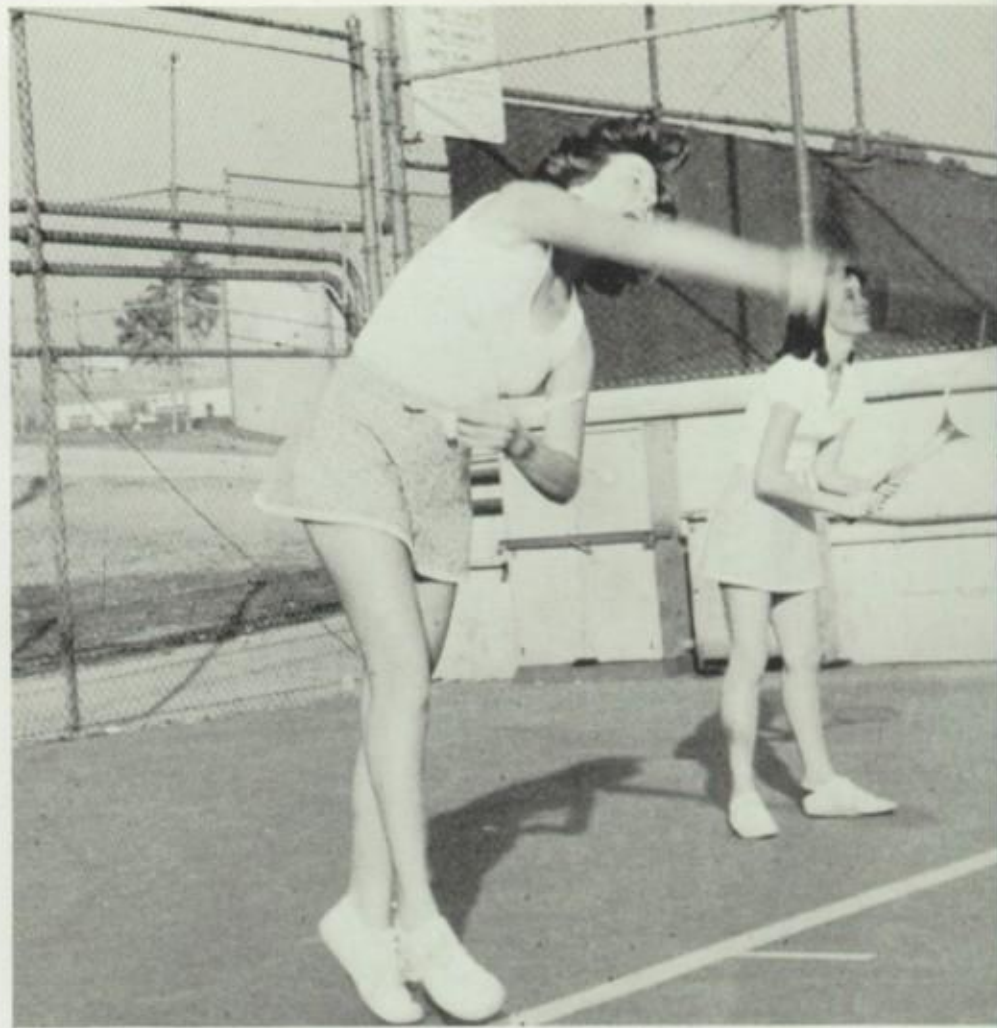

Most Valuable
Dave Safford

This years Junior Varsity and Frosh/Soph water polo teams both had successful seasons. On the Frosh/Soph level, Sonora's team took second place in the Orange League. Coming into the last game of the season tied for first place with Esperanza, the Raiders proceeded to play, and unfortunately lose, a hard fought game against Esperanza. This loss gave the Frosh/Soph

team the second place. Led by Most Valuable players Jeff Chrisspell, goalie, and Dave Safford, field player, these hardworking freshmen and sophomores are to be commended for their efforts.

Also having an excellent season this year was Sonora's Junior Varsity water polo team. The Junior Varsity is often thought of as the "leftovers" because of the fact that

they are the ones who don't play in the other games that day. This in no way affected their performance, as they easily took the Orange League Championship. Led by Most Inspirational player goalie Robert Lipson, the Raider's walked away from their season with an almost perfect record. Congratulations go out to the Raider Junior Varsity team on a job well done!

VARSITY & J.V. TENNIS

This years Tennis team is one we should appreciate and duly worship. I'm sorry but the people here in Publications sometimes forget that deadlines come a lot sooner than we expect, that's why I don't know what's going on. Now if this isn't totally off the wall. May all those who dare to read this, live until their next party. Now back to Tennis; this outrageous team consisted of:

Karen Weigle, Teri Pokrajack, Kari Baraglia, (who by the way went to CIF), Jennifer Fogers, Jackie Tenier, Linda White, Maurita O'Donnel, Dena Jung, Dayna Liss, Sharon Argue, Kim Argue, Lisa Sax, Cynthia Kulchin, Kellie Meinhardt; just to name a few. If your name didn't end up in this section of the yearbook, Don't get too upset; we didn't

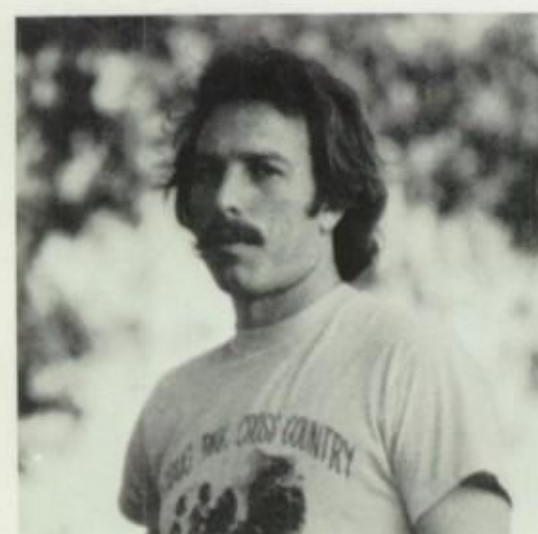

mean to, honest we do try to get them. It's also hard to put a lot of pictures in if your photographer takes a whole role of just one person and the season is all ready over, I mean what are we going to do? Maybe next year we will be able to get everybody's name in here, just keep your fingers crossed okay.

Most Valuable
Kim Henley

Most Inspirational
Sue Nordquist

CROSS COUNTRY

The Cross Country team this year was made up of some very good athletes. This sport requires physical fitness and constant energy and effort. One can see a member of this team early in the morning running in very cold weather. Now that requires dedication! As a result of this dedication both girls and boys Varsity teams placed fourth in

league competition.

Congratulations to the boys frosh/soph team! They took first place in the league. The awards for Boys Varsity were: Most Valuable Athlete, Andy Wolfe, Most Inspirational Athlete, A.J. Stuart and the Coaches award went to Steve Lathrop. The awards for the Girls Varsity went to Kim Henley, The

Most Valuable Athlete, for The Most Inspirational, Sue Nordquist.

Most Improved was Cynthia Brown and the Coaches Award went to Stephanie Olson. The Most Valuable Runner for frosh/soph was Randy Phillips and Most Inspirational was Bob Corona. This year's coach was Dan Henshall.

FIELD HOCKEY

For the third season in a row, the girls Field Hockey team are Orange League champions. Their victory didn't come easily, as the girls were up against many good teams, but as always, the dedication, pride, skill and finesse, all formed the magic combination that brought victory to the team. All of these talented girls deserve recognition,

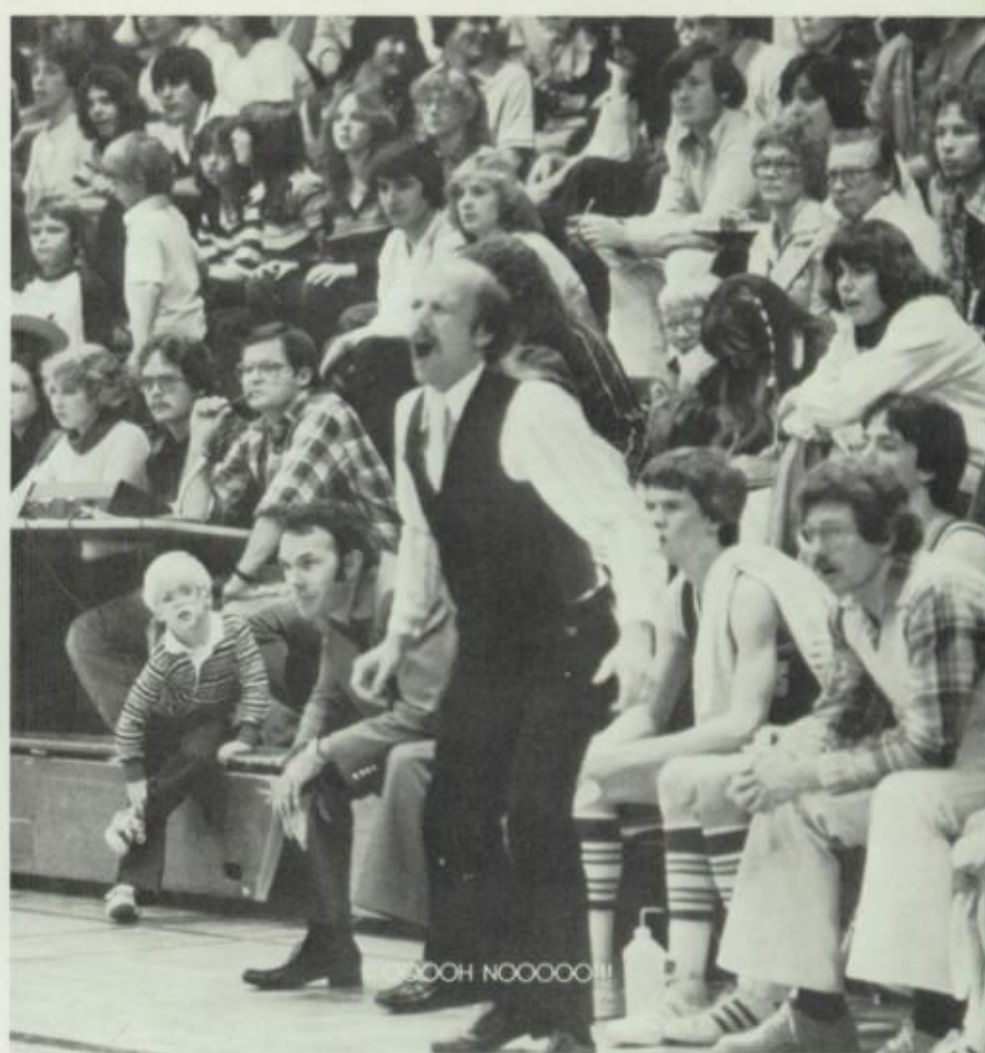

so we decided to honor them by placing their names in this star-studded yearbook. So, here they are . . . Mary Lilja, Laura Kuhn, Kathy Fazio, Sharon Kim, Cindy Sparks, Sue Beisswanger, Lori Collins, Leticia Garcia, Renee Rios, Cathy Lepora, Melinda Anderson, Kim Tomberlin, Candy Caldwell, Sandy Wil-

son, Nancy Rietzel, Laura Bair, Teri Pokrajack. Sonora also dominated the All Orange League team by placing 5 players on the 1st team and 2 players on the honorable mention. Thanks to these girls, Sonora always has a team that makes it to Orange League. Good going girls!!

FIELD HOCKEY

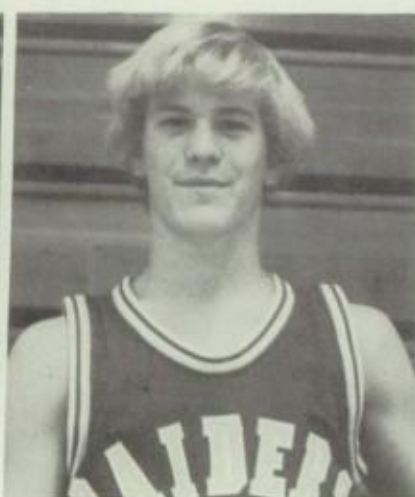

VARSITY BASKETBALL

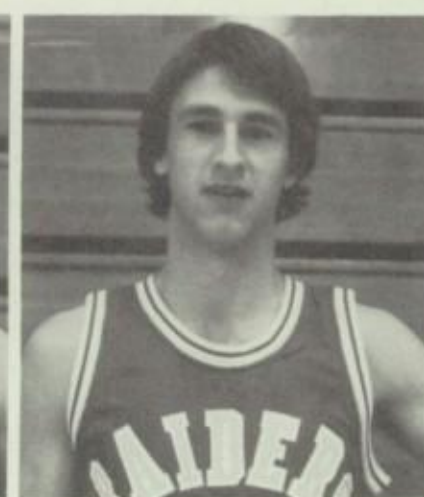

A.J. Stuart

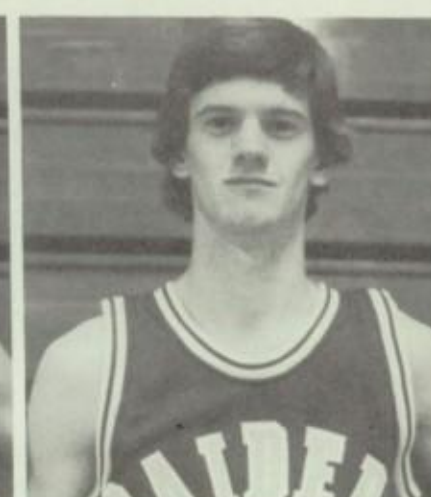

Dan Shubin

Steve Samuelson

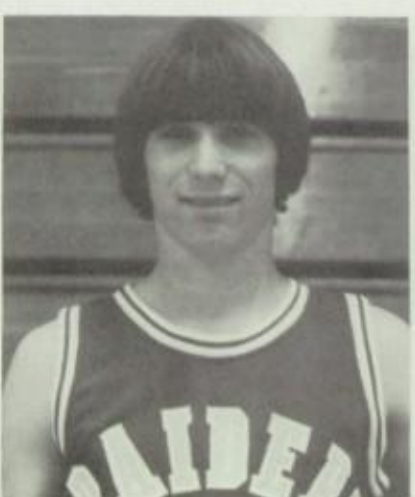

Robert Fesuk

Kent Harper

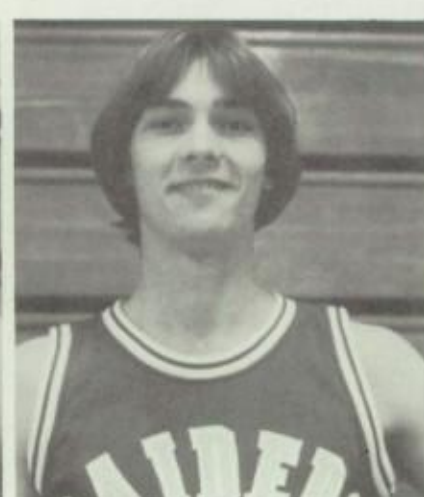

Tim Place

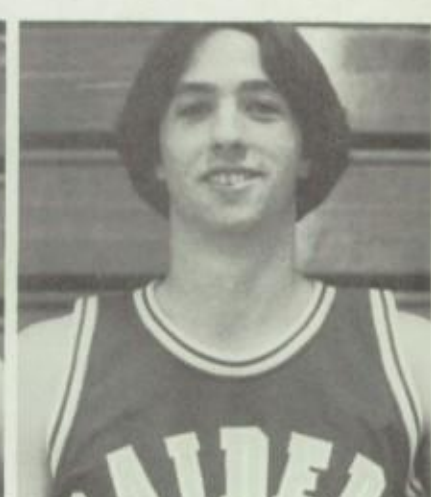

Robert Van Vliet

Tom Hook

Neal Johnson

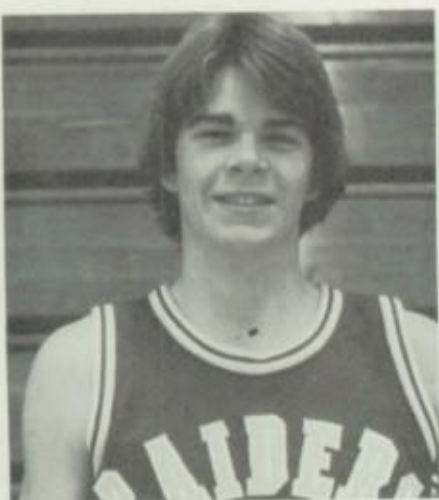

Brad Cannon

This year's Varsity Basketball team had a season record of 8-15. The captain for this talented team was senior, Steve Samuelson, who also received the award for the Most Inspirational Player. The Most Valuable Player Award went to both Pete Dandley and Neal Johnson, Juniors. The leading scorers were Pete Dandley, with an average of

14.6 points per game, Neal Johnson with an average of 12.5 and Steve Samuelson with a 10.0 average. The team's leading rebounders were Steve Samuelson with 208, Pete Dandley with 133 and Neal Johnson with 132. The best free throw shooter was Tim Place, 84%. He was also the only sophomore on the team. Honorable Mention:

All-Orange league members were Pete Dandley and Neal Johnson.

One of the more exciting moments of the season was the Sonora vs. La Habra game. The Raiders led by 10-12 points throughout most of the game. With 3 minutes left in the game, Sonora was ahead 62-51. But La Habra's sudden rally made it

Pete Dondley

VARSITY BASKETBALL J.V. BASKETBALL

62-57 with 2 minutes left. With 48 seconds remaining, the Highlanders took the lead on free throws after being fouled. After a final time out for Sonora, A.J. Stuart fired a 25-foot jumper as the buzzer rang for the end of the game. This was the first time in 14 years that Sonora had been had beat La Habra. Congratulations! Coach Borrioux

thought the season was a good one for our young squad and next year we have three returning starters plus Robert Van Vliet, Tom Hook and Brad Cannon. Our team is gradually building a really successful program and we can be assured that we will get nothing but better in the future.

Our team had its share of injuries this

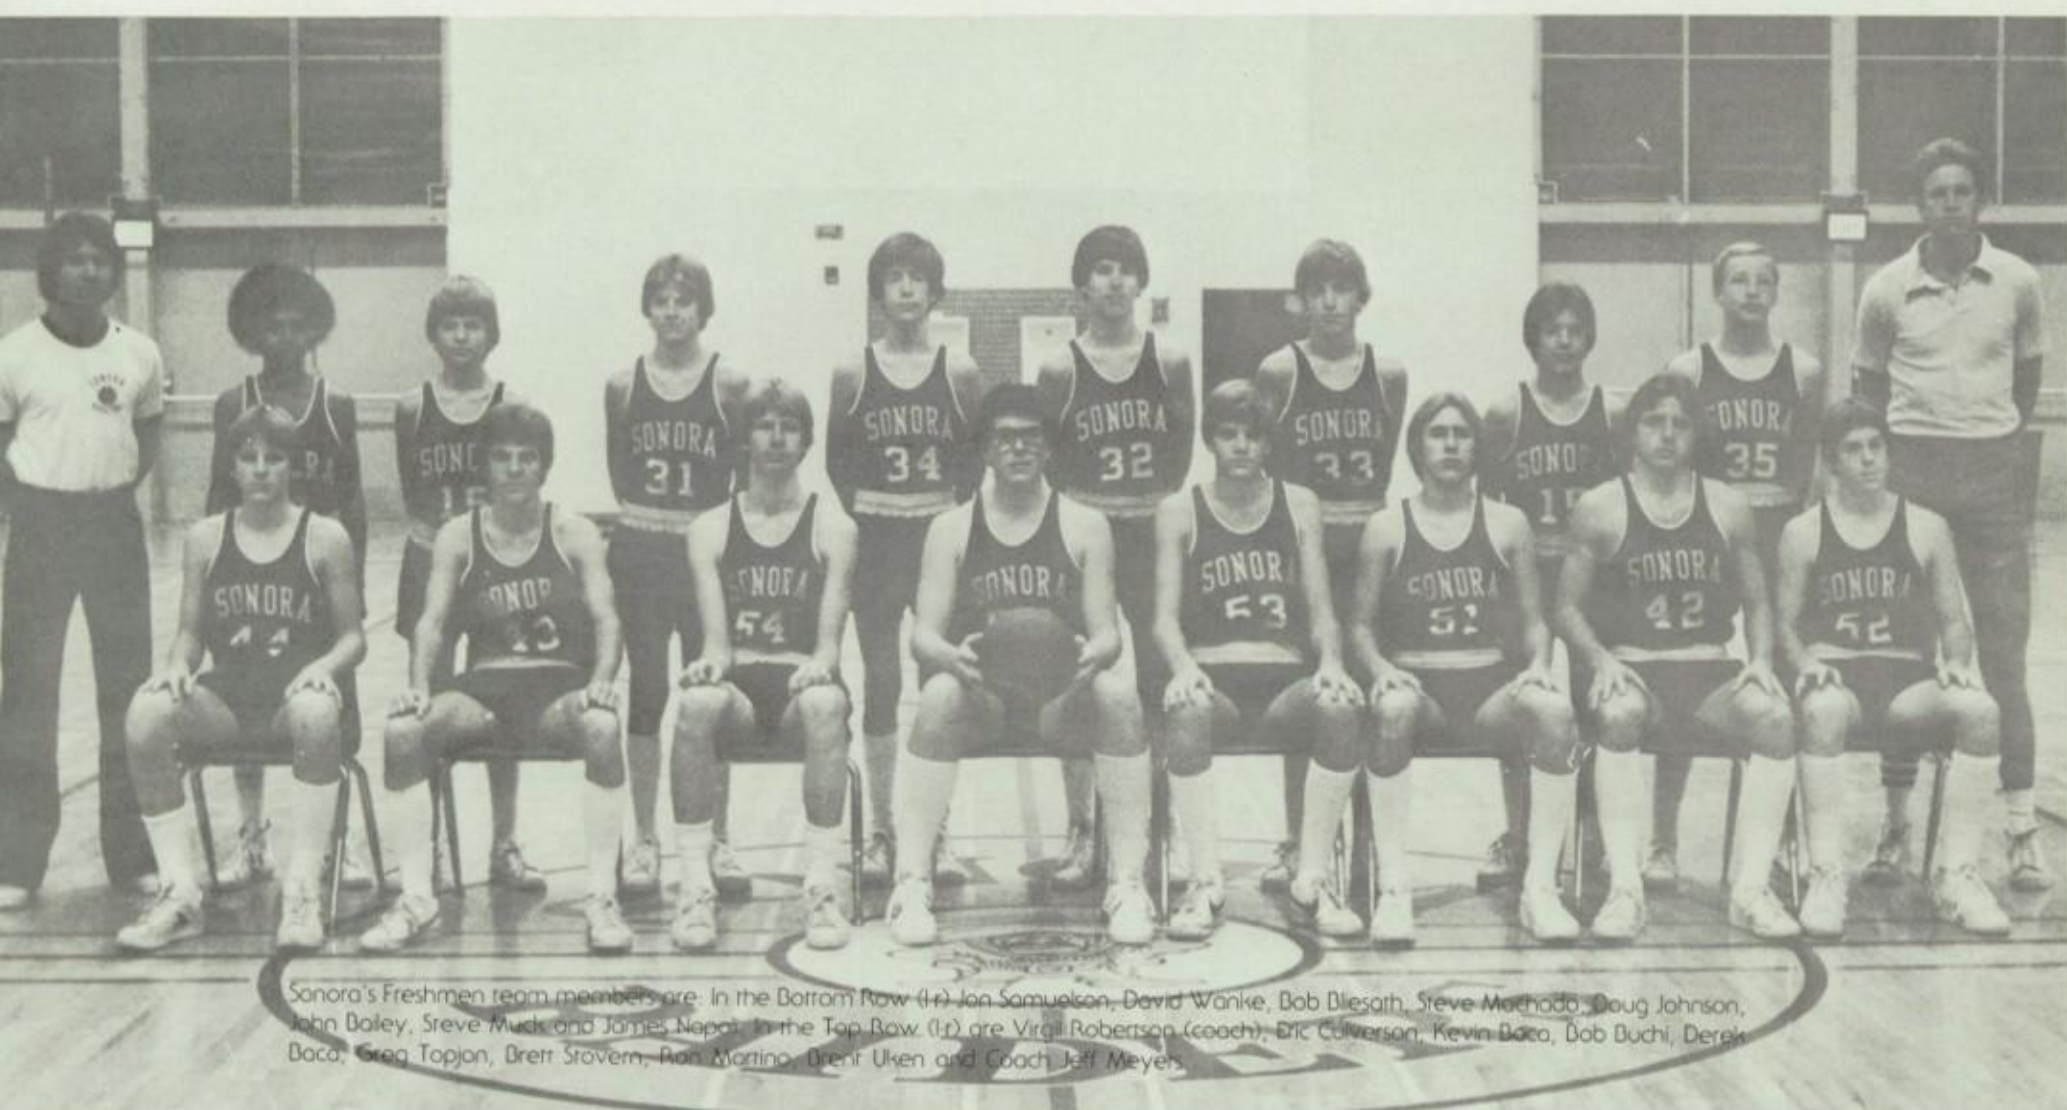

year, including two of our most valuable players, Pete Dandley and A.J. Stuart. These guys are as graceful as ever. The players for this Varsity team were: Tim Place, Robert Fesuk, Dan Shubin, Kent Harper, A.J. Stuart, Brad Cannon, Robert Van Vliet, Steve Samuelson, Neal Johnson, Pete Dandley and Tom Hook.

J.V. BASKETBALL FROSH/SOPH BASKETBALL

Sonora's JV team members are: Bottom Row (l-r) Rick Kiphen, Russ Rodewald, John Hoffecker, Steve Grebel, Rick Straight, Mike Blosssey and Mark Reyes. In the Top Row (l-r) are Coach Norm Davis, Tony Martino, David Lewis, Ray Halsread, Garth Robinson, Doug Wells and Randy White.

Sonora's Freshmen team members are: In the Bottom Row (l-r) Jon Samuelson, David Wanke, Bob Bliesath, Steve Machado, Doug Johnson, John Bailey, Steve Muck and James Napoli. In the Top Row (l-r) are Virgil Robertson (coach), Eric Colverson, Kevin Baca, Bob Buchi, Derek Baca, Greg Topjon, Brett Stovern, Ron Martino, Bret Uken and Coach Jeff Meyers.

The Junior Varsity team finished our the season with a record of 6-15. The Most Inspirational Players were Rick Straight and Doug Wells. The leading scorers were Mike Blosssey with an average of 14.5 and Rick Straight with an average of 9.8 per game. The coach for the team was Norm Davis.

For the freshman team, the record was 11-10. The leading scorers were Jon Samuel-

son with an average of 11.6, Bob Bliesath with an average of 10.3, Doug Johnson and Steve Muck with an average of 9.5 points a game. The freshman coach was Bryan Humphrey. The J.V. team members were: Mike Blosssey, Steve Grebel, Ray Halsread, John Hoffeckes, Greg Kiphen, David Lewis, Tony Martino, Mark Reyes, Garth Robinson,

Russ Rodewald, Rick Straight, Doug Wells, and Randy White. The members of the freshman team were: Derek Baca, Kevin Baca, John Bailey, Bob Bliesath, Bob Buchi, Doug Johnson, Steve Machado, Ron Martino, Steve Muck, James Napoli, Jon Samuelson, Brett Stovern, Greg Topjon, Bret Uken, Dave Wanke.

This year's baseball team had an excellent record of 15-8. Baseball was Sonora's best sport this year, finishing third in the Orange League and making it to the CIF finals. In the Orange League's first team was Roberto Villereal, with a .315 batting average and Rob Meyer, who was 6-1 and had an ERA of .59. Monchi Preciado made the second team.

The Raiders started the season with a no-hitter pitched by Ed Deese against Excelsior High. Rob Meyer missed a no-hitter by one hit against South Hills on a bloop single to left field with 2 out and 2 strikes on him. Meyer finished the game with 8 strikeouts and picked up a 1-0 victory. Rob Meyer was the Most Valuable Player.

John Devereux was the team's first base-

man and was backed up by Rob Meyer and Ed Deese. Bob Sarmory had copious ennui most of the year but the slothful pagan overcame this to play second base and was backed up by Jim Kistler. At shortstop was Roberto Villereal at the first of the season, but moved to play third, leaving room for Tim Place at shortstop.

The pre-league scores were: Sonora vs. Rosemead 3-1, Sonora vs. Excelsior 5-0, Sonora vs. Canyon 5-4, Sonora vs. Canyon 6-1, Sonora vs. Riverside 5-7, Sonora vs. South Hills 1-0, Sonora vs. Temple City 7-2, Sonora vs. Los Altos 15-11.

In league competition the scores were: Sonora vs. El Dorado 4-2, Sonora vs. Valen-

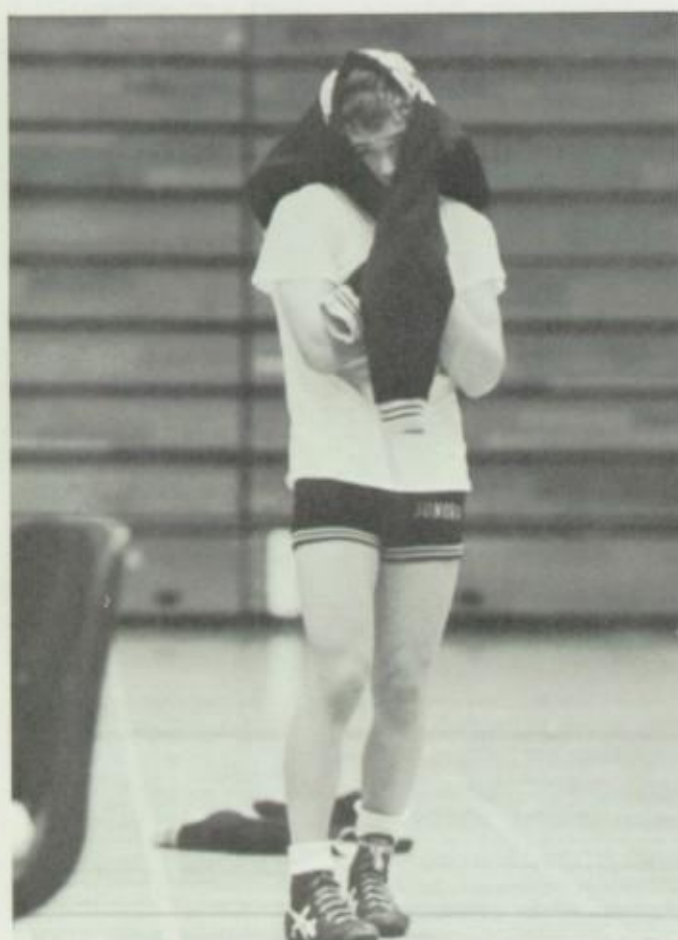

cia 4-3, Sonora vs. Lowell 2-3, Sonora vs. Brea 5-1, Sonora vs. La Habra 2-5, Sonora vs. Fullerton 4-6, Sonora s. Esperanza 4-3, Sonora vs. El Dorado 6-3, Sonora vs. Valencia 3-4, Sonora vs. Lowell 2-0, Sonora vs. Brea 5-0, Sonora vs. La Habra 1-0, Sonora vs. Fullerton 0-1 and Sonora vs. Esperanza 9-3. In the CIF playoffs Sonora lost to Riverside

5-7. Roberto Villereal was the Most Inspirational Player.

Congratulations to this year's baseball team for a fantastic season! We'll be looking for some of you in the major leagues, (Or maybe at Howard Johnson's). The dedicated coach was Gordon Blakely.

Standing: Ken Lundrigan, Doug Sapp, Darrell Sapp, Tom Harvey, Dan Hernandez, Rob Parmintr, Scott Whircher, Richard VanVliet, Jeff Charles, John Sasine, Steve Enriquez. The individual performances of this year's wrestling team were excellent. However the overall record was not very good due to inexperience, injuries and the lack of athletes in the upper weights. Some very successful dual meets this year were Sonora vs. Corona Del Mar 53-20, Sonora vs. Huntington Beach 42-20, Sonora vs. Lowell 48-18, and Sonora vs. Fullerton 55-11. Their league

record was 2-5. Some outstanding individual performances were, from the varsity team; "Sonora 5-way", Chip Whircher took 1st place at 136 lbs, and Tom Harvey took 1st place in the Heavyweight division. In the 6-way tournament, Dave Ward took 1st place at 141 lbs, and in 2nd place, Steve Enriquez at 136 lbs. In the Orange League finals, Chip Whircher came in 2nd place and Jeff

Charles took 3rd place at 106 lbs. In the CIF preliminaries, Jeff Charles took 3rd place and Chip Whircher qualified but did not place. The Most Valuable Player award went to Chip Whircher. The Most Inspirational Player award was received by Phil Garcia. Coaches for this year's teams were Fritz and Ernie Egger.

VARSITY WRESTLING

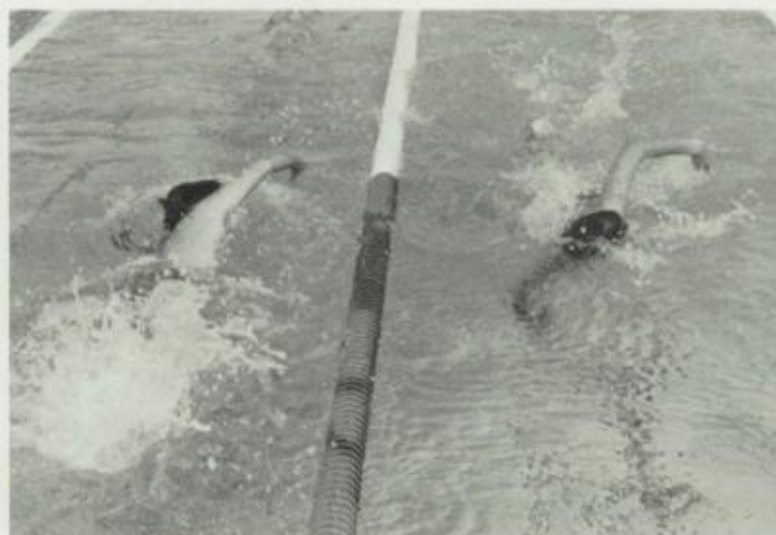

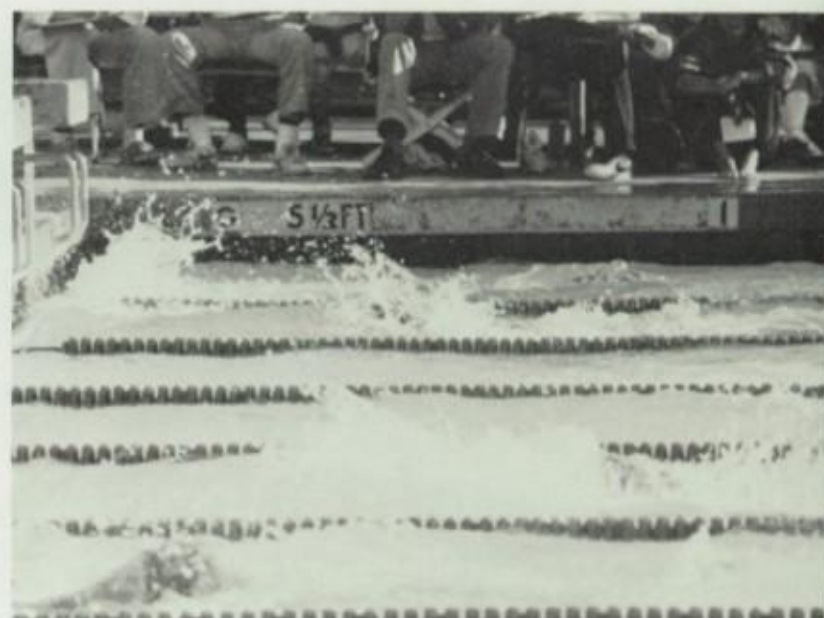

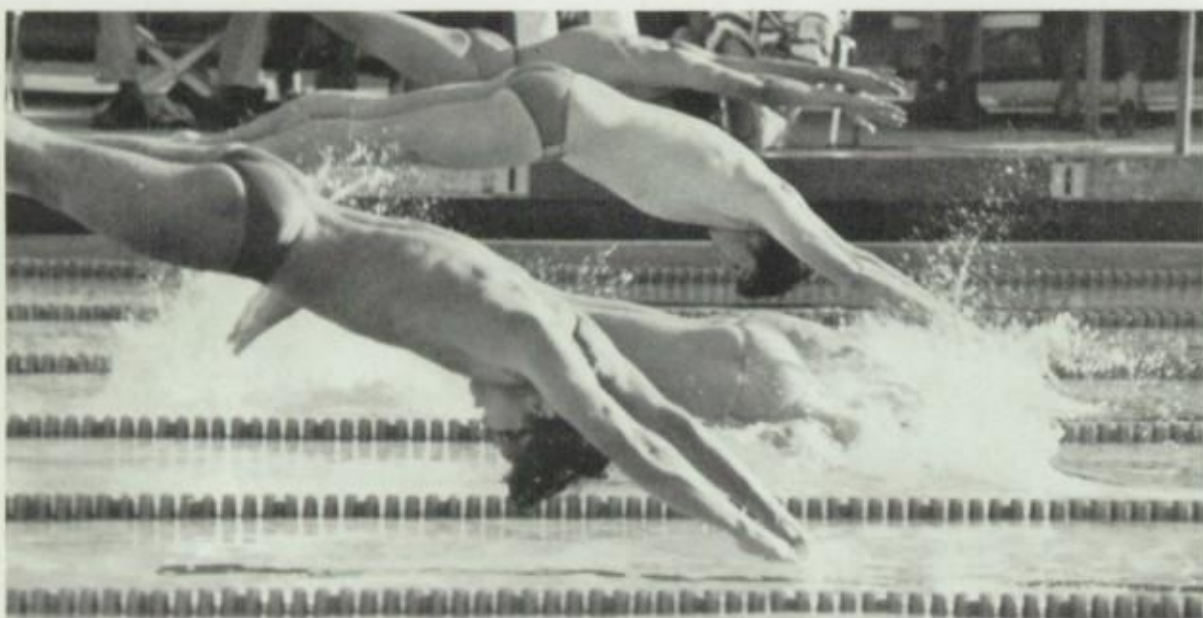

J.V. WRESTLING

The record for the Junior Varsity Team this year was 4-5. There were several outstanding individual performances. In the Edison JV Tournament, Sonora did very well. Scott Whitcher took 1st place at 115 lbs. Dan Hernandez also placed first at 123 lbs. John Galea came in second at 148 lbs. Ken Harrison took 4th place at 157 lbs. and John

Sasine came in 3rd place in the Heavyweight Division. The most inspirational player award for the JV Team went to Dan Hernandez. The JV wrestlers were Chris Lenihan, George Grabuskie, Dean Smith, Joe Giffin, David Pollock, Don Howard, Bob Ruelaz, Paul Sidney, Robert Hernandez, Jeff Shuey, and John Galea. The Varsity wres-

tlers were Beau Harrison, Jeff Charles, Scott Whitcher, Chip Whitcher, Gerald Reed, Dan Hernandez, Phil Garcia, Steve Enriquez, Darrell Sapp, Doug Sapp, David Ward, Ken Lundrigan, Ken Harrison, Robert Parminster, Richard Van Vliet, John Sasine and Tom Harvey.

VARSITY SWIMMING

Top row (l-r): Ken Todd, Robert McLaran, Rob Church, Jeff Shuey, Brian Kalkovich, Sam Balesieri. Bottom row (l-r): Heig Najarian, Dave Heath, Robert Lipson, Kevin ... Top, Steve Mitchell.

Sonora's swimmers this year were excellent and proved their talents in many fine meets. On March 12, the varsity team was victorious over Eldorado for the first time in 12 years with a score of 89-82. The boys were led by Bruce Silver who had first place finishes in the 200-yd. freestyle and the 100-yd. backstroke; and by Shawn Judson who won the 500-yd. freestyle and came in

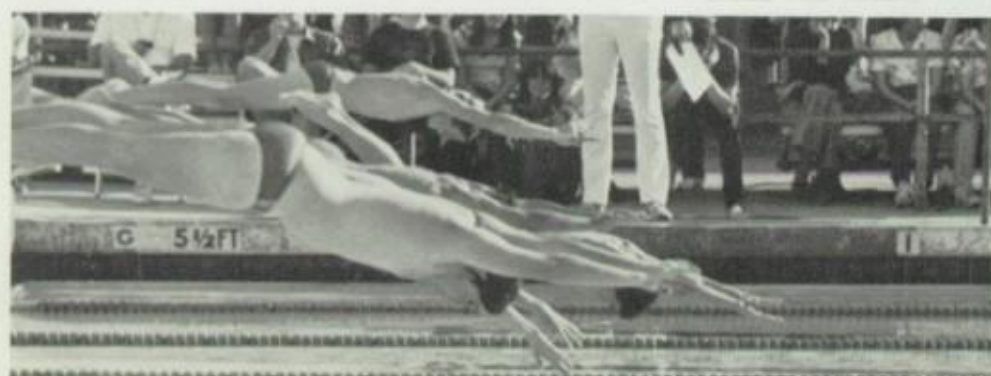

second in the 200-yd. individual medley and by Rob Kramer who placed first in the 100-yd. freestyle. Sonora's J.V. shut out Eldorado 100-0, and the Frosh/Soph team did equally well by winning with a score of 88-36.

In a meet against Brea, Sonora scored a win over their rivals 112.5-59.5. They were led by Shawn Judson who tied for first with

Brea's Chuck Allen in the 200 individual medley and finished second in the 500 freestyle in the Raider's impressive win. Sonora won on the strength of its relay teams which won both the 200 medley relay and the 400 freestyle relay. The varsity team demolished Brea, 80-0. The Frosh/Soph swimmers also beat the Wildcars with a score of 80-0. In the league finals

Top row (l-r) Chris Nesner, Barry Hemmerling, Mike Waire, Dave Stafford, Jeff Christell, Erle Peirre, Mike Goodson, Barry Bartholme, Ken Tomlinson. Bottom row (l-r) Mike Bell, Haig Najorian, Todd Davis, Dave Heem, Tom Heath, Ron Church, Russ Payne.

FROSH/SOPH SWIMMING

Sonora varsity placed fifth. Junior varsity came in third place.

You can always tell who the divers are. If you look closely you can see the prune looking fingers, red eyes, and green hair.

Just kidding!!

The boys diving team had a pretty decent year! Four of the divers made the top 10 for Orange League. Congratulations!

All of the guys put in a lot of hard work

which often went beyond just school time. We can expect to see a lot of first place divers from Sonora next season.

GIRLS VARSITY BASKETBALL

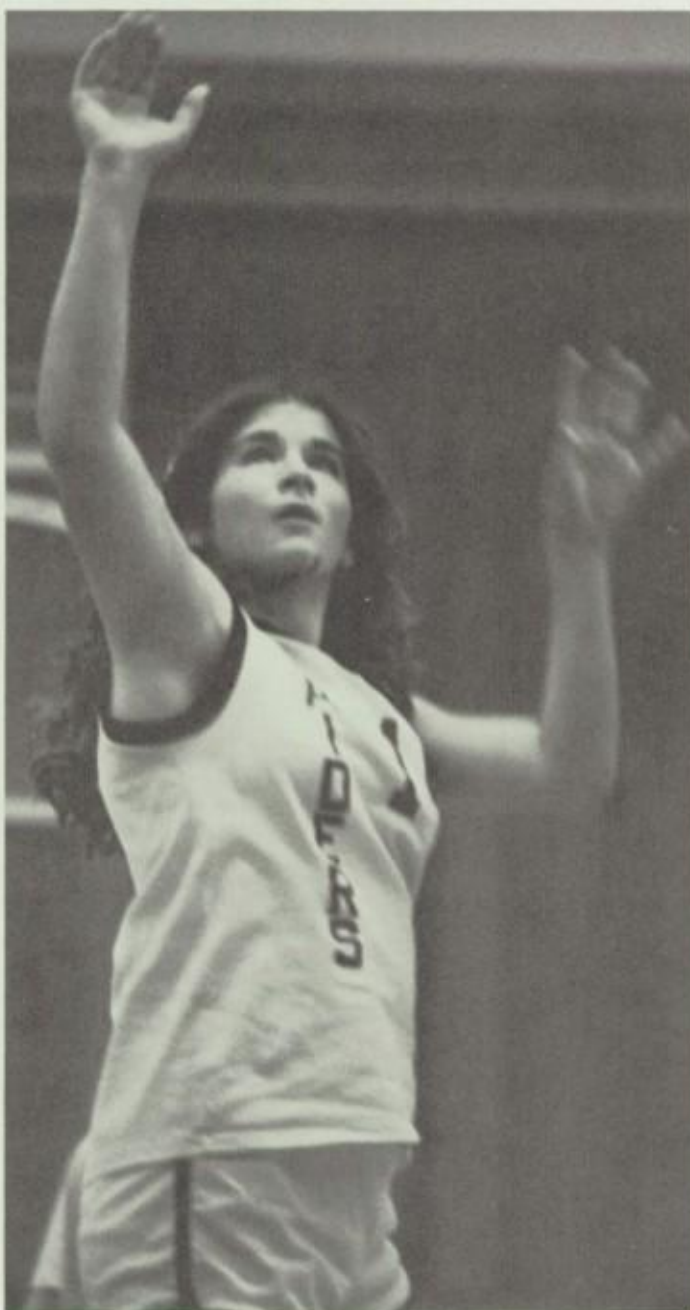

Hello again and hi there, this is the year-book staff direct from Dougies', where the locals hangout. As the sun breaks the horizon you will find this hor ream practicing to their hearts content (thats sure B.S. (Banana Squash)). For those of you who don't look at the pictures, this is Varsity Basketball (girls)!!! This team consisted of: Tammy Hartley, Maria Marquez, Kelly Meyers, Karen Choate, Paula Knudsen, Melinda Hall, Mi-

chelle Pirchard, Lisa Sax, and Therlene Rud-sill. The coach of this outrageous team was of course, the one and only Mr. Sturgeon. They did a really fine job of representing Sonora during their season. Even though we will be saying bye to a lot of seniors, there will be some pretty outstanding Juniors to take their places. The scores were out of reach for the other reams to catch up.

ro, but not all of their games were won, sorry to say. They went on to quarter finals but lost a very dose game to Sierra. The score was 77-74. But watch our next year cause this team promises to be better than hor. They cannot promise to win all of their games, thats impossible, but they will do their best like they always do. So lets go out and support this team.

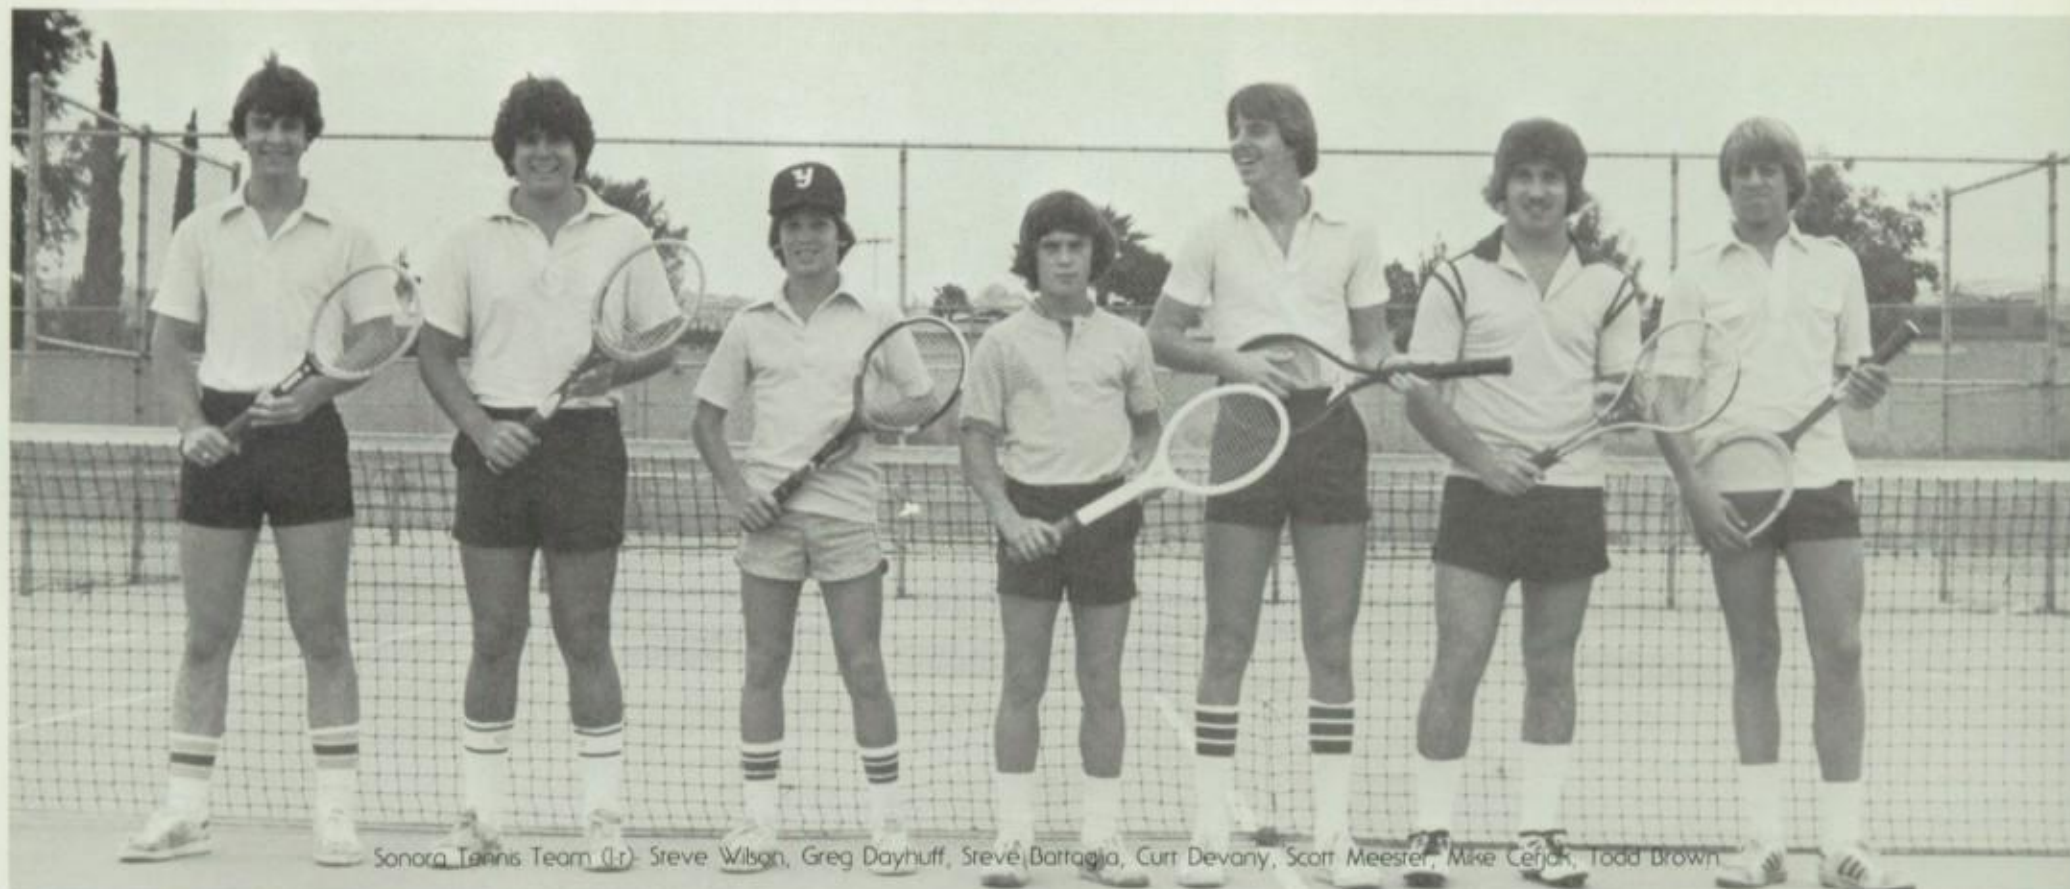

J.V. BASKETBALL

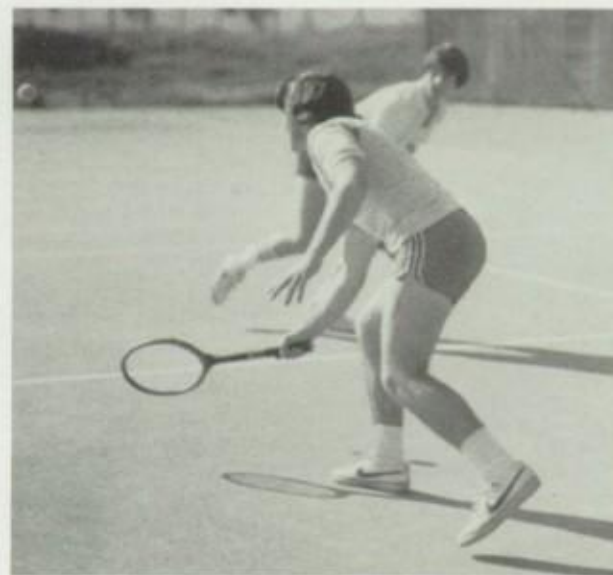

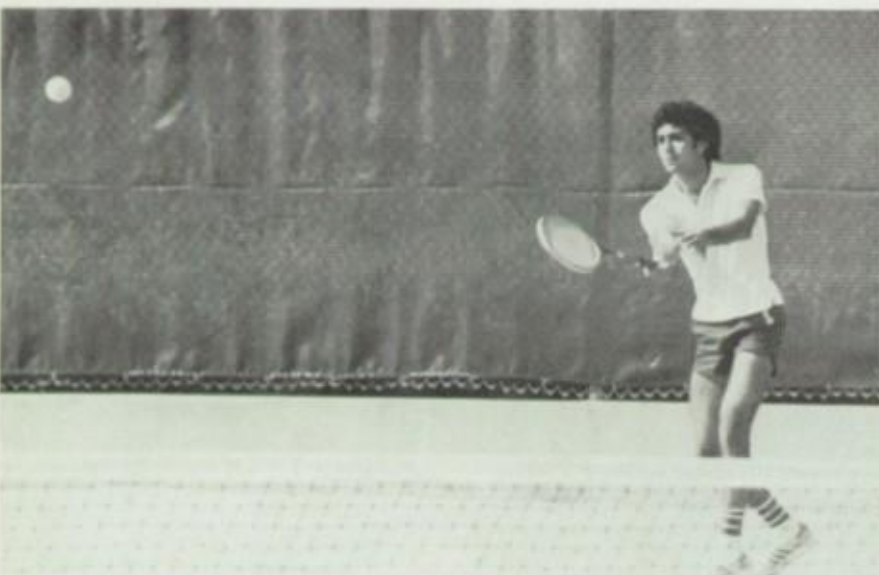

This is Junior Varsity Basketball. To all of you who didn't know it we do have one. The team consisted of: Jackie Tonnaer, Julie Stark, Teresa Nicholson, Sue Longo, Tracy Wilson, Holley Orrman, Judy Nichols, Sharon Marley, Christi Slattery, Melanie Michaud,

Brenda Brendenburg, Vicki Shappa, Therlene Rudisill, Cheryl Kuntz, Mary Giles, Monica Enriquez, and Adrienne Weller. This totally hot team was coached by Mr. Sturgeon, who on the contrary to what most

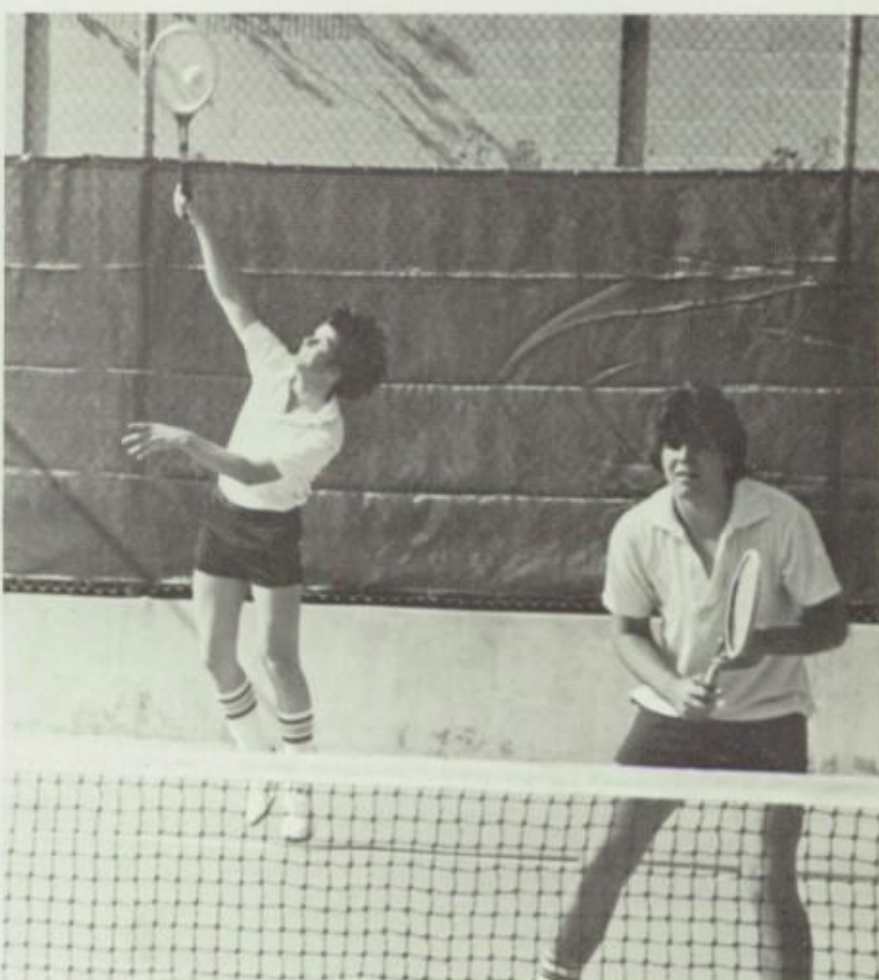

people think, is a rather nice guy. The girls did a terrific job of representing Sonora in their 1980 season. We hope to see the majority of these girls on the Varsity team next year. Lets give a big Whoo-aa

Sonora Tennis Team (l-r) Steve Wilson, Greg Dayhuff, Steve Baraglia, Curt Devany, Scott Meester, Mike Cerjak, Todd Brown

BOYS TENNIS

The varsity tennis team this year was not at its best, finishing the season with a record of 8-10. The players were Steve Battaglia, Todd Brown, Mike Cerjak, Gregg Dayhuff, Curt Devany, Scott Meester, Gary Tanner and Steve Wilson. The coach for both varsity and junior varsity was Norm Davis.

The junior varsity team had an excellent season winning 13 overall and losing only 6. The junior varsity players were Jack Cooper, Adam Deursch, Tracy Hoyr, Steve Kerpan, Chris Klurh, John Kurkjian, Paul Najarian, Lance Parks, Steve Ratkevich, and Terry Tanner. The overall record was: for the

varsity team, 6-8 in league, 2-3 pre-league and 8-11 overall. For the junior varsity in league competition the record was 9-5, pre-league was 4-1 and the overall record was 13-6.

Both track teams did well this season although the Frosh/Soph team couldn't have done any better. They were unbeaten in league action and are the League Champions. Standouts all year were Paul Mooney, Rick Muller, Doug Wells, Chris Valverde, Bill Gibson, Dan Mc Donnell, Randy Phillips and Bob Corona. Paul Mooney was the Most Inspirational and also the Most Valuable athlete for the Frosh/Soph team. The coaches

award went to Rick Muller.

The varsity team went 4-3 in league competition. There were many standouts on this team. In the distance events, Andy Wolfe, Steve Lathrop, A.J. Stuart, John Wallace, Mark Anderson and Bill Weller were excellent all year. The top sprinters were Joe Vassia, Glen Garza, Luke Gernandt, Greg Ricks, Rob Van Vlier, Chris Gladys, Ruben Garcia and Greg Olivas. The discus

and shot-putters were: Danford Inn, Tom Harvey and Wendell Rodriguez. B. Denny, S. Ishihara, G. Greathouse, Pere Dudziak, and Walt McIntyre long and triple jumped. Rick Thompson and Burch Denne high jumped. MVP- D. Inn, MIP- S. Lathrop, MIP- G. Garza, Coaches A.-A. Wolfe. Varsity-4th pl.

TRACK AND FIELD

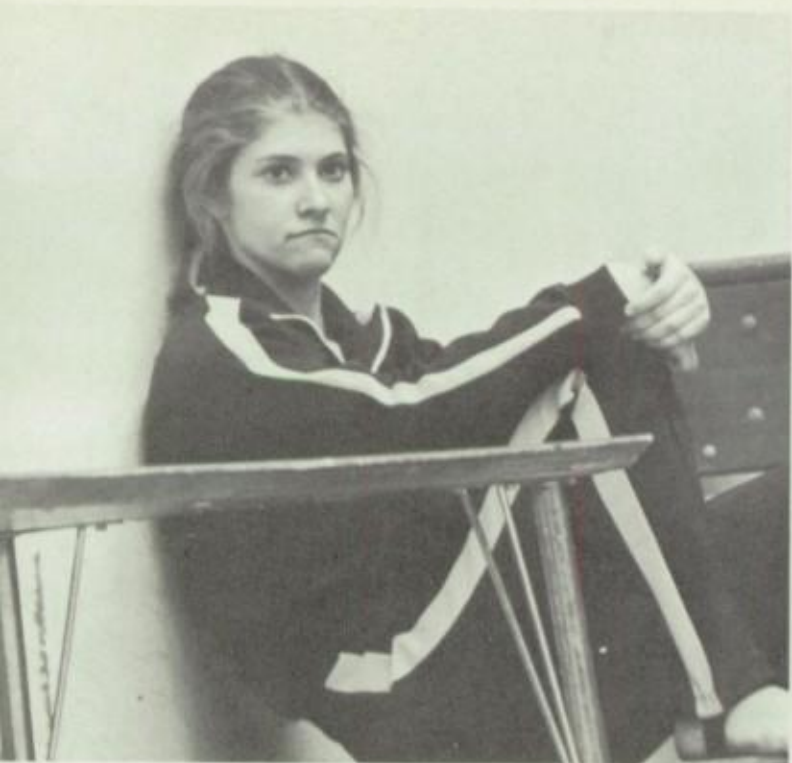

As far as we know Girls Track and Field is Undefeated! This outstanding group of girls have won all of their meets and are tied for First place with a close rival; La Habra. They are coached by Dan Henshall who is very proud of them, especially since last year. This team placed third overall. But watch out cause we're back up to Number 1. The team consists of: Melinda Anderson, Cynthia Brown, Pam Brown, Alicia Bolestrieri, Kris

Dierz, Lynda Glines, Kim Henley, Barbara Heard, Pam Mueller, Stephanie Mc Call, Caroline Mulder, Alisa Miralez, Becky Mc Millian, Parry Nordquist, Sue Nordquist, Karen Reynolds, Eran Roach, Stacy Smith, Cynthia Topjon, Sandy Wilson, Susie Yackie, Judy Hanneken, Stephanie Olson, Julie Stark, Mary Giles, Melanie Michaud, Karen Choare, Lisa Sax, Mary Ann Sanchez, Maria Marquez, Kelly Meyers, Joanne Mulder.

Phew!!!! Now thats a long list of girls. This whole team has done a terrific job of showing everyone who is boss, Right girls!!! Hopefully we will have most of these girls on next years team so that we can continue our success in this sport. (Once dominated by guys). As you might already know, We are all very proud of the whole team, Good job girls.

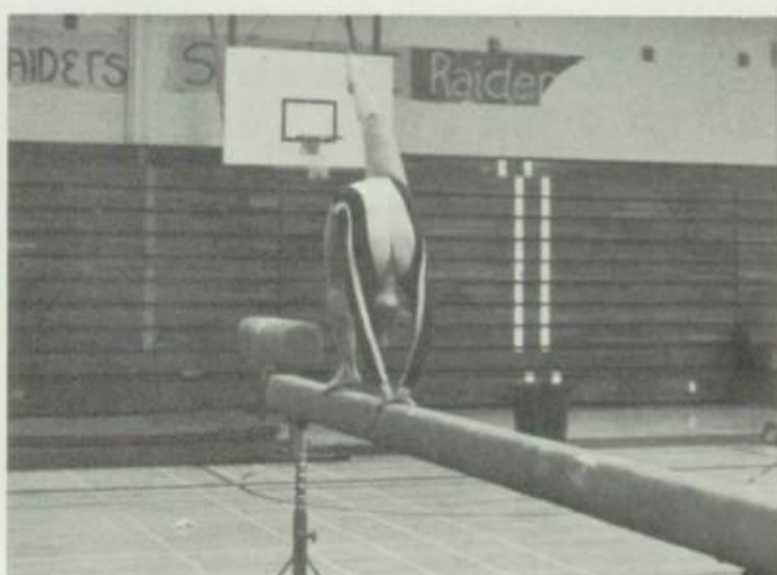

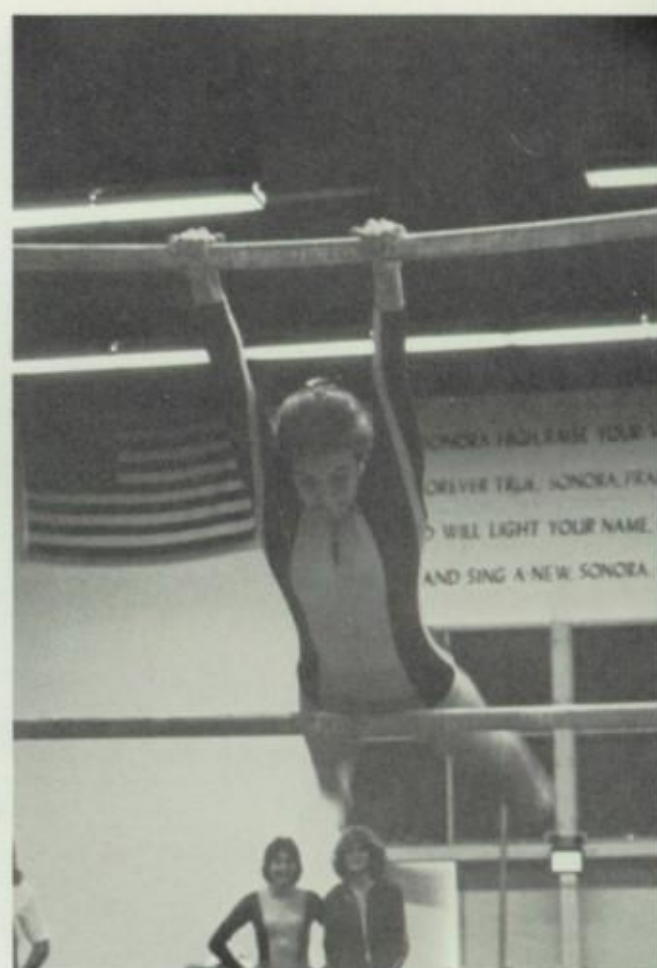

GIRLS TRACK AND FIELD

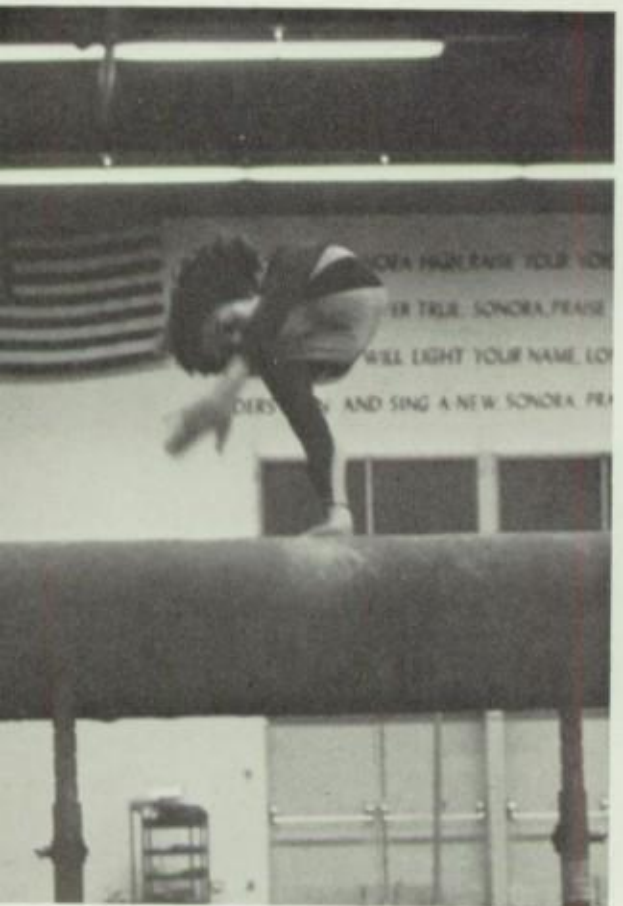

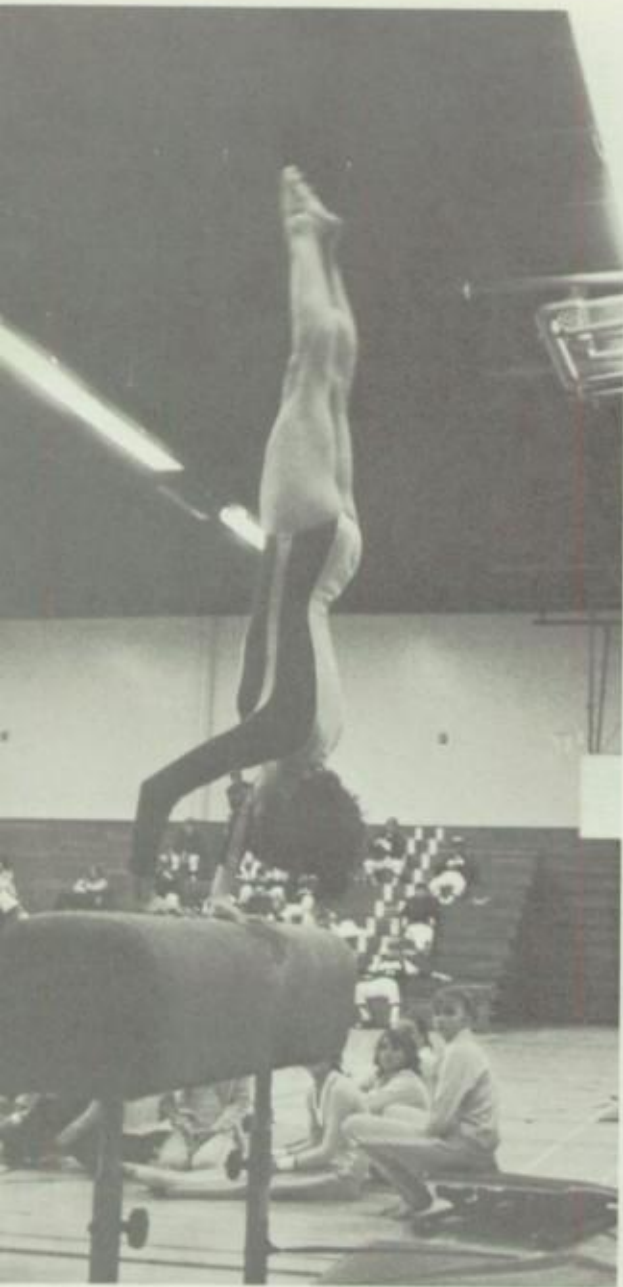

Gym-nas-tics: Body-building exercises, especially those performed with a special apparatus in a gymnasium. How's that for an interesting beginning! Well, this year gymnastics has won one meet and the rest didn't do so well, (as far as we know). Some girls alone do very well but as a team they just don't have the power. According

to Mrs. Pasquale this is their year to build, she feels that in one or two years they should be doing very well. These girls can be seen at a meet on Thursdays, or working out during first period during first semester and seventh period during second semester. These girls have done their best to represent Sonora, and one of them, Kim

GYMNASTICS

Pasquale, made it to CIF. She deserves a big hand, she won the all-around competition at the Orange League Individual Championships. Kim had a total score of 33.8 for the four events- vaulting, bars, beam and floor exercises. Her average score per exercise was 8.45. Kim's CIF record goes as follows: Orange League Finals, 1st all around, 2nd on

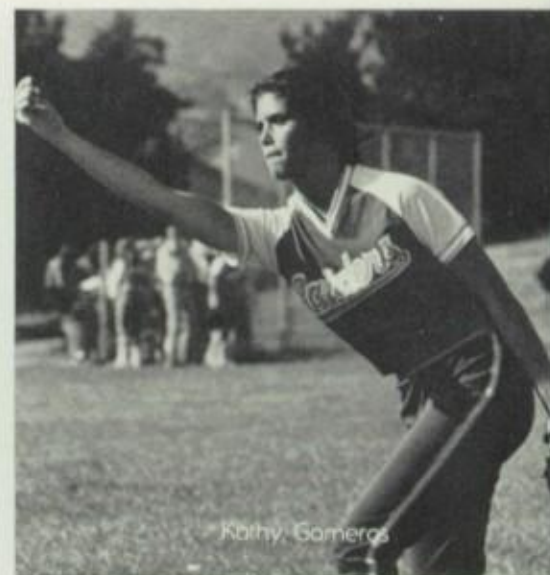

Vault 8.5, 1st on bars 8.3, 1st on Beam 8.2, and 1st on Floor 8.8. In CIF prelims Kim placed 4th all around, 2nd on Bars 8.6, 7th Floor 9.00, 7th Vault 8.8, 8th on Beam 8.65. These are just a few of the girls who are in gymnastics: Jennifer Turk, Suzette Ward, Eileen White, Linda White, Cheryl Gameros, Kellie Meinhart.

Sandra Kuhn

GIRLS SOFTBALL

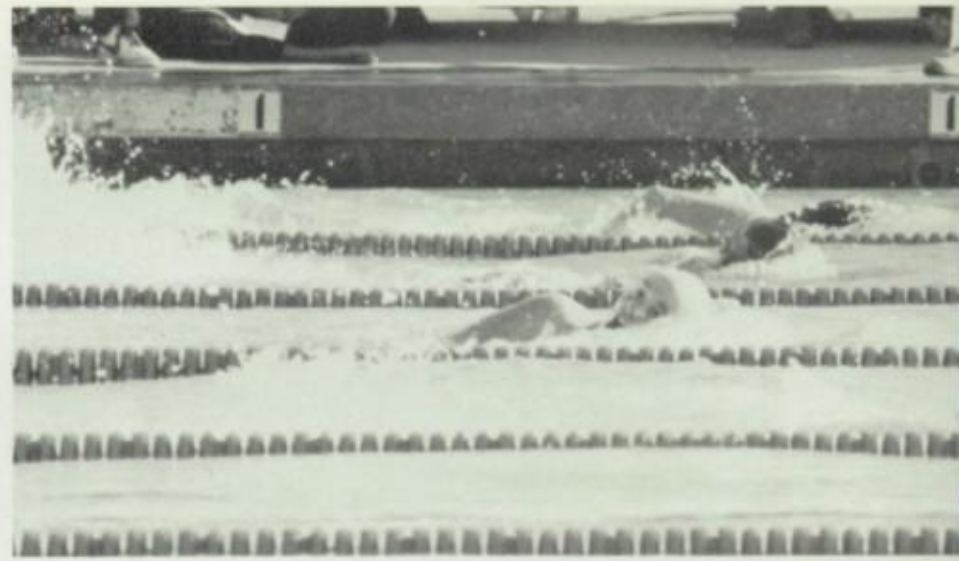

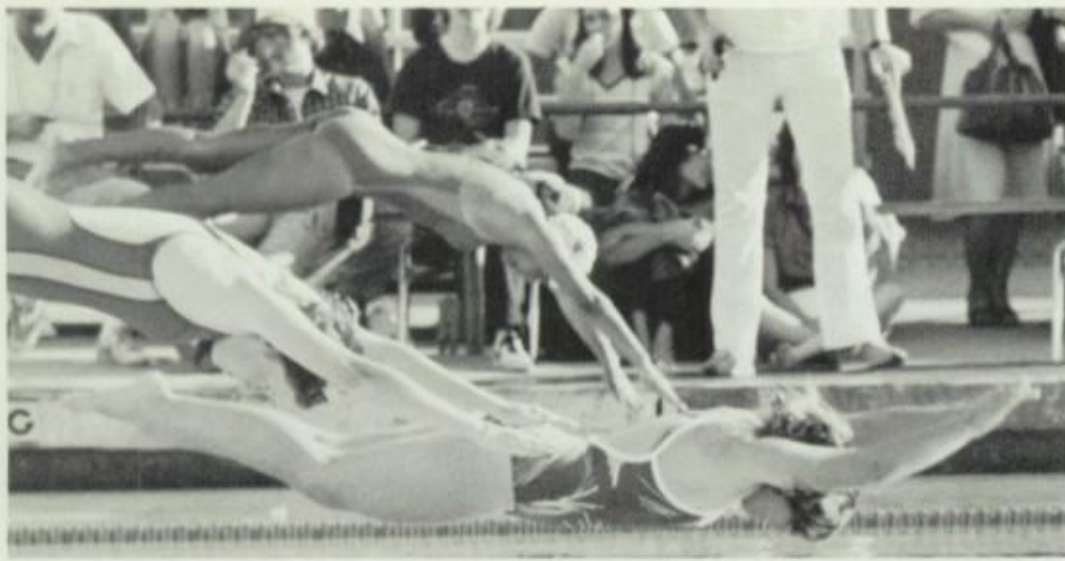

The Girl's Varsity Softball started off their season rebuilding, since there were only three returning players from last season. The team lost their first seven games in the first round but came back to blow away El Dorado, Valencia, (#5), and Lowell (#1). All of these girls deserve recognition for their efforts, so here they are: Pitchers: Tammy

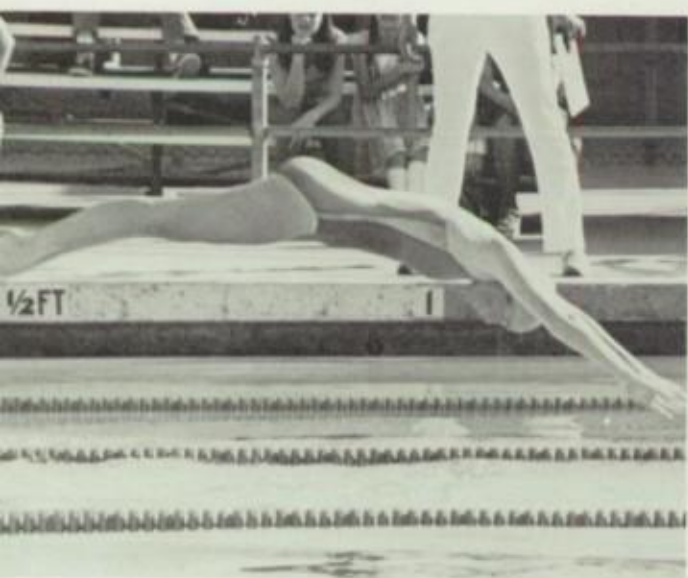

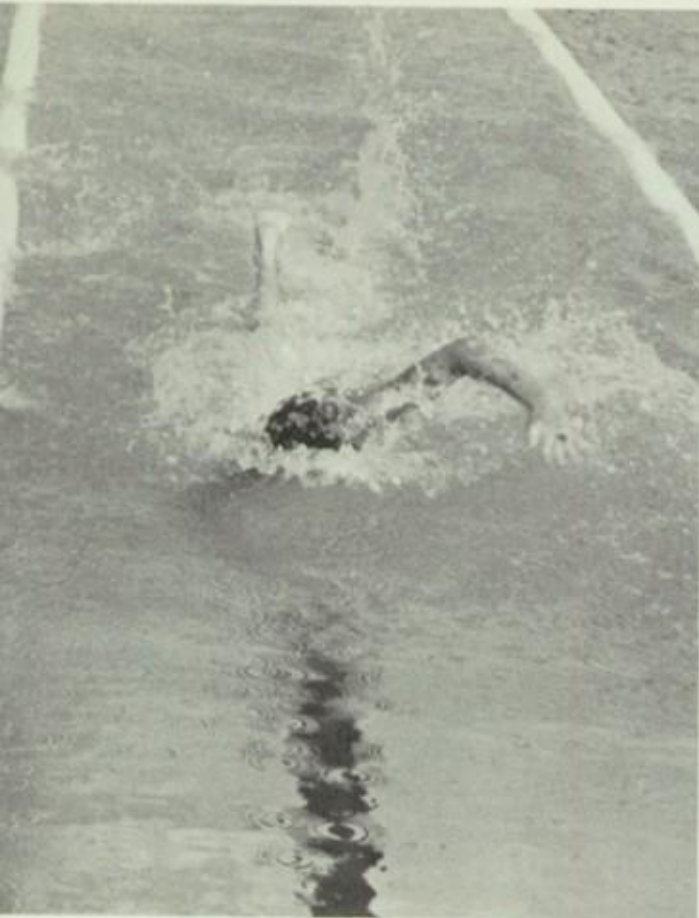

Hartley, Donna Sandello, Stacy Davis. Short Stop: Kathy Fazio, Catcher Laura Kuhn. 1st Melinda Hall. 2nd Laurie Collins. 3rd Cathy Lepora. Left field: Leticia Garcia. Center field: Kelly Meyers. Right Field: Candie Cadwell. Out Field: Ellie Longo and Chris Villaseñor. All of the girls have a lot of spirit and you should see what a radical time they

have at their games. A lot of effort, good sportsmanship, talent and dedication was put into every game.

It has been said that the joy of competition can be found in every game, whether or not you win- so these girls never really lost anything and they gained a whole lot.

SWIMMING

This is girls swimming: they have won 5 meets and lost 6. This team consists of: Nancy Chapluk, Robin Tafoya, Lori Withrow, Liza Hunter, Julie Hoffman, Kathy Gallagher, Doran Coates, Laura Kunz, Daphnie Pritkin, Lori Lysdale, Dena DeLafante, Cynthia Ashcraft, Melanie Pritkin, Julie Ellis, Missy Davies, Karen Weigle, Trisa Linn, Karen Ar-

gue, Kristi Arff, Michelle Gigliotti, Jackie Myrick, Jennifer Jackson. This team was coached by Mr. Hawkins, who really makes them work out. They start their mornings with an hourly work out, which starts at 7:00 and is usually over at 8:00. Then after a hard day of classes, they have another work out after school, which lasts from

about 4:00 to 6:00. Junior Varsity's winnings go as follows; Sonora 70, Los Amigos 34; Sonora 73 Rancho, Bosco 36; Sonora 90 Valencia 18; Sonora 83, Lowell 40; Sonora 64, Brea 60; Sonora 89, La Habra 30; Sonora 79, Esperanza 21. Now for Varsity: Sonora 87 Los Amigos 66; Sonora 93, Valencia 68; Sonora 120, La Habra 36.

GIRLS DIVING CIF BASEBALL

Sonora's baseball team finally made the California Interscholastic Federation (C.I.F.) playoffs, even though it was short lived. The Raiders lost their first round game to Riverside Poly. The Raiders jumped out to an early 4-2 lead over the second seeded Riverside team. But Poly came back with a five

run inning to close the gap and win the game 7-5. The Raiders played one of their best games of the year and played all seven innings tough. Ironically the Raiders lost to Riverside Poly in pre-season play by the same score of 7-5. Important players were (in the field) Bob Sarmay, Jeff Hendershot,

Roberto Villarreal, Alan Okamoto, John De-veraux and Tim Place. Important players were (on the bench) Steve Reed, Rob Osborne, Jim Kistler, Jeff Hagstrom and Mike Fusco.

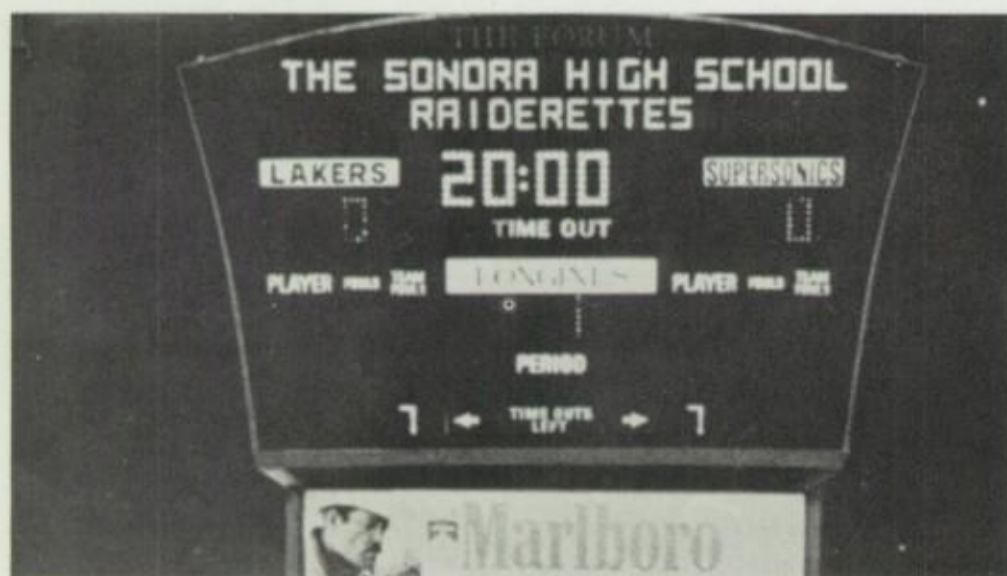

BAND/DRILL TEAM COMPETITION

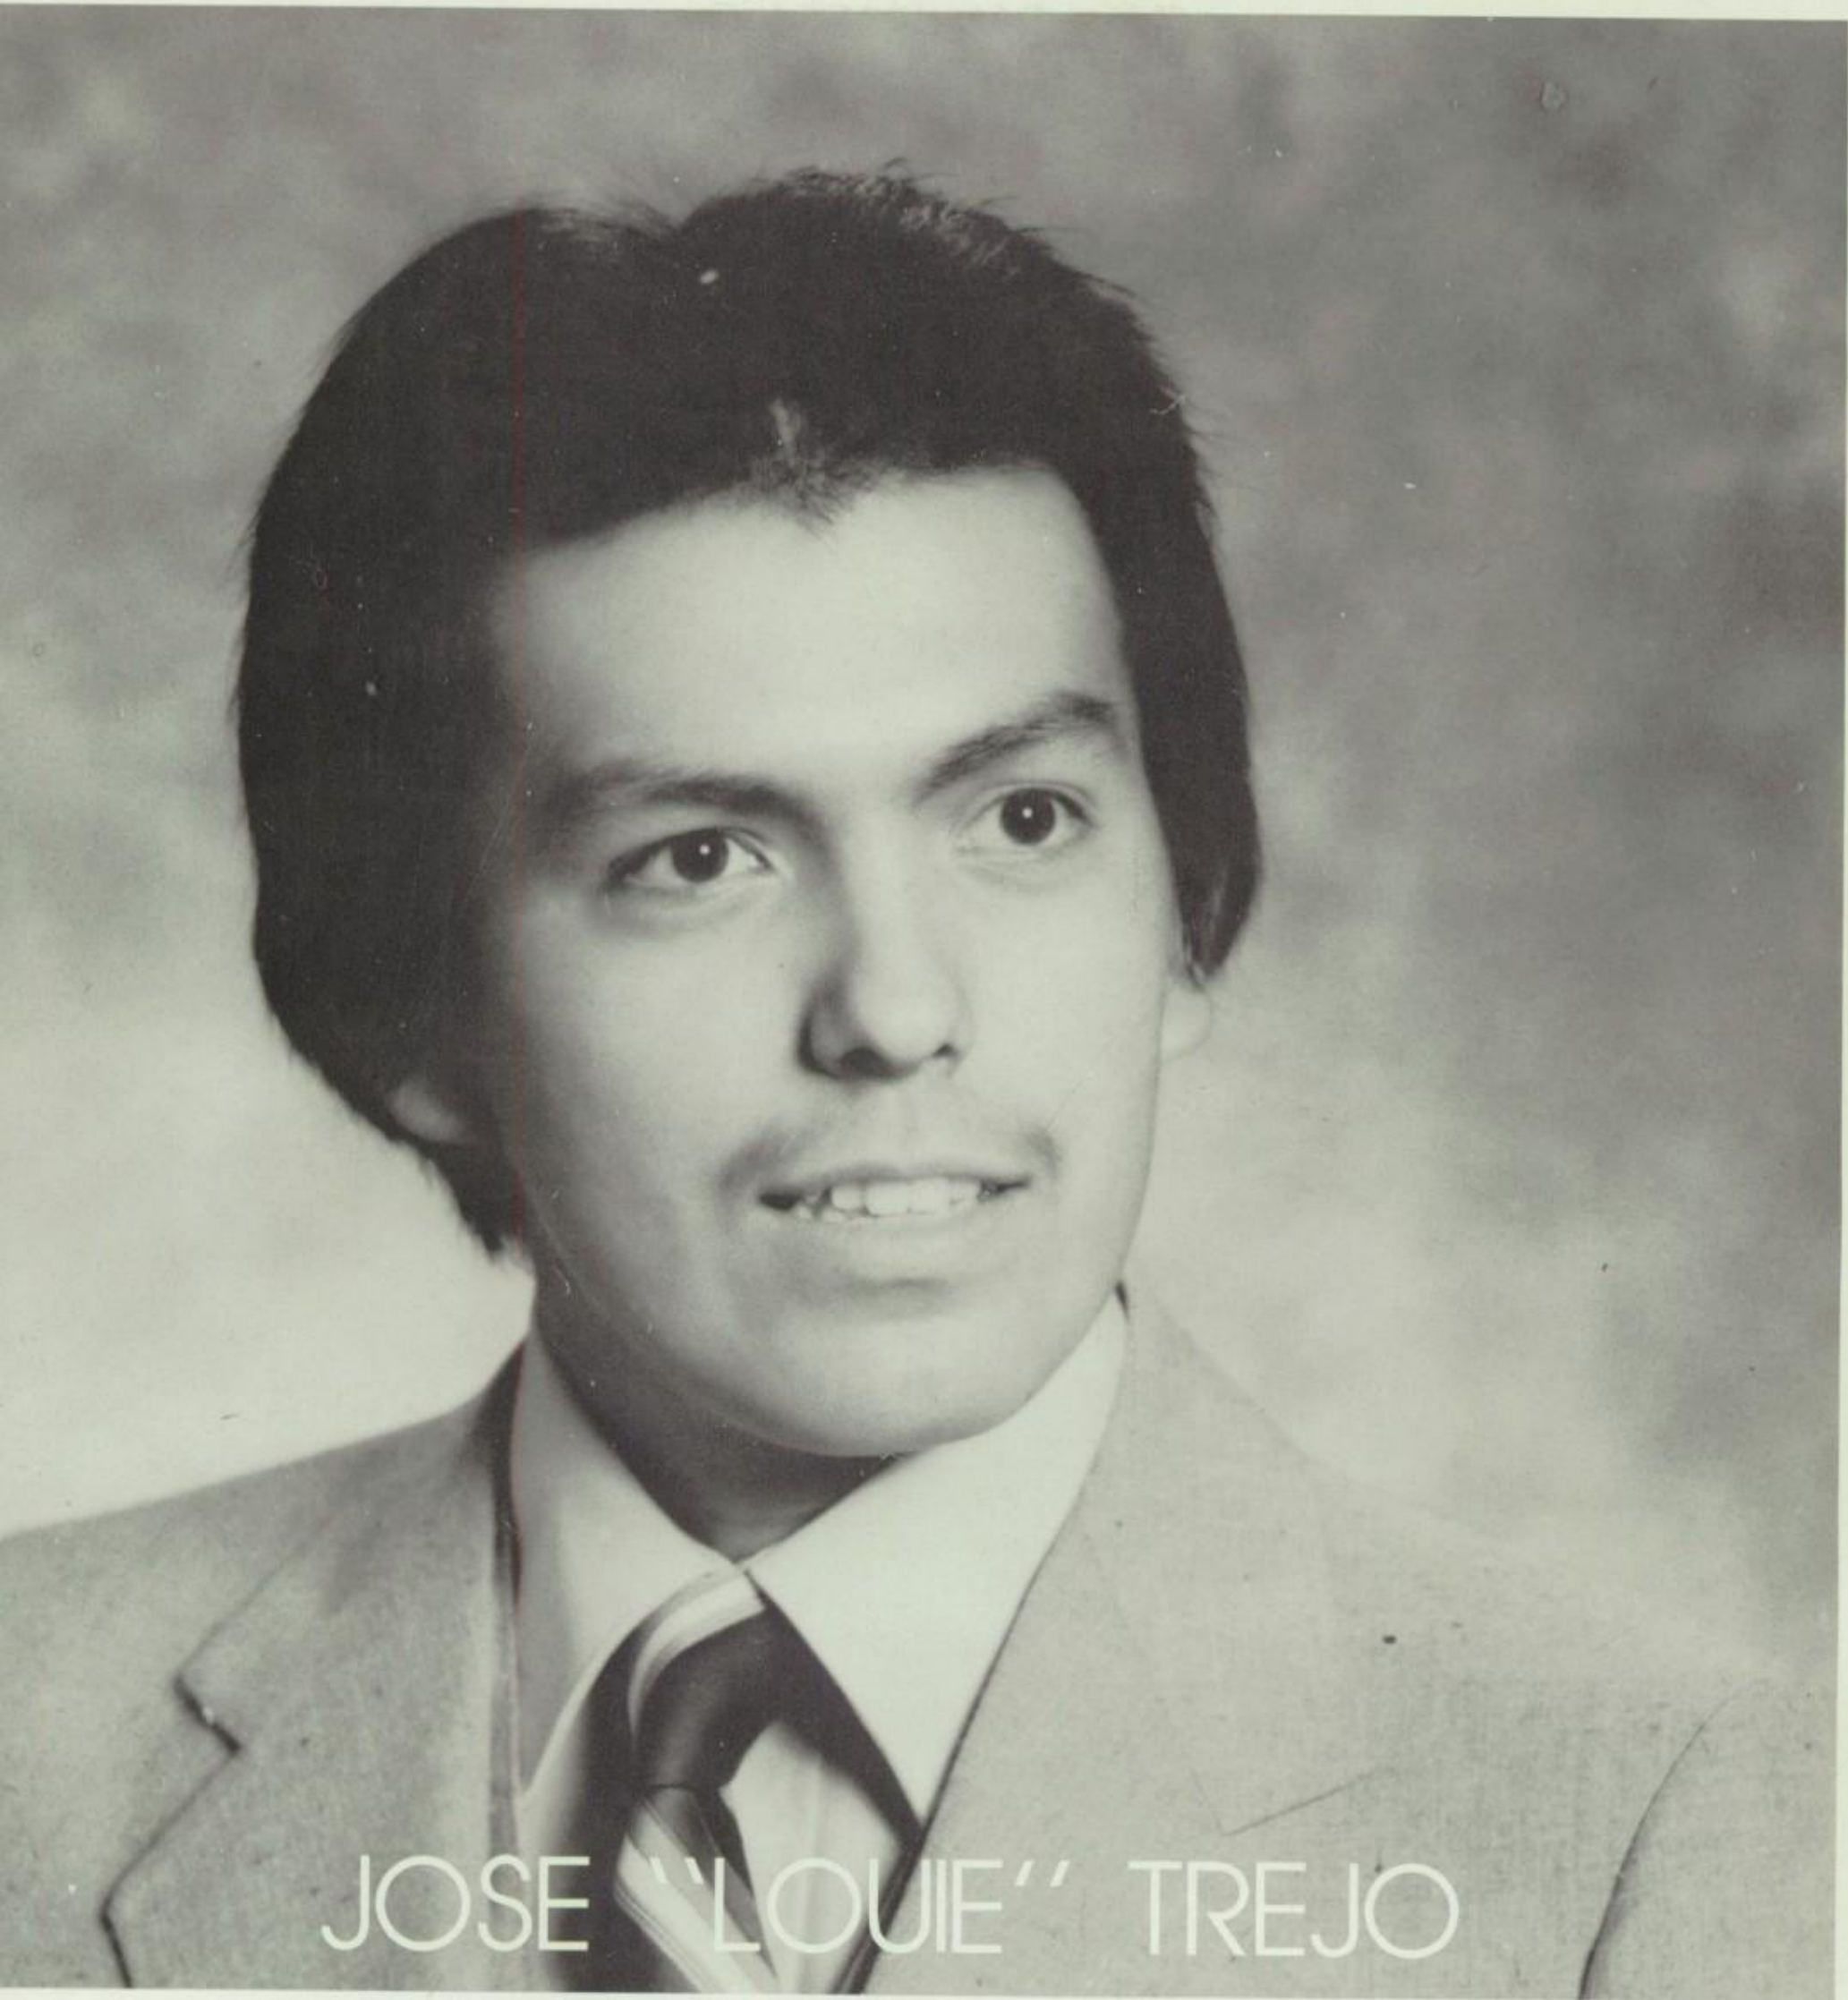

On May 18th, the Raider Band, Raiderette Drill Team and Tall Flag Team had the honor of performing at Dodger Stadium. They were competing in Dodger Stadium's annual "Battle of the Bands". The Raider Entertainment Unit did a "Salute to Show Business". They started by playing "There's No Business Like Show Business". The Raider-

ette Tall Flag performed to the Broadway hit from the Wiz, "Ease on Down the Road". The Drill Team performed to the theme from the television show "Vegas". The Band's feature song was "I Got Rythmn". The whole group did a great job. (By the way, the Dodgers beat the Pirates, 4-3.)

DRILL TEAM COMPETITION

JOSE "LOUIE" TREJO

This year's Sonora Raiderette Drill Team and Tall Flag was asked to perform a pre-game and half-time show for the NBA champs the Los Angeles Lakers. They performed at the championship game on April 22nd against the Super-sonics. It was particularly exciting because the game was televised. It was a great honor and it will never be forgotten.

Jose Luis Trejo, better known as Louie to his friends, died of cancer Friday May 30, 1980. Louie was an award winning photographer, completely absorbed in his picture taking. He is remembered as a quiet, somewhat shy person. Although Louie was in a lot of pain he managed to remain cheerful. He was extremely courageous and never complained. Those who knew him well, will miss him very much.

Seniors 160

Your senior year is one of the greatest years through out all of high school. Most students during this time go completely crazy. This is the year that most students can hardly wait for. Most of the seniors go to college after they graduate.

Juniors 198

Just one more year until graduation. It seems to be that your junior year is the easiest. This seems to be the time when you can kick back.

STUDENTS

Sophomores 218

Your sophomore year is probably the hardest year for any person, unless of course you're a brain. This is the time you get all the sex education you need. Most students do survive their sophomore year.

Freshman 238

This is the year that most students dread. Some students wish they could just skip their freshman year. The "scrubs" usually get ridiculed by the upper classman. It seems to be the way "scrubs" get initiated. Most freshman can't wait until this year is over.

Everything is behind us now as we go off on different paths to college, jobs, sleep and some unmentionable items. The years seemed long and drawn out, but as we look back they seem like flashes. Mrs. Van Oppen's freshman english wasn't bad. You probably could have gotten an "A" in Driver's Ed. That nauseating U.S. History course couldn't have been as boring as you told

your friends. Now, senior, your years at Sonora have dwindled down to a few distorted memories. You might have forgotten what you dressed up as on freshman spirit day or who the sophomore christmas formal princess was, but you know enough to compare thoughts with some one else. You might like to forget that you had Mr. Cowan for geometry, but those thoughts stick for-

ever. As freshman, we left quite a bit to be desired. We were known throughout Sonora as the "Behind the library firing squad." No one walked through that area without being hit by an aerial attack of half-full milk cartons, fruit, and dirt clods. What an appropriate spirit day theme: Circus. It was a noble attempt at a spirit day since it was the first time.

However the freshman class graduating in 80 were quite spirited. We won almost all of the pep rallies led by freshman yell leaders JoAnn Colosimo, Karen Bolin, Peggy Lenihan, Jennifer Jones, Caroline Canchola, and Debbie Corum. The officers were Craig Slattery-President, John Sasine Vice President, Susan Elmquist-Secretary, and Leslie McPeake-Pep Chairman.

Many of us can remember the dreaded

introduction to Social Science with such teachers as Mr. Schoenberg and his hot dog stand, Mrs. Saul and the ancient man, and Miss Quigley, who seemed to always get the rowdiest classes. And remember English One, when you had the most beautiful member of the opposite sex on one side of you and the dumbest kid in school on the other side.

The Christmas Formal rolls around and you say to yourself, "Self! since I didn't have the guts to ask anyone to Homecoming I'll ask a (gulp) girl to the Christmas Dance." You're shattered to find out she can't date until she is sixteen and since she is only fourteen you might as well watch the Love Boat. The freshman princess was Leslie McPeake.

You reach your sophomore year. No longer can people put you down, call you names, or take your lunch money. Ha! The aerial bombing slowed down some, but still showers of debris rained on the lower commons. However to sophomores new doors open, like the bathrooms, the locker room, and the business wing. Second year Sonora students can do more "Fun" things.

One fun thing is Health and Driver's Education. Mr. Sturgeon taught us which drugs are more potent, Mr. Lawson showed us how fast alcohol takes affect, and Mr. McIntosh explained the dangers of both when behind the wheel. We saw, I'm sure, the worst movies ever made in these two classes including a crash with plastic figures and a navy officer delivering a baby.

This was a new year for two things: The charity fundraiser and Sonora's own Tall Flag unit. For those who do not remember the dunking machine on our day of the charity fundraiser, just ask Sylvia Stocker. On Tall Flag, two "80" girls made the team, Rhonda Galbreath and Karen Turhill, who are now captain and co-captain, respectively. This was one of the best over-all years

for the Raiderette Drill Team. This was the first year for any of our class to become part of the elite group of females. Almost all of this year's seniors on Drill Team, started this year. This select group of girls may have won more trophies and awards than any of the sports, including football and basketball. The yell leaders during the sophomore year were Peggy Lenihan, Debbie Corum, Leslie

Gilman, Susie Marion, Karen Bolin, and Leslie McPeake. The officers were Vicky Keeth-President, Sylvia Srocker-Vice President, Lisa Rodriguez-Secretary Treasurer, Anna Strathman-Publicity Chairman, and Kari Stivers-Pep Chairman. This was the first of two all girl cabiners. The "Snow Ball" princess winner was the girl with a big smile, Anna Strathman. She was one of many to have an

english class with the one year substitute teacher, Mr. Winton. It wasn't long before Mr. Winton had a full beard. The only odd part was he "grew" a full head of hair from his shiny scalp one weekend. Almost everyone that had him wished he could have been a permanent teacher at Sonora. through the commons without "It's" being shouted at them at least three times. The CCC or Concert Connection Club was an organization designed to help students get information about up coming concerts and have a way to get to them. Both clubs were designed and operated by Andrew T. Beauchamp. Steve Samuelson, Shawn Judson, Scott McIntosh, and Don Hentschel were the athletic stars for the sophomore

class of 1980. Each made a Varsity squad their sophomore year. Samuelson, who played Basketball, is now the captain of the team and Judson, McIntosh, and Hentschel swam that year. All improved to become stand outs their senior year. An easy theme was picked for sophomore spirit day and every one dressed up, some unknowingly. The theme was Beach Bums, which

seemed appropriate for this class of pseudo surfers. Pep chairman, Kari Stivers, did a fine job on the event to obtain experience for other functions. Such as the prom the year after. But the months progressed, so on to the Junior year. Finally we are represented in the Varsity Pep squads. The Juniors on Yell were, Susie Marion and Peggy-Bob Lenihan. Song had

Cindy Cheshire, Dana Rumfola, DeAndrea Mason, and Liza Hunter. The Flag team carried Lorretta Sanchez, Vicky Keeth and Beth Alexander. The Zapatas were all "80" students with John Sasine, Julie Fopiano, and Laurie Whittier. Another year with new things at good ole' Sonora High School. one was a group of dancers from Japan who performed a double second period show.

Another, was the addition of the rifle section to the band. The young men from our class included; Mark Cheverton, Steve Yares, Craig Frank, Chris Aldrich and Rod Maggio. Riflemen do it one round at a time. The officers were the second and last all girl group (thank god). They were as follows. The President was Jackie Fisk. Susan Elmquist held the office of Secretary Treasurer.

Pep Chairman was Leslie Reynolds. The office of Publicity Chairman had Anna Strathman and the Prom was run by Prom Chairman-Kari Stivers. Ever since our freshman year, we have been winning Pep Rallies. I guess it's the class of "80" with the biggest mouths. The junior spirit day theme was The Jungle. Everything from lions and tigers and bears (oh, my!) to

natives were represented. Many of the animals came to school that day in a very "happy" mood. Spirits were flying that day. Well, here we are. What can I say? We are Seniors! We made it through every natural disaster including Biology. We surpassed the finer points of Algebra I. We climbed to the peak of mount homework. We made it to our Senior year. Our last year of school. We're at the beginning of the end, what-

ever that means. Now we start our lives. The year started off nicely, with the complete Senior class being held by the Police Depr. of the two neighboring cities at two o'clock one morning. This was the beginning of a long day. Vandalism, totaling to more than one thousand dollars seemed to start the day off on the wrong foot. The day was saved by the lunch time parade

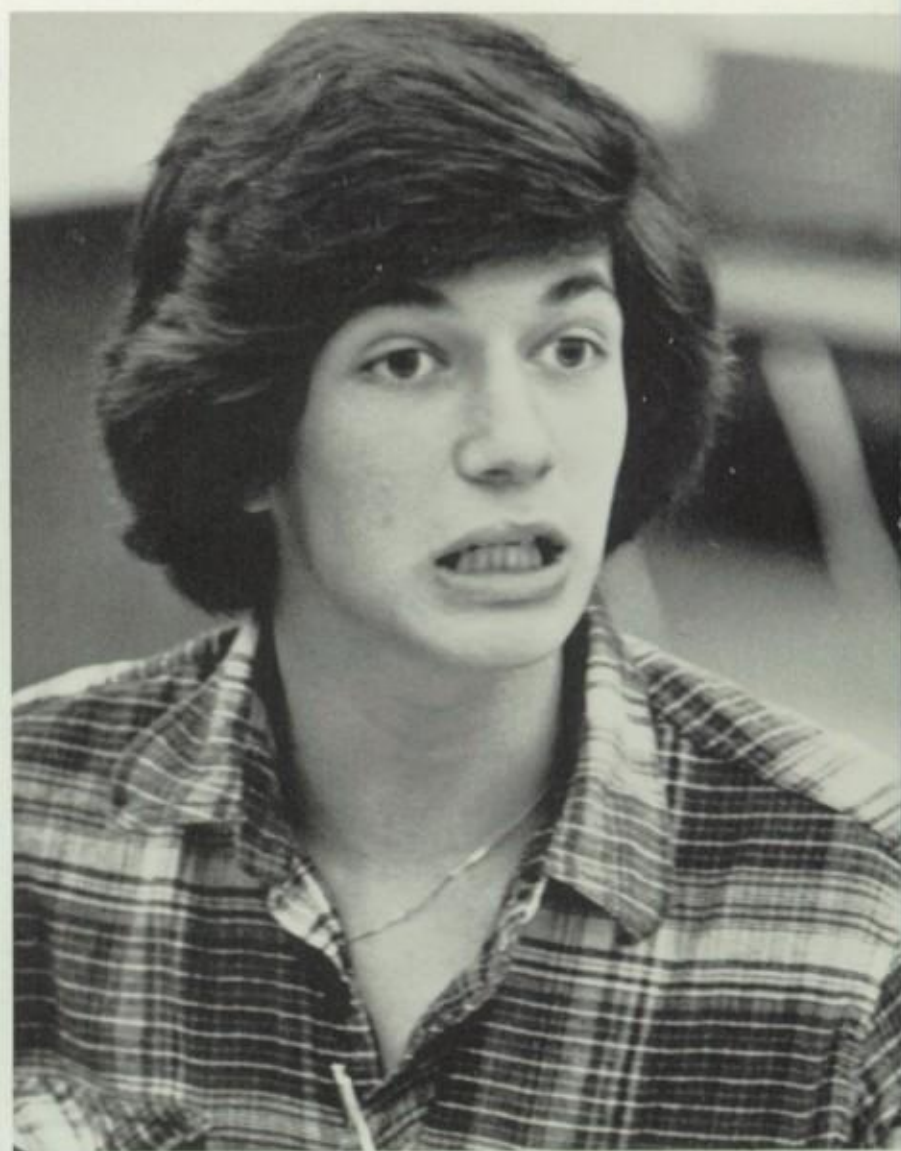

and an inspiring Tinker Bell. Enough of the negatives, now for the positive. Homecoming! Finally the Homecoming King and Queen are from the class with class, 1980. The Queen was Drill Team member Jolene Bird. The King, a running back on the Raider Football Team, was John "Butch" Denne. The corvettes that brought the court on the field added just a touch

So what are you going to do? Move out? Get married? Have kids? (not necessarily in that order) Get a job? Go to College? maybe you can become a teacher and attempt to go on strike for higher pay and then except a raise. Some of you are able to vote. Will it be a peanut farmer or a boot-legger's son? Are you making plans? Are you making a mess? Well Boys and Girls, I don't know about you, but I'm sure ready

to graduate! It has been fun but I'm not taking the five year plan. Goodbye teachers, goodbye classes goodbye **HOMEWORK** !!! Hey, you guys have a nice life. I plan to. Take it easy, Craig Slattery. The end... the once distant, long awaited finale of our public school education has passed completely. It's over folks. Close the curtain, pack away the scenery, take off your

make-up, stop! Wait a minute... just for the fun of it why not run the whole show once again? Strike up a chord, light up the stage, **PLAY IT AGAIN, SENIORS. FRESHMAN YEAR-** The first day of the freshman year is probably the most confusing day of the high school drama. Suddenly we are surrounded by people who are OLD and TALL and SOPHISTICATED! We are expected to

travel to classes that have tiny little numbers to mark them and no doors and shock of shocks, we even need to fill out book cards in almost every class. Mrs. VanOppen expects us to learn big vocabulary words for every letter of the alphabet, and Mrs. Dunham wants to put grasshoppers on number lines. Everything is a bit wonky for the first four days. The announcements are even too complicated to comprehend. Within a

month we need to know how to use the Social Science resource center. How we wish you were back in good old junior high! Yet, in a week or two everything has settled to a new and exciting routine. High School certainly has more to offer than junior high. (You know you've adjusted when I.S.S. becomes dull) A good many of us begin to set up housekeeping in our own

little corners. To make ourselves more visible (remember, we're still only freshman) some of us have lots of fun throwing half full milk cartons, fruit, half eaten burritos and dirt clods in the area behind the library. Everyone, of course, knows we're mere freshman, so we just let them know that we know too. In about a month, we demonstrate that even freshman have enough

intelligence to vote. We have an election that puts the New Hampshire primaries to shame. We go a bit campaign happy because we're finally big news at school. The eyes of the upper classmen are finally upon us. In the end we chose our officials. Our president is Craig Slattery, our Vice President John Sasine, our Secretary Susan Elmquist and our Pep Chairperson Leslie McPeake.

With the help of these officers we get ourselves organized enough to terrorize the school on our first Spirit day. The theme is Circus-quite appropriate for such a collection of clowns! We find, though, that even freshman must turn their attention to school work. We manage to suffer through I.S.S. and ancient man and we are even able to stomach English I. We learn to jump at the

sounds of bells (or the sight of a member of the opposite sex) We begin to enjoy starting school at 8:00 on Mondays, Tuesdays, Thursdays and Fridays and sleeping in on Wednesdays. We finally stop carrying little organizer notebooks and begin to use Pee-Chees like everyone else. We manage to win almost every Pep Rally we attend (to the disgust of the upper classman) and are

really helped in this effort by our personal cheerleading squad including, JoAnn Colocimo, Caroline Canchola, Jennifer Jones, Peggy Lenihan, Karen Bolin and Debbie Corum. All in all, we assimilate very nicely. A big test of our high school identity comes at winter formal. At homecoming the male factor of the class is to shy and/or inept to even consider asking a *female* to a formal

dance. Yet at Winter Formal time the guys ask themselves, "Self! I will have to ask (gulp, blush, perspire) *that* girl to Winter Formal. I have finally saved enough money from my \$2.00 weekly allowance to afford a corsage and mommy promised me she would drive me in our Ford LTD. Daddy said he would help pay for dinner as long as I went to the Sizzler or to Spires. Therefore I

must ask that (gulp, blush, perspire) girl." The guys are happy to find out, that although she can't really date until she's sixteen. She can go with you as long as both pairs of parents sign a permission slip and she's returned to her door at exactly 10:30 p.m. With all of these regulations, however, the freshman class makes a good show at Winter

Formal and watches Leslie McPeake crowned as Freshman Princess. After Winter Formal, the freshman year falls into a pretty steady pattern of school-weekend-school. The administration has signs painted on all the doors to help us find classes. The music department stages a fantastic production of Oklahoma and there's all sorts of scenery in the theatron. In March the girls all recipro-

cate the boy's invitations, by blushing and gulping and asking HIM to Sadie Hawkins. Later in March we all have our eyes and ears tested for our favorite sophomore class-Driver's Ed! We do a career unit in I.S.S. and have lots of fun filling out JOB-O forms and listening to career movies with groovy music. After completing that unit, we learn all about urban planning and are allowed to

creatively design our own cities. In English I we are exposed to our first Shakespeare and learn to copy quotes from *The Merchant of Venice*. We manage to finish our last quarter as freshman, but we can't understand why everyone gets so excited on the last day of school. Just as we're getting into the swing of things, everyone is throwing paper all over the halls.

After an eight week break, we all return to become sophomores. This year is definitely the high point in our high school education. We are too old to be trash-canned by the upper classmen and too stupid to realize that school isn't everything. If you couldn't date in your freshman year, the Sophomore year is THE year to begin. The first real opportunity for all the 16 year old

sophomore girls to begin dating legitimately is the Snowball. Planned by the Girls' League, each class is allowed to pick one princess and we all band together and choose Anna Strathman to represent us. Following the Snowball, little or nothing actually happens in our Sophomore year. Of course, some of us begin to drive real cars and a few of us sit in biology and earth

science classes and become scientific, but most of the action is in Health and Driver's Ed. The sophomore year ends with a whimper rather than a bang. The Junior year begins with computer programmed schedules. On these wonderful by products of technological advancement finds his/her schedule with everything in the wrong order. Many of us learn of a sex

change we didn't know we had. In about three weeks, the classes are finally in order and we can once again begin the wonderful (and FUN) process of learning. Unlike the sophomore year, the junior year is active and exciting. This is the first year that none of us are required to take P.E. if we do not want it. We also have new little stickers on our ASD cards: we can legally "go out to

lunch". This is not to say that we haven't been on a continual lunch break already. Now lunch break is legitimate. These little actions foreshadow our growing maturity, which is highlighted by our Spirit Day theme. For one day we become lions and tigers and bears, turning Sonora into a frightening jungle. This spirit day was well-planned by the second all female cabinet in 1980 class

history. President Julie Johnson, Vice-President Jackie Fisk, Sec/Treas. Susan Elmquist, Pep Chairperson Leslie Reynolds, Publicity Chairperson Anna Strathman, and Prom Chairperson Kari Stivers demonstrate once again the power of women. Pep is maintained by Varsity Yell leaders Susie Marion and Peggy Lenihan, and by the

other Junior girls on the various pep units. The school mascots, (Zapatas) are all Juniors and include John Sasine, Julie Fopiano, and Laurie (Lynn) Whittier. School-wise our Junior year is pretty dull until May. May is PROM!!! May is Junior Prom!!! What else could any high school student ask for? The acme of our high school education is no longer distant. We have suffered through

U.S. History and Algebra 2 and the modern atomic theory. Suddenly even American Lit. loses its excitement as prom grows near. But, then, it's all over and we become SENIORS! Thank goodness, we are finally SENIORS!!! We are complete upper classmen in the true sense of the word. All most all natural disasters have been overcome, and we are able to say that we have

survived. The year begins very nicely. We were allowed to choose our own schedules in the end of our Junior year, so there are fewer things to argue with the counseling office about. WE are introduced to two classes that rank below Health and Driver's Ed in excitement value — American Government and Teen Con. We all enjoy the little weddings and baby

showers (or parents without partners parties) and we really love doing such challenging things as political happenings and supply and demand graphs. It's tough work, but we get about as much out of it as we did Health and Driver's Ed. Our Spirit day comes very quickly, but it is hampered by a cruel act of vandalism. Many members of our class are confronted by the supreme law

enforcement agency of the city of La Habra during the night. This unfortunate incident really mars the whole Senior Spirit day, but the Disneyland theme is perked up by a lunchtime Electrical Parade and an inspiring Tinkerbell. Senior Spirit Day is followed by another 100% senior activity. Homecoming is the last of the great 1980 dances. This year the class chooses Jolene Bird and Burch

Denne to represent them as Homecoming King and Queen. Much has happened to us during our brief stay at Sonora. Many of us remember caffeine-drenched Saturday mornings that we forfeited for SATs and Achievements and the weeks of agony between college application deadlines and acceptance of denial mailing dates. We have changed a good

deal as a class and as individuals, we are finally ready to enter the so-called "Adult World". We are beginning to make plans for our futures, rather than our summers. Tired as we are of homework, attendance lists, and morning announcements, however, there is a certain melancholy in leaving four years of security and teenagerism.

What will happen to the class of 1980? There will be successes, failures, and everything in between. Who will marry? Who will pursue a career? Who will attempt both? In leaving Sonora, we will be leaving each other. Some of us may never see each other again. The end of our days at Sonora signals the physical death of the

1980 class. It is our duty to maintain its life in spirit. It has been an interesting four years and we have done our best to deal with it. With a big sigh and a bit of relief we should applaud our accomplishments. In retrospect even Health and Driver's Ed looks somewhat educational. Onward life!!! Wishing you success and satisfaction, Ellen Singer.

Tori Ledbetter-Pep Chairman

Kristi Arff-Sec./Treas.

Kristi Arff-Publicity Chairman

JUNIOR OFFICERS

198 Students

This year for juniors has got to be the hottest year yet. One of the main reasons is due to our fantastic, all-female officers. Leading our class was the outrageously radical Caroline Mulder, as President. For the past three years Caroline has been involved in making the class of 81 the terrific class that we are. She was freshman publicity chairperson, and a great help during fundraisers.

Taking over the responsibilities of vice-president was Roula, (Rula Lenska) Nabor. Besides participating in the leadership of our class, she has also been involved in modern dance and girls league. This is Kristi Arff's first year in leadership, and she did a great job as secretary/treasurer. In the past she has been active in cross country. Keeping the junior class informed of all activities and fun-

draisers, is the ever-active Kris Dietz. Besides being freshman pep chairman, Kris has also added her outstanding talent to the sports program. The spirit of 81 was kept alive by the wild and crazy Tori Ledbetter. She was in charge of spirit day and responsible for the outrageous activities the juniors have participated in

during pep rallies. Tori was a freshman cheerleader and another great asset to our sports program. The last of our junior class officers is the hardworking Wendy Buchi as our Prom chairperson. She was in charge of organizing the Junior-Senior Prom. In her sophomore year, Wendy was the class secretary. Thanks are due to these fantastic females for all their hard work and effort.

This year the class of 81 had a successful

Spirit Day with almost everyone dressing up. Our theme was Famous People. There were many famous faces around school such as, Charlie Chaplin, Steve Martin, The Unknown Comic, Nixon and Carter, Keystone Cops and many others. Many weeks before Spirit Day were devoted to poster painting parties and other preparations. Poster painting parties have always been

fun. There is always a lot of participation, and most of the time, a few posters get painted! Our football team consisted of many juniors this year. They all did a great job, and hopefully their experience will benefit our team in the future season. Basketball is another talented sport which consists of many talented juniors. Track is an event in which

both boys and girls of the class of 81 have always excelled. Both distance and sprints are handled easily by our runners. With the help of all these athletes, our senior season is sure to be a winner. At the pep rallies this year, the juniors were very enthusiastic, to say the least. The class of 81 was responsible for most of the rowdiness. A large part of our spirit was provided by the cheerleaders.

Betsy Brunner, Julie Varner, Candy Winkler and Lonna Keeth are the four juniors who make up the six-member varsity yell squad. All six songleaders belong to the class of 81; Alison Dymond, Karen Jones, Judy Reeder, Karen Serbin, Doreen Smith and Teri Ward. Three Flag twirlers including: Donna Horst, Leslie Lenher and Lori Lugo. And two Zapatas; Shelley Hagadorn and Tony Napoli. This

should be the beginning of great pep units in the coming year. Winter Formal is always a popular event, and along with the excitement comes the nomination of the winter formal court. The junior princess nominees were Kari Baca, Tracie Davis and Kris Dierz. At the dance, Tracie was announced the winner. Kris Dierz has been nominated three

years in a row, winning her freshman year. This was Kari Baca's second nomination. She won her sophomore year. Junior year is one of the most important years of High School. For one, we are finally UPPER CLASSMEN. We can now terrorize those little scrubs, and immature sophomores, because, we are of course the greatest. Junior year is also of course the greatest. Junior year is also a year for growing up. We

finally have our licenses and the responsibility of not wrecking daddy's car, or for the more fortunate, not wrecking our brand NEW car. Now that we are on the road, we can participate in many more activities. The drive-in is always a great time, or parties and other exciting things in this fun-filled town. One of the other never ending privileges of being a Junior, is open campus at

lunch. We now do not have to endure the food, drinks and other objects being thrown across the commons each day at lunch. Being a Junior has many advantages, but there is still SENIORITIS to contend with. You can always tell a senior, they're the ones that step on you without saying sorry. The ones who steal your Chemistry homework with the excuse that they have

graduation requirements to fill, the ones who comment on how young and immature everyone is. But in times of need we Juniors and Seniors stick together. After all we are *upperclassmen*. Many of us are starting to feel the twinges of SENIORITIS, and we still have one more year to endure. Well, party on Juniors, and we might be able to make it. One of the classes required

for Juniors is good ol' U.S. History. We all know how much fun that can be, don't we? All of those exciting films and worksheets. When the lights went out for films, there was more activity than there is at most school functions. (If the teachers only knew). A lot of our energy and liveliness has been expressed in athletics. In football, the 'most Inspirational' award went to Luke

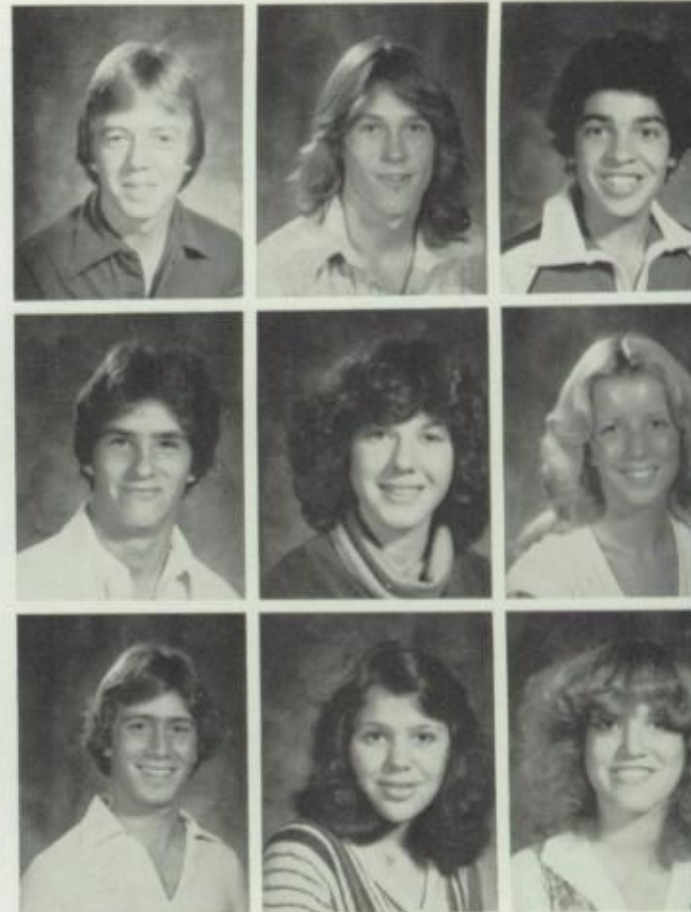

Gernandt, who is also dedicated to track. Dave Robinson was another Junior asset to the football team. He was among the list of ten others as a League Leader, in receiving. Jim Stack did a great job as back-up Quarterback. Tom Harvey was a mean tackle, and there were numerous others who graced the field with their talent. Pere Dandley and Neal Johnson proved to

be valuable athletes to Sonora. They represented the class of '81', by their efforts on the basketball team. They continually shared honors as leading scorers in the games as well as the league. We can look forward to them as prominent players next year. The men aren't necessarily the most dominant in athletics today, proven by our female athletes. The girl's volleyball team made

it to CIF this year. They didn't win, but they sure put on an exciting show. Kris Dietz was a Key player, winning all-league honors. Karen Choate was another outstanding player, along with Paula Knudsen. An anxiously awaited event which is the height of each year, is the Junior-Senior Prom. This event, which comes about in the spring, is solely by the Juniors. Money is earned by

various fundraising activities, such as MGM sales, cake walks, Kisses and Kandy Kanes, and many others. This is an event where the loyalty and dedication of the whole class is needed to provide success. And finally we Juniors could go to this favorite occasion. (that is if we asked someone or got asked). Otherwise there's next year.

Throughout the first two years of high school, the selection of classes was limited. But now that we are part of the upper class, we juniors have much more freedom. Although English is now required for all four years of school, we now have a choice of several different English classes. Creative Writing, Essay, American Literature are just to name a few. So, whatever your specialty, there's a class for you. Now that we are

in our third year of school, we have suffered through most of our required classes, we can go home a lot earlier by taking Home, or we can select the easiest of classes. Alternative School is another great advantage, and they accept juniors and seniors. But, along with the freedom comes the worry of college. Now is the time to consider what we want in life. The PSAT test is available to those juniors who want to see

how they will score on college entrance exams. This year for the annual charity fundraiser, the junior class held a Newleywed game. It cost 25¢ and all contributions went to CHS. Bobby Gomez acted as the game show host. He wore a white tux rented from Allens Tux. The couples participating in the game were: Kris Dietz and Mike Cerjak, Tracie Davis and Bob Petrey, Sylvia Stocker and Steve Mc Dermott, Nancy Chapluk and

Scott Ishihara, and Caroline Mulder and Steve Rajcic. Some of the outrageous questions asked by the M.C. were: "What was the first thought you had when you first met your husband?" A few of the ridiculous answers were: nasty, hot dog, and skinny.

Another question asked was "What underwear is your husband wearing right now?" Also, "What vegetable does your

husbands nose remind you of?" The strange answers were: Zucchini, Carrot, Cauliflower, Banana and Eggplant. A question asked to the husbands was "What fruit does your wife's chest remind you of?" A few of the replies were: oranges, coconuts and figs. The husbands were also asked "What is your wife's favorite dessert?" Rootbeer Floats, sausage, and "me", were

a few answers. The last question Bobby asked was "What will your husband say is the funniest place you ever made WHOOP-EE?" The Beach, back of a car, Slip n' Slide and a trampoline were the husbands replies. Tracie Davis and Bob Perrey marched the most questions and won the game. Their prizes, don-

The sophomore class of 79", or otherwise known as the class of 82", is very fortunate this year to have been represented by the greatest class officers that they could have asked for. These sophomore class officers just so happened to be five very responsible

girls. These girls were: President-Cissie Gallagher, Vice President-Jane Chapluk, Publicity-Melanie Livingston, Secretary-Patti Acker, and Pep-Celine Dusablond. Each girl had her own responsibility to help make their sophomore class nothing but the best. They suc-

ceeded in doing so by contributing their efforts to a certain job that had to be done. They helped by having different kinds of fundraisers and also by improving our school with new ideas.

The class of '82' showed never ending spirit and unity. They had a shining freshmen and sophomore year and they are looking forward to two more shining years as juniors and seniors. The student body has done an excellent job of representing their sophomore class. They worked hard to raise money and think up new ideas to improve the class of '82' and most of all, *Sonora!*

With the help of every sophomore they had fantastic victories in everything they did! The sophomore spirit day was just another victory to add to the list. Almost every Sophomore participated to make the day a real success. The theme was "Make-Believe" and they decorated the school with bright colors and artistic posters. Special thanks to all of you who helped with the decorating!

The shy freshmen class of a year ago, proved to all that they were no longer in hiding. At pep rallies they all joined together to shout, stomp, scream, and yell, showing us all that they had spirit and were proud of it! Some of the Sophomores did not miss one football game. They really showed us their radical and outrageous ways at these every important social gatherings.

The sophomore year has been known as the year of discovery and change. The first thing the sophomores discover is that they are no longer freshmen and the school does not seem so big and they actually know the names of some of the students. Some of the other discoveries that were made came from everyones favorite sophomore course. Yes, you guessed it! Good ole Health Education!

Another famous class that every sophomore anticipates is the one and only Drivers Ed. Drivers Education might be one of the most boring classes offered at Sonora, but as long as it will get a sophomore his or hers drivers license, it's considered worth all that boredom plus some. Anyway, everyone has to have at least one of six classes to sleep in. Don't you agree?

The poor sophomores really have it rough. They go through so much in the tenth grade. First, they have to put up with the freshmen scrubs, along with everyone else. Then it seems like forever until they can get their licenses and then when they do get it, they can't use it because Mom and Dad won't let them borrow the car that often. And to top that off, they are too young for most jobs. How is a person supposed to survive?

This years Winter Formal Dance was really exciting; especially for the three girls who were nominated for Winter Formal Princess. These girls included Missie Davies, Kelly Meinhardt, and Sue Montanaro. The lucky winner of the three nominees was none other than Cheryl Ladd's look-alike, Miss Kelly Meinhardt! She was very excited to be chosen!

The junior varsity cheerleaders did an outstanding job this year! They participated whole heartedly in pep-rallies and encouraged their teams with all our enthusiasm! We thank Jeannine Arce, Lori Lysdale, Stacy Worely, Harrilyn Galdeira, Aleena Corona, and Missie Davies for doing such a fantastic job at being terrific cheerleaders!!

Sonora would also like to thank all those sophomore girls who participated in the Sonora Drill Team, this year. These girls are: Claudia Crespín, Susan Fitzgerald, Cynthia Goldsmith, Kathy Heeres, Dana DeGrerorio, Nadine Lu, Kristy Dickenson, and Lisa Stinnett. All of you sophomore raiderettes did a fabulous job on this years Drill Team!

All of the sophomores this year were pretty nice and they were well respected by many of the upper classmen. (Hopefully that won't go to their little heads. That's all we need is a conceited junior class next year.) They seemed to have had pretty much fun this year, especially since they were no longer scrubs. Just wait till they go

through the next two years at Sonora!

If they think that it's hard to get good grades as sophomores, I can't wait to see the expressions on their faces when they take their first Algebra 2 or Physics test. As the years go by, school becomes less fun and games and it is taken a little more seriously. The only method of making

school fun is by getting involved. Going out for sports, running for an office, terrorizing the faculty, all good ways of getting involved. If students don't get involved, then they might tend to cut their classes and go to the beach. In other words, they'll get wise to what the rest of the other students

at Sonora are doing during school time. The only thing is, is that they can't get too many cuts in any one class, or else they will lose units and they'll get stuck taking all six classes during their senior year. Wouldn't that be a drag?

The Sophomore year is considered to be the most boring with the exception of three things. One of the important things is that these "new sophomores" are upper classmen, but they're just upper-lower classmen (and the real Upper-classmen are there to remind them of this.) The next step for the squirrly sophomore is his Driver Ed Class.

Here, a faithful Mr. Davis reaches the soon to be driver, all the rules of the road, but once they turn 16...LOOK OUT! The last but the best happening for the sophomore is Health Ed! Not only do Sophomores take this class (legally), but many freshman try to sneak in and lots of seniors come in for a little brush up!

FRESHMAN OFFICERS

Pep Chairman
Dana Belone

Advisor
Joanne Pasquale

This years freshmen officers consisted of four girls and one guy. The lucky guy was The President Bob Buchi. The lucky ladies were Vice President Tami Boyer, Secretary-/Treasurer Jenifer Hanson, Pep Chairman Dara Zane and Publicity Chairman Dana Belone. Each one worked hard to get the class of '83 off to a good start. The highlight of the year for freshmen is "Spirit Week".

It's quite different from "Crazy Day" in Junior High School. One day of the week is set aside for each class to dress up according to their topic. For the freshmen class this year it was "Wild West". The idea of this is to see which class has the most spirit by dressing up. The easiest topic is always given to the freshmen so as to get them all to participate.

This year the freshmen class of '83 proved to be quite spirited. Many came dressed as cowboys with their jeans, guns, cowboy hats, and plaid shirts. At lunchtime there were different contests and festivities held in the amphitheater in the lower commons. A true test of courage for freshmen is wearing a type of clothing revealing your identity as a freshmen.

For example: many wore shirts with sayings on them such as "Freshmen Rule" "Class of 83 Rules" and Freshmen are #1". The result was usually trashcanning and of course the loud voiced opinions of upper-classmen from all over. No matter what the upper-class men said or did, it never stopped the scrubs from displaying their spirit. The scrubs yelled their hardest at Pep Rallies.

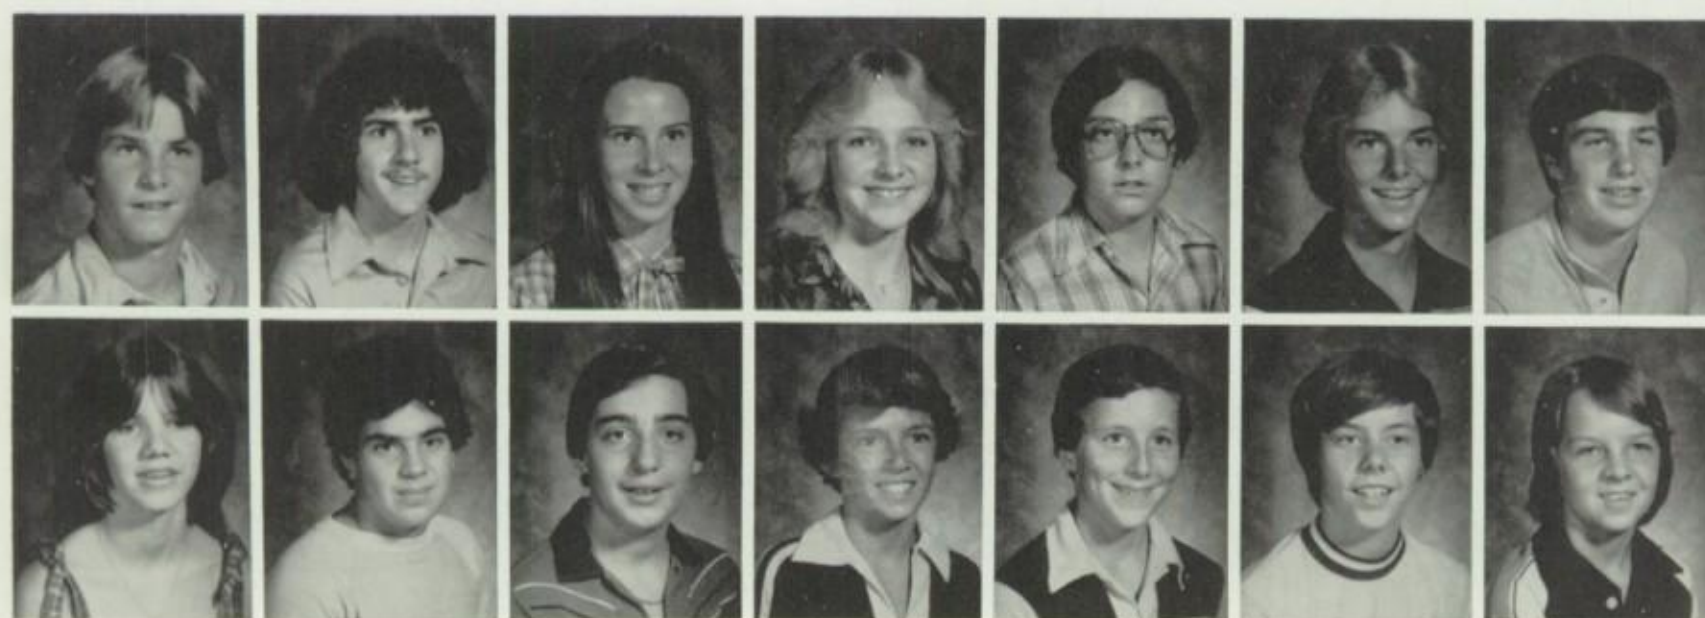

Notice that almost always all the scrubs would show up for the pep rallies. As for upper-class men, they weren't really interested anymore except for the first couple of rallies at the start of the year. The story is the same every year. So you hate your freshmen year??? It's the same story: all your friends went to another school and you've got no one to hang around with, or

you feel like your in jail staying indoors, the name "scrub" is really making you sick, taking the bus is a drag, or you just plain hate Sonora. What do you do? Well how about running for a class office? It's a great way to start liking school, to get involved in campus life, and make new friends. If not, the best thing to do is to smile alot, and say hi, and be friendly to your fellow freshmen.

How tiny the freshmen guys are! Too bad they're so short. It seems as if the male half of the freshmen class is getting smaller and the female half is getting taller. Tough break guys!! Despite their height they were quite outgoing. Many attended the formal dances. The hardest part for the guy is getting the nerve to ask a girl to one of these affairs.

For many guys it was a fellow freshman. He also had to make sure his date wouldn't wear high heeled shoes, and be two or more inches higher than him. Next, he had to buy tickets, a corsage, pictures, dinner at a fancy restaurant, (no Sambo's or Spires) either buying suit or renting a tux, and of course he had to find a way to transport him and his date. Since a freshman can't yet

drive, either mommy or daddy have to play chauffeur. Of course all this gets to be expensive. Many freshmen leave it up to mommy and daddy's pocketbook to provide for this gala affair. The only thing the girl needs to provide is her pleasant company and a boutonniere. The guys get to relax though because the tables turn when the two girl paying dances come around.

Valentines and Sadie Hawkins are both good ways to ask the guy you've had your eye on all year out to have a good time. On occasion if the guy is a real gentleman, he'll pay for part of it. At the football games, you could always tell who were freshmen by the way they would keep walking back and forth in the stands looking for all their little friends and a place to sit. But, when the time came that they got

settled down, the game was over. And how about the after game dances? These were big events in a scrubs weekend!! When the dances were over, they would all be in front of the school waiting for their mommy and daddys to come pick them up so they could go home and go to sleep! After all we can't expect them to stay up after their bedtime. They're young pre-

teens and need all they're rest. At lunch time you could always spot a freshmen crawling under the senior's legs to get up to the front of the line. Instead of eating the food they rushed to get, they used it for ammunition. But, we can expect this kind of behavior from the freshmen class because we all acted this way once. Really though, they're good kids.

Every year Sonora has a Winter Formal and every year a princess is chosen from each class. It was a rough choice to choose only three nominees from the freshman class this year, but it had to be done. So, a vote was taken to select three pretty freshmen. The nominees were; cheerleader Beth Varney, Stacy Smith, and Susie Yackey. The winning princess was Susie Yackey. Congrats!

The freshmen cheerleaders did a nice job of showing their class spirit. The girls tried out at the end of their eighth grade year and practiced hard all summer long. Most of them even spent some of their precious getting-ran time at a cheerleading camp. The 79-80 cheerleaders were; Lisa Dourillier, Julie Heeres, Kathy Ricks, Sheila Riordean, and Beth Varney. A good job was done by all.

Freshmen need not be discouraged by all the puns and crazy antics directed at them. It's just normal treatment that all ninth grade students go through. You not only get it in high school, but also in college too. It's a phase that every new freshman has to go through, whether in high school or in college. It will soon pass as all phases do. Really, this year's class of 83 is rough!!

The class of 83 has done a good job at being involved and active in the many activities here at Sonora. They pretty much seem to know what's going on around here, and manage to look busy. Most of the freshmen were fairly nice people, although they were pretty weird. They look like they're having a pretty nice time here at Studnora. Wait til the next three years here though. It'll become the biggest pain (if

it already hasn't that is) Keep busy! That's the only way to survive. Yep, that's the way to do it or else you'll start cutting all your classes and go to the beach. In other words, you'll start to get wise to what the rest of the other students at Sonora are doing during school. Not really! You can't get too many cuts in any one class or you'll be stuck with taking all six periods in your senior year or even worse, the five year

plan!! Now that can be pretty upsetting. As the freshman class noticed, the classrooms were quite doorless. Asking upperclassmen directions to a class usually results in people getting lost all over the place. What happens is they give the lost scrubs kind-of out of the way get-lost routes to their new classes. But this year the freshmen class of 83 shouldn't have had any trouble finding

their classes because each wing is largely labeled as to what it leads to. The new students get distracted very easily by anything or anyone that passes by the openings in the walls. In fact they actually seem more interested in the things happening outside of their class than in.

But then again who isn't? Freshmen are kind of a hard subject to write about be-

cause they haven't been around long enough to really establish anything yet. They adjusted very well to being picked on, embarrassed, and harassed. Just wait until they can get another reputation other than "scrubs". Next year they'll have a chance to be mean to the new freshmen, which incidently will probably have even shorter scrubbies than this year. "Freshmen go

home", is one of the typical phrases used each year by the upperclassmen. It's just as traditional as dumping freshmen into trash-cans. It's fortunate that the smaller people of the class hang around together, otherwise there would be alot of them getting stepped on and sat upon by the bigger guys!!

So what does the future hold for a freshman? Earlier this year the possibility of Sonora closing next year was a big scare. The thought of spending their remaining three years at La Habra or Lowell just depressed each student. Well, there's no need for concern anymore. The possibility of any Sonoran going to another school (unless you move) is very unlikely at this point. There is

however a good chance of more class of 83 students coming next year. Well, next year the class you've all been dying to take will be at your disposal. Yes, of course, I'm talking about Drivers Ed. Now that your at the point to start driving, the prices of gas are outrageous. For many it could be a setback. Many of you are also probably thinking how great it'll be when you gra-

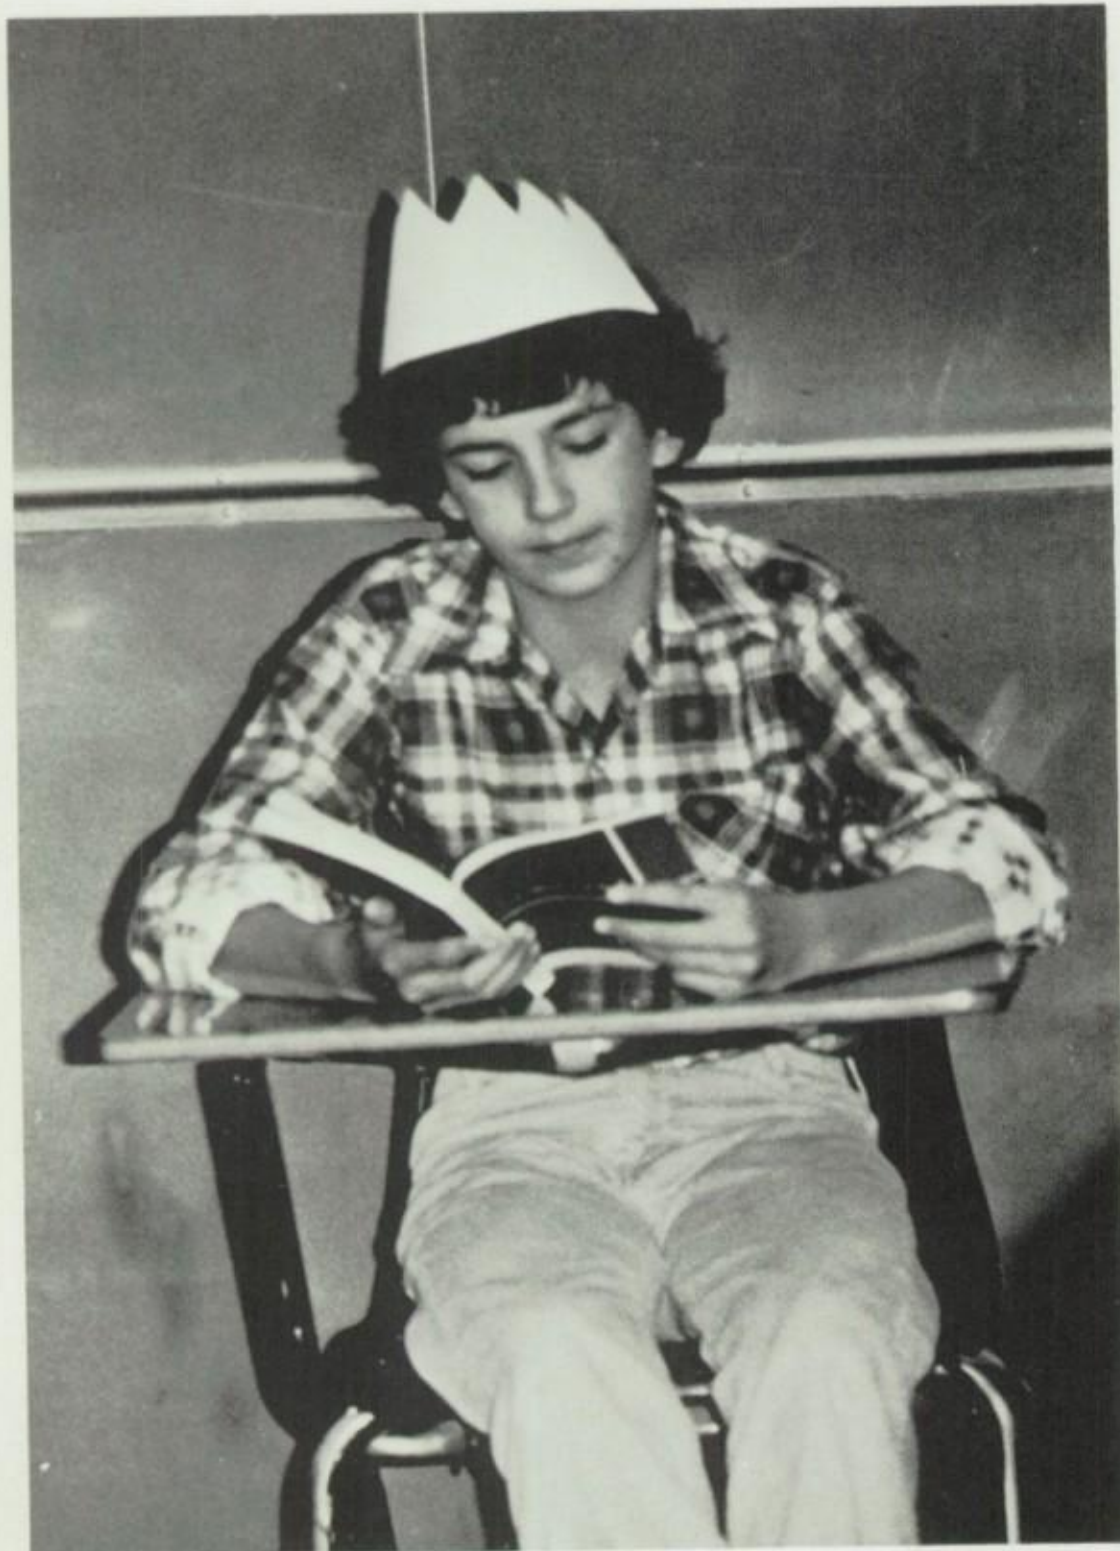

duate. If only you knew how many seniors wished they could be sophomores next year instead of going out into the "Big World". You're quite fortunate. The draft could be one of your biggest concerns right now. There are also the seniors who wished they were gonna be sophomores again so they could go back and make-up for the way they messed up earlier. Really fresh-

men! In this day in age, school isn't really complicated or hard. It doesn't take much effort to pass all six classes in 9th and 10th, and four in 11th and 12th grades. Right there you've got 200 credits. Don't forget the required goodies. Is it really worth all the regrets in your later years??? It's all up to you. Your next three years here at Sonora can be short and memorable or they can

be long and quite frustrating!!! During the Charity Fund Raiser Week, the freshmen class sponsored a pie throwing contest. The event was held during lunch in the lower commons. It all took place in the amphitheatre. Dozens of students gathered to see their friends and enemies being embarrassed. Pie shells were filled with lots of whipped cream and thrown directly into

the faces of the unfortunate victim. It all turned out to be a hilarious event for everyone! Freshman participants included the following brave sports; Dana Rainier, Stacy Smith, and Dayna Liss. The total gross was \$13.60. Many thanks to all who participated. A freshmen's schedule can get pretty boring. The typical schedule is as follows; Math, P.E. I.S.S., English I, and two electives of your

choice. These may include any of the two; Art, Science, Home Ec., Wood Shop, Metal Shop, Business, which also includes shorthand and typing. The top contenders for most boring are I.S.S. and English I. Most of the freshmen P.E. classes were quite successful. They played a wide variety of sports including swimming (which we all had to go through), basketball, soccer, softball, volley-

ball, and tennis. The Introduction to Social Science classes were a new thing for freshmen, and believe it or not, most all of them survived all the films on ape men! Maybe some of you upperclassmen never noticed it but Sonora has it's own indoor playground. It's located behind the library near the science and math wings. This is where they would all gather and play games or

just sit on the wall and watch all the people go by. It was hot! Well, a year has come and gone quickly. It was a year of new friends and new faces. It was also probably one of the funniest years of high school you'll remember for the rest of your life! What a joke when one looks back on it. Being a freshman wasn't one of the easiest things, but it brought good memories!

Administration 260

Contrary to popular rumors, the administration *is not*, repeat *is not* a place where spiked fruit punch and "funny" chocolate chip cookies are distributed! Those freshman will believe anything! In actuality these school officials insure the smooth functioning of school activity. (A good example would be our smooth and hassle-free absence system.) Congratulations!!

Principals 261

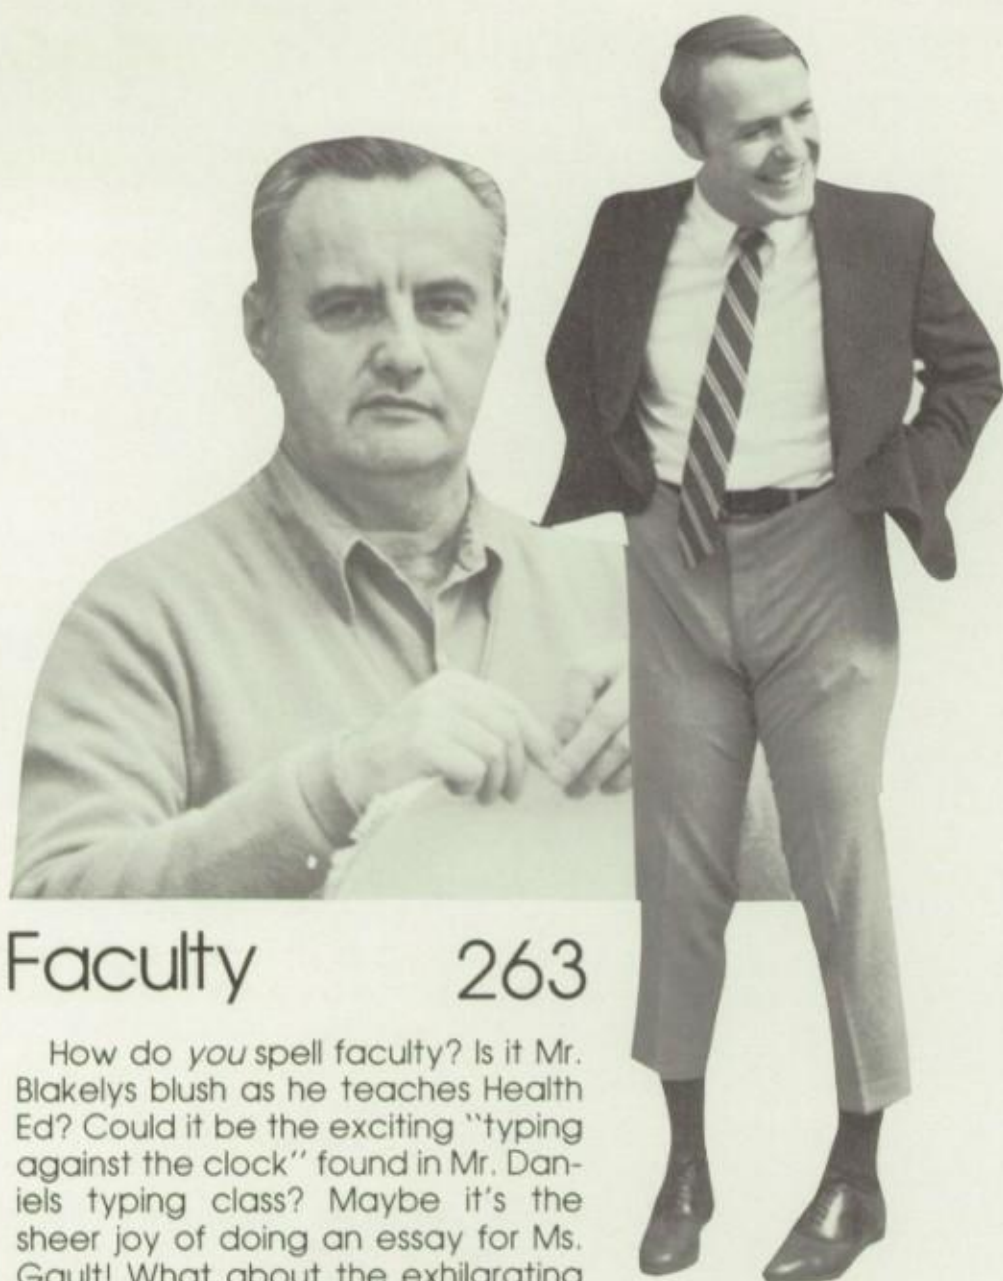

These cool "pals" can often be seen cruising around the campus in their brown convertible loafers and souped-up sports jackets. They're really a group of nice people and can help one a lot. You should drop by and visit them sometime! Some lucky psychology students found out that Mr. Seeland is really an INTJ, or was it an ESFP or ISTP?

Counseling 262

Does your math teacher give you the eebie-geebies? Were you placed in Spanish 5 when you're only limping through French 1? These problems and more are what the counselors try to solve. If you ever need help, the best thing to do is to leave Mr. Teddy Bear and blanket at home and talk to one of these special people. Remember life does go on!!

FACULTY

Faculty

263

How do *you* spell faculty? Is it Mr. Blakelys blush as he teaches Health Ed? Could it be the exciting "typing against the clock" found in Mr. Daniels typing class? Maybe it's the sheer joy of doing an essay for Ms. Gault! What about the exhilarating feeling you get when Mr. Hawkins walks around with his shoes off? Who can overlook Mr. Feasters jokes? (#37 is a real funny one!) The experience of finding yourself in Mrs. Launers Psychology Class? Or do you go for M.O.M.s cultural experiences? (suicide burrito is my favorite!) Oh-and who can overlook Dougie Stanton and his "cult" of faithful followers who *still* laugh at his joke? (He only has one joke.) I just don't think he ever noticed that everyone in publications wear ear plugs.

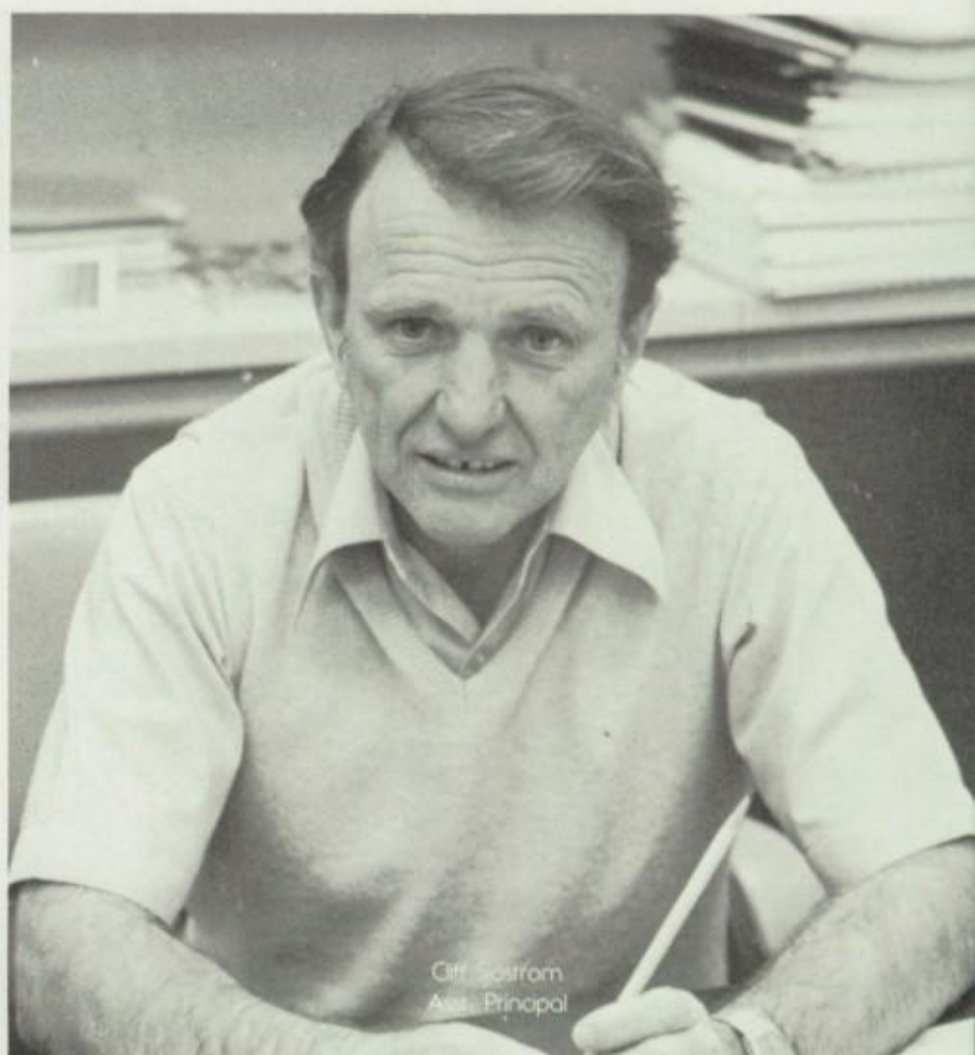

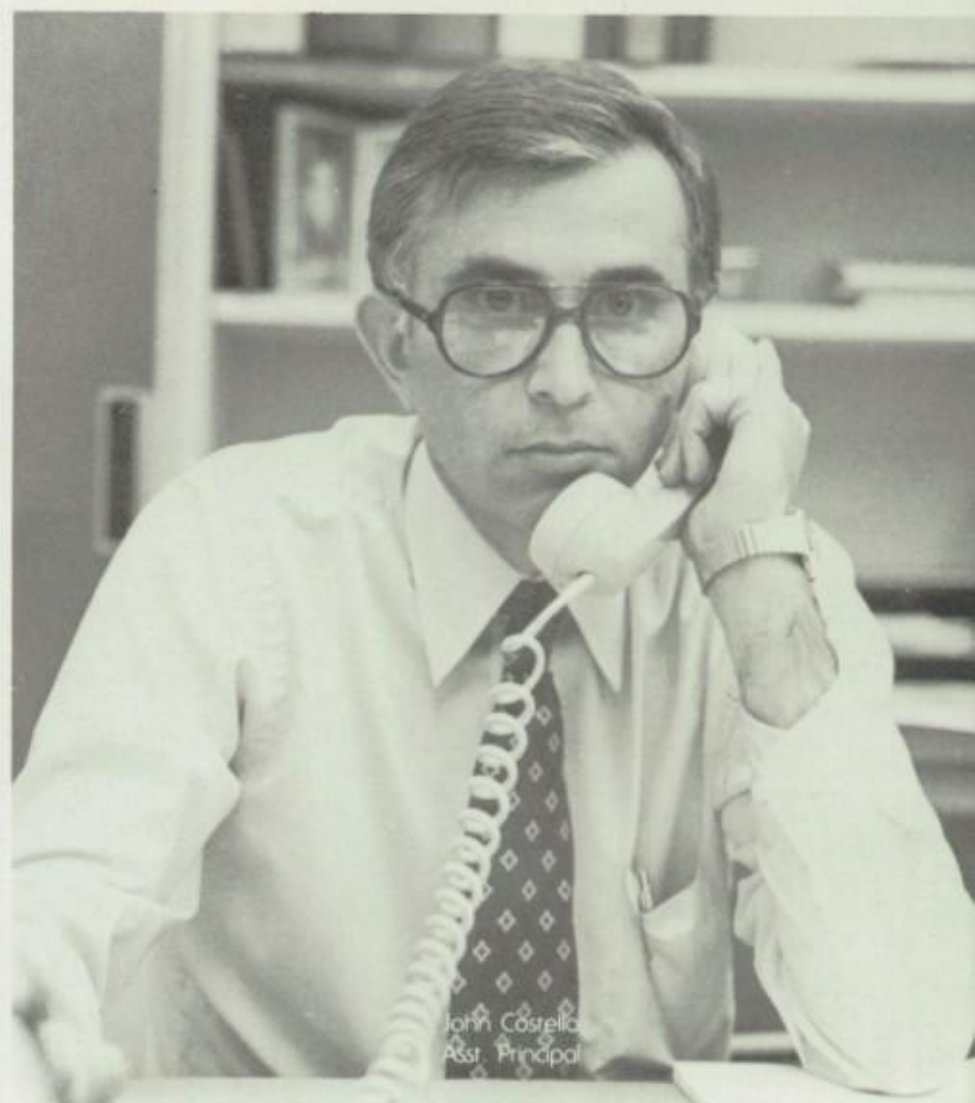

STAFF

The Sonora Staff members are those hard-working, dedicated people who are responsible for organizing the misorganization of the counselors. A lot of work, time and brain cell usage are involved in their never-ending tasks.

When you first walk into the front office, you see smiling faces, frustrated faces and tired faces, *BUT* you don't see those secret faces . . . Now we tell you what the staff does behind closed doors. A lot of time is spent crying into wads of hankies, throwing pencils, punching Teddy Bear in the mug, yelling obscenities at their plants and throwing Harold the pet rock into the coffee pot.

On the brighter side, we see how the custodians keep close company with Mr. Kleen and the Pine-Sol lady (she doesn't do windows) and a dump truck (for after lunch). If it weren't for this intrepid team, Sonora would soon look like Brea-Olinda Refuge Center . . . BUT NO . . .

The Principal this year was Mr. Seeland. He has the job of overseeing all student and teacher activities, he has to deal with parents and the Board. He carried out each job and did his best in each of the situations he faced. Mr. Costello, the Assistant Principal in charge of Pupil Services, provided programs and services designed to assist students in

the development of their educational, personal-social and career potentials. Mrs. Harris, the Assistant Principal in charge of Student Activities, worked closely with the ASB cabinet and did her best to make our school activities safe and fun. Mr. Sjoström, the Assistant Principal, is in charge of Instructional

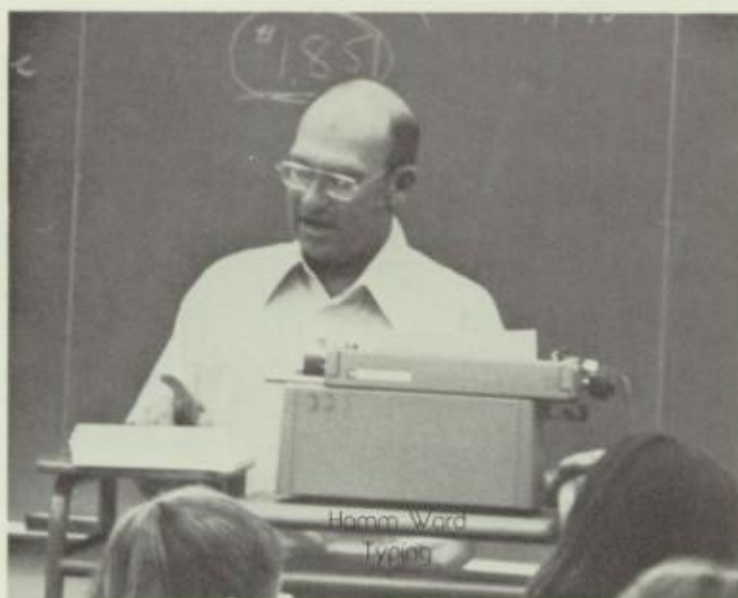

Services. He had to work closely with the teachers and the department to succeed in a program beneficial to all. The counselors Ann Test, Dick Gephart, and Hellen Ray, were there when you had a problem or questions about school or career potential in a particular field.

Agriculture provided students with opportunities to develop an understanding of California's most vital industry. Student learning was developed through classroom and outdoor activities where students experience agriculture with a "hands on approach" by raising selected plant and animal projects. Agriculture students had the opportunity to exhibit their projects at several fairs and

shows. The art curriculum was designed to provide the student with basic and advanced skills in the areas of fine arts, applied arts and crafts. The courses were planned with emphasis on individualized instruction which allows the student to develop skill in areas of his or her own choosing. A few of the activities included creating animated films, developing drawing skills, analyzing

theatrical films, throwing pots on a potter's wheel, designing wall hangings, or many others. The Sonora Business Education Department provided courses designed to meet a variety of life's needs. These included: preparation for entry-level jobs in business; preparation for students who plan to major in business; budgeting.

The English program had two parts this year, English 1, English 2, and junior-senior electives. The first two years were organized to give extensive practice in the mechanics of English, the skills of writing, and the understanding of literature. In the second two years, the junior or senior student

could select from a variety of English courses which would sharpen his skills and broaden his background. The English program helped both the student planning to go to college and the student planning to enter the world of work.

The home economics department offered a wide selection of courses designed to enable students to explore areas of interest which would enrich their daily activities or prepare them for possible vocations. Courses were designed to teach varying skills, to reach personal student objectives through individual or group work, and to assist students in becoming intelligent con-

sumers. The primary objectives of Health Education this year were: 1) to provide students with the information necessary to care for their own physical, mental, and social well being; and 2) to equip students with the knowledge, skills, and attitudes to assist them in intelligent choices of health products and services.

The industrial arts program provided students with an insight and understanding of industry and its place in our society. All courses allowed for development of industrial problem solving as it relates to materials, processes, and finished products.

The music curriculum was designed to develop the student's aesthetic and cultural awareness as well as to enhance his skill

and poise as a performer. Each course emphasized an understanding of fundamental musicianship skills. The mathematics program encompassed a complete college preparatory sequence of classes, together with classes designed to bring students to a satisfactory level of competence in basic mathematical skills. Our own elective classes,

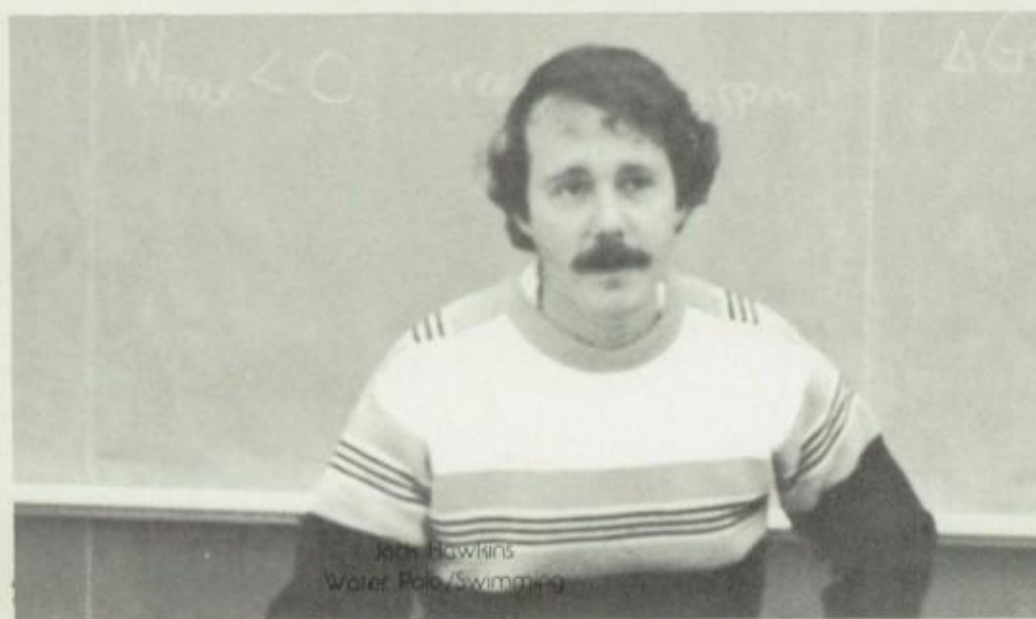

along with the availability of R.O.P. programs and advanced classes at nearby colleges provided enrichment for the highly motivated or gifted student. Our ultimate goal was to provide all students with the best mathematics education possible, in order to meet whatever needs they might have in their future lives.

The physical education department offered students an opportunity to participate in daily physical education activities and an opportunity to prepare for career development. The department also met the state and local graduation requirements in physical education. The department also provided students the opportunity to exercise in

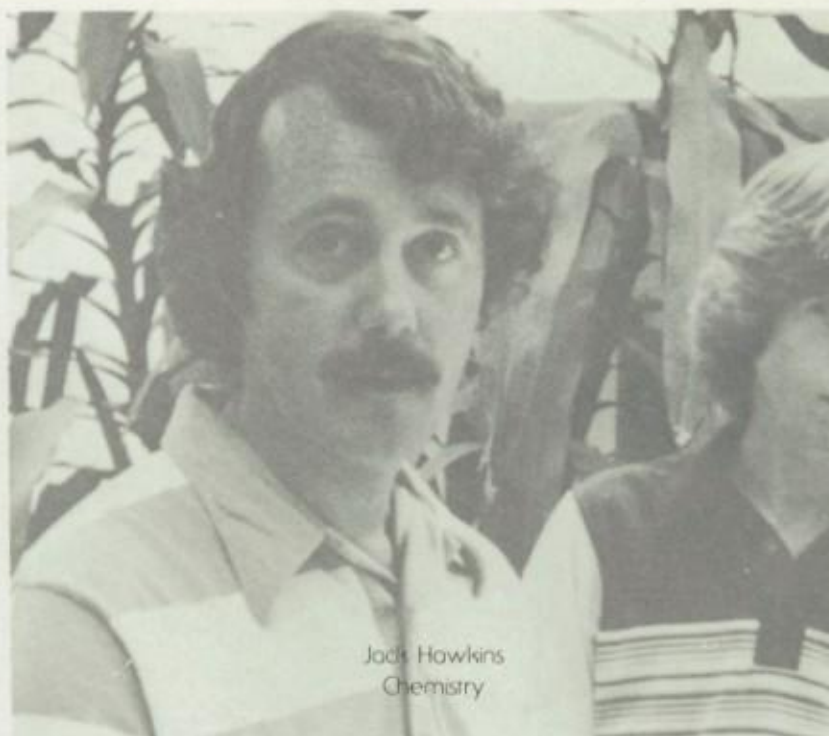

a group or on an individual basis. Students were encouraged to begin their lifetime fitness program while participating in the daily physical education programs.

There are many possible career objectives for students with physical education training. Such as physical therapist, physical education teacher, professional athletes,

sports medicine and athletic trainers and coaches. Other courses that were offered that could be beneficial to the student were lifesaving, personal fitness, and water safety instruction. For the student who enjoyed the excitement of dancing and the thrill of the theater, Sonora offered dance production.

Courses in science were designed to develop student understanding of the physical and Biological world and to enable the student to make intelligent decisions about personal and environmental issues. A core program of biology, chemistry, and physics was supplemented by elective courses to suit student needs and interests.

The social science curriculum was de-

signed to provide each student with the knowledge and skills necessary to meet his needs in contemporary society. The problem solving and decision making activities that so dominate society and the individual's life require that students develop a wide range of critical thinking skills. The courses provided by the social science department were structured to meet this objective. In

addition, the courses that were established are to fulfill university acceptance and graduation requirements. There were a number offered, to enable the student to investigate other social science disciplines. These latter courses reinforced the departmental objectives and offered the student an opportunity to develop knowledge in areas of interest.

SWAS was a natural and logical extension of Sonora High School. It was founded on the premise that some students can achieve a more meaningful and complete education in an alternative learning environment—learning in a different way, under different circumstances, in different places and at a different time. Students followed the

same basic materials in the required subjects as that of the regular school curriculum such as English, mathematics, science, social studies, and business education. Diagnostic tests in grammar and composition were given to each student. If there was a deficiency in these areas, it was requested that the student spend at least three to five weeks

reviewing these basics. The students worked at their own pace, were given due dates for assignments.

Classes met two to three times per week for class instruction, and once or twice per week for individual instruction. Students plunged in one class in the regular school plus music or sports.

Sonora has had Aides for various departments in the school for many years. Their functions range from clerical to instructional in the classroom (helping teachers) however from the standpoint of the worker the Aide description covers everything from soup to nuts. We are called upon to do any job in the school, which would be handled by a classified clerical worker, clerk typist,

helping in the front office scheduling, running for classes, ETC. It is interesting, diversified, and frustrating. I guess we are considered helpers. Anyway, the Fullerton Union High School District has eliminated the category "Aide" from its budget (unless federally funded), therefore, Goodbye Sonora.

Signed,
Aides

CAFETERIA UTILITY STAFF

Congratulations
to the class of 1980.

During the past few years your individual and collective achievements have contributed significantly to the traditions of Sonora High School. On the Athletic field, on the stage, in drama and music, in student government, and in each of the academic

areas, members of your class have earned places of honor which will remain for years to come, and which will provide inspiration for classes which will follow you.

Each of you has my sincere best wishes for continued success in whatever you undertake in the years ahead.

John Seeland
